THE SECRET LIFE OF BEES

Lily's Epiphany

In chapter two, Lily has an epiphany.

After Lily and T. Ray have a terrible fight, she thinks about it:

"You could say I'd never had a true religious moment, the kind where you know yourself spoken to by a voice that seems other than yourself, spoken to so genuinely you see the words shining on trees and clouds. But I had such a moment right then, standing in my own ordinary room. I heard a voice say, Lily Melissa Owens, your jar is open." At this precise moment, Lily finally realizes she can leave.
