

# LOCATION OF INDUSTRIAL REGIONS AROUND THE WORLD

A.P. Human Geography

NAME \_\_\_\_\_

PERIOD \_\_\_\_\_

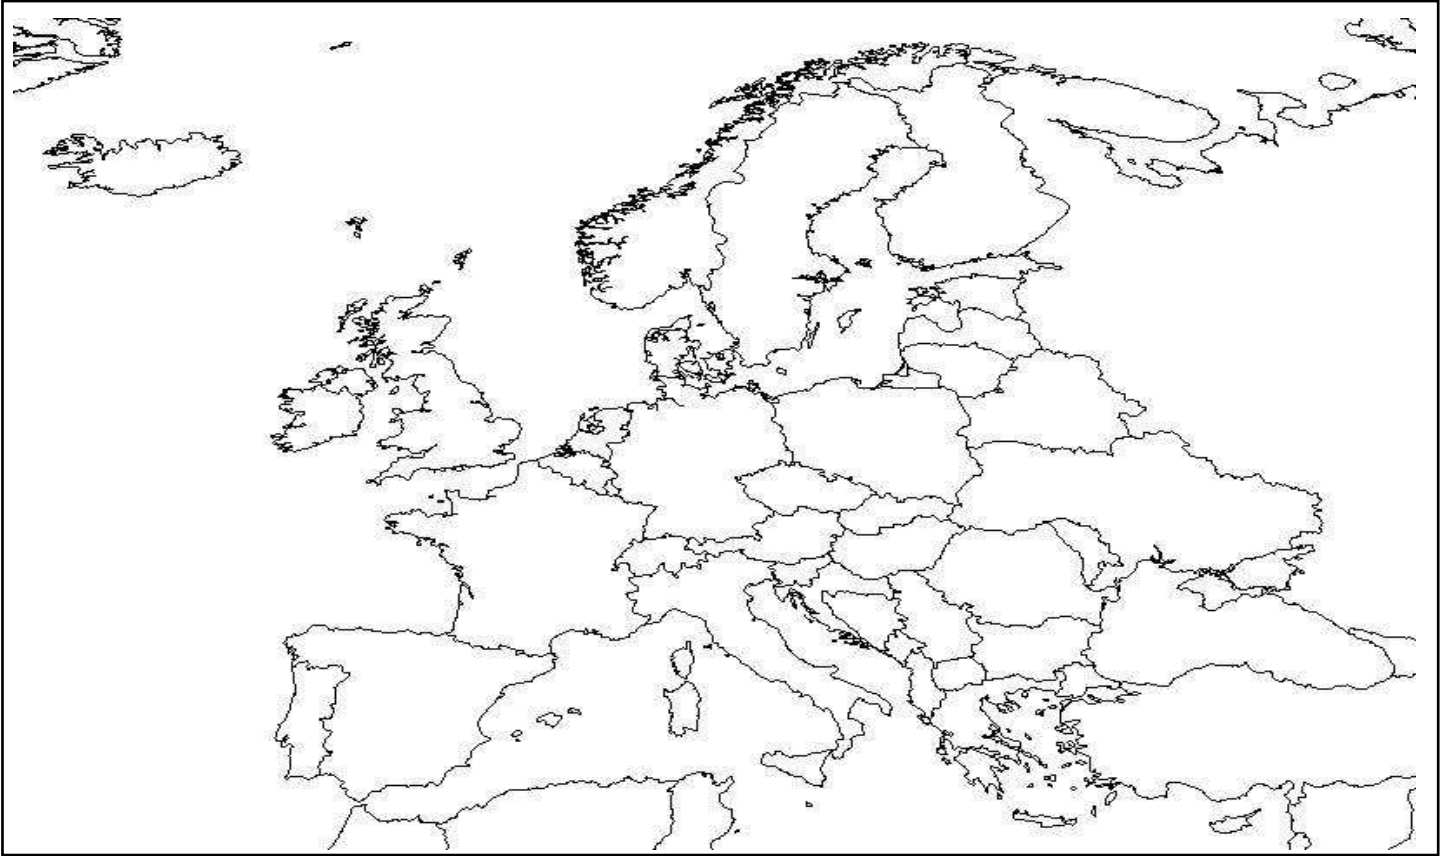

**DIRECTIONS:** Complete the following chart using Chapter 11 Key Issue # 1.  
(Using Rubenstein's Cultural Landscape: An Introduction to Human Geography, 10th Edition)

On your map, color and label each of these areas according to the time period in which their industries developed. You may use the numbers next to the regions to label your regions on your map. Be sure to explain in your key, your color coding for the time periods during which these industries developed.

Region	Location	Industries and Resources
