If you need help or have questions, office hours: Office hours will be held on weekdays from 12-2 pm. Zoom tutorials are available for those that need help with assignments, simply reach out to me via email or phone to set one up. Feel free to call (209) 380-0125 between 11-3 pm or email arocha@tUSD.net at any time.

To obtain work online: Download complete workbook with fillable pdfs from the school website.

Online Submission of work instructions: Email me the completed packet to arocha@tUSD.net.

To obtain printed packets: Pick up at school following the directions on the district website.

Submission of written work from printed packets: Drop off at school following the directions on the district website.

Sidenote: I will be creating an OPTIONAL extra credit assignment that will be available around weeks 4-5. Happy learning!
