

Chelsea High School Continuous School Improvement 2022-2023

Vision: At Chelsea High School, we work to be the model of excellence in education.

Mission: Chelsea High School is committed to the values of learning, service, and character to ensure our graduates are prepared to fulfill their goals in ways that benefit them personally, and as members of a productive society.

ELA Critical Initiative: Implement standards based, targeted ELA instruction.	
ELA Objective: Develop data informed instructional practices that improve tier 1 learning for all students.	
Activity	Benchmark
IXL Diagnostic Snapshot	By 1/13, greater than 75% of 9-11 grade students will have successfully completed the Diagnostic Snapshot. By 5/12, that number will increase to 80%.
IXL Skill Plan Growth	By 1/13, greater than 75% of 9-11 grade students will have completed consistent assignments designated to increase ELA skills targeting individual and specific needs. By 5/12, that number will increase to 80%.
ACT Writing Approach	75% of students will demonstrate learning through ACT writing practices during each grading period. By 5/12, 80% of students will have completed this practice.

Math Critical Initiative: Implement standards based, targeted math instruction.	
Math Objective: Develop data informed instructional practices that improve tier 1 learning for all students.	
Activity	Benchmark
IXL Diagnostic Snapshot	By 1/13, greater than 75% of 9-11 grade students will have successfully completed the Diagnostic Snapshot. By 5/12, that number will increase to 80%.
