

# CHELSEA MIDDLE SCHOOL

## 2020-2021 CSI Plan

### At a Glance

**Vision:** It is the VISION of Chelsea Middle School to create a culture where students, staff, and parents work together to promote a learning environment which motivates students to find their purpose, realize their worth, and achieve their full potential.

**Mission:** The MISSION of Chelsea Middle School is to provide developmentally appropriate programs which engage students with real-world applications in a positive school environment. By Providing students with multiple opportunities to succeed, we ensure that students will grow socially, emotionally, and academically.

### Mathematics

**Critical initiative** - Implement standards-based, targeted math instruction.

**Intended Outcome** - Develop data-informed instructional practices that improve Tier I learning for all students.

**Activities** - Targeted standards-based bell ringers and non-foundational spiral standard incorporation.

**Activity Measures** - Formative assessments through bell ringer quizzes and student grades.

**Benchmark** - ACAP

### English Language Arts

**Critical initiative** - Implement standards-based, targeted ELA instruction.

**Intended Outcome** - Develop data-informed instructional practices that improve Tier I learning for all students.

**Activities** - Lexia opened to all with reading goals (ATSI), reading stamina for long passages, and pre-writing samples for all types of writing.

**Activity Measures** - Quarterly progress reports to reflect student progress, student conferencing, and quarterly writing assessments.

**Benchmark** - Lexia, ACAP, and student celebrations who exceed their goals.
