

Computer Information Technology

Recommendations for Success:

- Knowledge of basic computer applications
- Keyboarding
- Comprehend textbook content, graphs, charts
- Be an independent learner
- Read and interpret technical documents
- Pay attention to detail
- Follow written and oral directions
- Good attendance/homework completion dependability
- Exceptional ethics, honesty, and integrity
- Troubleshoot, diagnose, and problem solve
- Sit/concentrate at a computer for long periods
- Good vision to view small details
- Follow safety rules
- Work independently and without supervision
- Good verbal and written communication skills
- Accept criticism & deal effectively in high stress situations
- Be adaptable, flexible and persistent
- Algebra fundamentals
- Reading & writing fundamentals
- Science fundamentals

Lenape Technical School	Computer Information Technology
Objective of field	To successfully complete the certification exams, obtain further education, and/or work experience in order to obtain entry-level employment in the Information Technology field.
Job Duties / Training	The Computer Information Technology program helps students gain the practical experience and knowledge needed to pass the entry-level certifications for A+, Network+, and/or Server+ CompTIA certifications.
Classroom Tests	<p>A+ Chapter Exams A+ Final Exam – Essentials A+ Final Exam – Practical Applications A+ Certification Exam – Essentials A+ Certification Exam – Practical Applications Network+ Chapter Exams Network+ Final Exam Network+ Certification Exam Server+ Chapter Exams Server+ Final Exam Server+ Certification Exam</p> <p>If entering CIT as a sophomore: Year 1: 30 tests* Year 2: 25 tests* Year 3: 25 tests*</p> <p>If entering CIT as a junior: Year 1: 30 Tests* Year 2: 25*</p> <p><i>*This number is approximate and is subject to change</i></p>
Certification Tests	CompTIA A+ Network+ Server+ (optional) Linux+ (optional)
Books	1 Electronic Textbook, Lab Manual, Reference Books, and Study Guides
Lecture Time	Year 1: 2 hours/week* Year 2: 2 hours/week* Year 3: 2 hours/week* <p><i>*This number is approximate and is subject to change</i></p>
Co-op/Clinical	<ul style="list-style-type: none"> • Student must receive approval from all members of the professional staff • Student must have a “B” grade or higher in all subjects • Student must have a satisfactory discipline record • Student must maintain passing grades while they are in the co-op program • Student must maintain strong attendance record and demonstrate punctuality • Student must provide their own transportation to and from work • Student must have completed 80% of program competencies
Homework	Homework average is 1 to 2 hours per night, depending on the student’s abilities <ul style="list-style-type: none"> • Chapter requirements • Lab-Simulations • Research
Task Lists	<ul style="list-style-type: none"> • A+ Essentials Certification objectives • A+ Practical Applications Certification objectives • Network+ Certification objectives • Server+ Certification objectives

Lenape Technical School	Computer Information Technology
Task Lists Continued	<p>If entering CIT as a sophomore: Year 1: 61 tasks* Year 2: 45 tasks* Year 3: 35 tasks*</p> <p>If entering CIT as a junior: Year 1: 61 tasks* Year 2: 35 tasks*</p> <p><i>*This number is approximate and is subject to change</i></p>
Planned Courses	<ul style="list-style-type: none"> • CompTIA A+ Certification (junior year - includes computer core hardware, computer operating systems, and networking basics) • CompTIA Network+ (senior year - includes basic networking, intermediate networking, data cable creation, and participating at the Computer HelpDesk that responds to school computer/networking repair requests) • CompTIA Server+ (senior year - includes basic server installation, management, and troubleshooting web servers and email servers; students must participate in management of various shop servers)
Soft Skills	<ul style="list-style-type: none"> • Verbal and written communication skills • Patience with equipment and people • Client services communication skills
Computer Skills	<ul style="list-style-type: none"> • Keyboarding • Word Processing • Spreadsheets • Presentation • Email • Microsoft Word, Excel, and PowerPoint
Physical Requirements	<ul style="list-style-type: none"> • Ability to sit for long periods of time • Ability to lift 50 pounds • Good vision
Vocational Testing Essential Aptitudes for lab recommended levels	<ul style="list-style-type: none"> • Structural mechanical visualization/reasoning • Manual dexterity • Discrimination by size/shape and touch/color • Retention of mechanical and structural detail
Computer Requirements	<p>Student's Expense:</p> <ul style="list-style-type: none"> • Current computer and operating system • Internet connection
Uniform Requirements	<p>Student's Expense:</p> <ul style="list-style-type: none"> • Business casual dress • CIT polo shirts
Articulation Agreements	<p>This is a program of study (POS) that has a state-wide articulation agreement with post-secondary institutions. To find these, please see: www.collegetransfer.net for this CIP Code: 11.0901</p>
