

**CJSD Online Transition Options
(Transition Period 9/9-9/11)**

Parents/Families,

As we prepare for In Person learning on Monday, Sept. 14th, we would like to take the opportunity to allow our students/families to transition from one learning model to another in the next three days. For those families who are already enrolled and want to remain in our CJSD Online Learning Academy, you do not have to do anything. Just keep right on learning as you have been.

Most of our students have been working in our Distance Learning model (with your homeroom teacher) until we return to In Person learning this Monday. If you do not feel comfortable having your child return on campus this Monday and want to switch over to the CJSD Online Learning Academy, you can contact Beth Wylie below.

Please see our current learning transition options below and do not hesitate to contact us at the school with any questions or needed clarification.

Thanks,

Danny Brown, Sup't.

Steve Doerksen, Principal
