COME & JOIN IN THE FUN & EXCITEMENT OF CUB SCOUTING

Dear Parent:

Scouting develops young people in many ways: it builds character, it has a positive impact on values, and it strengthens the family foundation.

Below, you will find a brief description of the Cub Scout Program.

- Lions:** Lions are the newest Scouting program for boys in kindergarten. It weaves the concepts of character development, leadership skills, personal fitness, and citizenship into activities that are age-appropriate and fun.
- Tiger Cubs:** Tiger Cubs are first grade boys who, with their adult partners, learn lessons about building family communications, preparing for emergencies, and understanding the environment. Lessons are each specific and Tiger Cubs are recognized each time a lesson or activity is completed. Some Tiger Cubs activities include obtaining a library card, visiting a zoo, learning to use public and private phones to report emergencies, and starting a family photo journal.
- Cub Scouts:** Cub Scouting is made up of a second and third graders. Boys work toward accomplishing achievements and electives outlined in Cub Scout manuals, and are rewarded with emblems for their work. Cub Scouts learn about proper nutrition, safety, community involvement, and making informed choices. Activities include planning and cooking a family meal, starting a recycling program, increasing strength and agility through exercise, and camping with the family.
- Webelos Scouts:** Webelos Scouting is designed for fourth and fifth grade boys. They pursue activity badges for achievements in academic skills, the outdoors, technology, sports, and community involvement. Geared to older boys, Webelos activities include using computers, learning citizens' role in the nation, studying animals and insects, swimming, and properly caring for the flag.
