MEDICAL CENTER

This upcoming holiday season STA(Student Transportation of America) is collecting new and unwrapped toys to donate to the Connecticut Children's Hospital.

We are excited to have a contest between the grades to see who can collect the the most toys. There will be boxes marked with each grade. The grade that collects the most toys will receive buses for a field trip at no charge donated by STA.

We are asking anyone able to donate to send the toy to school with your child.
