Dear Parents,

As our school year comes to an end, we are planning for the 2015-2016 school year. In the past crayons for all students can cost as much as \$2,000 per year. If parents could buy their students' supplies when Wal-Mart runs their back to school sales, we would save our school thousands of dollars in start up costs. If you find a good sale, please try to donate supplies, as usually quantities are limited. Below is the supply list by grade level. Thank you for your support.
