TUSD Academic Standards (BP 6011)

The Governing Board recognizes that district-wide desired learnings, benchmarks and performance standards are necessary to clarify for students, parents/guardians and staff what students are expected to know and be able to do at each grade level and in each area of study. The Board shall adopt high standards in student achievement that challenge all students to reach their full potential and ensure consistency of expectations among the district's schools and classrooms.

District standards shall be developed through a process that involves staff, students, parents/guardians and community members. Standards shall be based on an assessment of the skills that students will need in order to be successful in higher education and the workplace, including basic skills, problem-solving abilities, and conceptual thinking. Special care shall be taken to ensure the proper articulation of standards among district schools.

District standards shall guide Board and staff decisions regarding the curriculum to be adopted, the sequential courses of study to be offered, and the assessments to be given. Staff shall continually assess student's progress toward meeting the standards and shall offer remedial assistance as needed. The standards shall also provide a basis for evaluating the instructional program and, as required by law, for evaluating teacher performance.

While desiring district standards to be specific and comprehensive, the Board does not intend that these standards be so extensive as to describe everything that will be taught in the classroom. Staff shall have sufficient time and flexibility to determine the best instructional methods to use in preparing students to meet the standards.

The Superintendent or designee shall ensure that district standards are regularly reviewed and updated as necessary in order to reflect changes in skills that will be needed by students and to ensure continuing support for the standards.

ABI Parent Portal Information

The ABI Parent Portal (Aeries Browser Interface) is a system by which parents can keep track of their student's grades and attendance at school. To sign up, parents need the following items: an email account, your student's names, home phone number, permanent ID number, and VPC (verification pass code). If a parent has not previously signed up, they can come to the administrative office and see their child's counselor or the receptionist, show identification and receive the VPC number assigned to their student, then log on to <http://parent.tracy.k12.ca.us> and sign up for access to the information system.

Academic Honesty

All work submitted by students should be a true reflection of their effort and ability. If it is not, then the student has demonstrated unacceptable behavior. The following instances are considered cheating:

- Claiming credit for work that is not the product of one's own honest effort.
- Providing unwarranted access to materials or information so that others may dishonestly claim credit.
- Submitting work done entirely or in part by another person.
- Giving test answers to another student or getting test answers from another student.
- Representation of another person's words or ideas as your own by not properly citing the source and giving the author credit.
- Copying from the internet and from another student.
- Knowledge and tolerating of the foregoing circumstances.

Any behavior, which can be defined as cheating, represents a violation of mutual trust and respect essential to education. Students who cheat should expect to be confronted by their teacher and be subject to the following penalties.

- A "zero" on submitted work.
- Possible disciplinary referral.
- Notification of parents.
- If a student is found to have cheated a second time or is involved in a particularly serious act of cheating, the student will be referred to the Principal/Designee for a formal hearing of those concerned (student, teacher, parents, counselor, administrator). Consequences may include suspension from class, school, or loss of class credits.

Course/Schedule/Class Changes

Class changes are difficult to accommodate because the overall master schedule of classes is based upon student requests made during pre-registration. Therefore, the best way to obtain the course that you want is to sign up for it during pre-registration. Program changes will only be made to accommodate the following situations:

- a. To balance class size.
- b. Credit has previously been earned in the course.
- c. Inappropriate placement in the class (i.e., level, subject). This category must have a teacher signature and comment.
- d. Scheduling errors (i.e., two second periods, no fourth period or course was not listed on registration sheet).

- e. Student has not taken the necessary pre-requisites to meet course requirements.
- f. Upper classmen need the course for graduation.
- g. Student is enrolling in work experience.

Requests for the above situations must be made during the first 10 days of instruction. After the tenth (10th) day of instruction, class changes will be initiated only if a student is misplaced academically. In addition, changes to teacher and changes to periods cannot be accommodated.

To request a schedule change for one of the above circumstances, please do the following:

1. Pick up a class change form from the counseling office before school, during lunch or after school.
2. Complete the appropriate areas.
3. Have your parent/guardian sign the Schedule Review form.
4. Return the signed form to the counseling office for review.
5. Wait for your counselor to contact you regarding the Schedule Review.
6. Continue to attend the course(s) listed on your schedule until the counselor has made an official program change.

Early Graduation

Early graduation petitions must be submitted to the school site administration in a timely manner. The student must be enrolled in all classes needed to graduate and have passed all proficiencies. The petition must be signed by the student, parent/legal guardian, counselor and the school principal, and must include:

1. A rationale for the request to graduate early;
2. An action plan for completing the required course work for early graduation;
3. A complete record of the student's grades and credits earned to date;
4. And the attendance record for the student.

Once completed, the petition to graduate early must be submitted to Student Services for review, then to the Board of Trustees for final approval. Students who graduate at the end of the first semester will not be allowed to participate in second semester senior activities. The student will be allowed to participate in the graduation ceremonies and post-graduation activities, subject to the approval of the principal. Students who graduate early must be in good behavior standing in order to participate in the graduation ceremony and any post-graduation activities.

American Government, Economics and English IV courses shall be primarily limited to twelfth grade students and to students who are age appropriate for twelfth grade. Enrollment of eleventh grade students in senior required courses will be based on space availability, student grades and attendance, and the ability of the student to graduate early.

Grading

The purpose of grading is to communicate the level of achievement in the educational program to students, parents, institutions of higher learning, prospective employers, counselors and other schools the student might attend. The symbols used and the meaning of each symbol is as follows:

- A Excellent Achievement
- B Above Average
- C Satisfactory Achievement
- D Below Average, But Passing
- F Failure to Meet Minimum Standards

“NM” A No Mark (NM) is assigned when a student has been absent due to illness for an extended period of time, is absent during the final test, or is new to the school and has been enrolled for at least 20 school days. Students who receive a “No Mark” due to absences have the first 3 weeks of the next quarter to complete their incomplete work. Failure to complete this work will result in the NM converted to an ‘F’.

“I” An Incomplete (I) is assigned if a student has outstanding work that was due during the grading period and which needs to be made up. If a student cannot make up the work, he/she will be assigned the appropriate grade. If the work can be made up, the student will receive an “I”. All “I” grades must be cleared by the end of the third week of the next grading period or they automatically become an “F”. For purposes of eligibility, an “I” counts as an “F”.

Graduation Requirements from High School

A student must complete 220 credits and will normally carry a minimum of thirty credits each semester while in school. A standard class is worth 5 credits per semester, 10 credits per year. Students must complete the total number of credits in each of the areas listed below:

English	40 credits
Social Studies	30 credits
Science	30 credits
Math	20 credits
Fine Arts or Foreign Language	10 credits
<u>Physical Education</u>	<u>20 credits</u>
Required Course Total	150 credits
<u>Elective Courses</u>	<u>70 credits</u>
TOTAL	220 credits

All students must take and pass at least two years of math while enrolled in high school and one of the two classes must be Algebra I. This requirement may be completed in grade 8.

Three years of science is to include one course in biological sciences (Biology, Biology Pre-AP/IB, Ag Biology, Human Physiology, Integrated Science 2, and one course in a Physical Science (Chemistry, Chemistry Honors, Applied Chemistry, Earth Science, Physics, Ag Earth Science, Natural Resources, Integrated Science 1, Conceptual Physics)

All students will demonstrate mastery of district identified technological skills.

Homework Policy

Parent's Guide to Homework in Tracy Unified School District

The Governing Board believes that homework serves many purposes. Through their homework, students can reinforce academic skills taught in school, learn how to conduct research effectively, develop ideas creatively and become life-long learners.

The Board believes that homework is the responsibility of the student. It is the student's job to develop regular study habits and to do most assignments independently. The Board encourages teachers at all grade levels to use the parent as a contributing resource and to structure homework assignments so as to involve the parent to help oversee homework without diminishing the student's sense of responsibility. To be effective, homework assignments should not place an undue burden on students and families. Homework should reinforce learning objectives and state standards.

Research supports that homework is an essential part of a student's academic achievement. Homework is designed to reinforce academic skills taught and to help students become life-long learners.

Board Policy 6154

- Homework reinforces student learning to meet state and district standards
- Homework is planned, systematic, selectively checked and graded
- Homework is clear, specific and relevant
- Homework is a combination of skill reinforcement and exploration
- Long-term homework assignments will have checkpoints for completion and while students may work on them over holidays and weekends, ample time will be allowed to complete them during the week and prior to holidays
- Homework will be reviewed in class and returned in a timely fashion
- K-5 students will not be required to complete homework on holidays and inter-sessions. K-5 students will not typically be given homework on weekends. 6-8 students will not be required to complete homework on inter-sessions. 6-8 students may be given limited homework on holidays and weekends.
- Per night, K-3 homework assignments will typically average thirty minutes; 4-5 homework assignments will typically average one hour; 6-8 homework assignments will typically average one and a half hours
- Per night, 9-12 students will typically average two hours of homework. 9-12 students may be given limited homework on holidays and weekends to meet course objectives and acquisition of skills. Students in advanced classes may receive more homework, including summer reading.
- Unfinished classroom work may be sent home to be completed but should not be required in addition to homework. Unfinished classroom work can be done at recess and after school.
- Regular reading at home on a nightly basis is encouraged but not required in addition to the assigned homework.

Tips for Parents

- When there is a specific assignment, the best way for parents to help a child learn is by offering support when it is requested. At the same time, limits need to be set so that children learn to work independently. Even when children do not have specific assignments due, parents can be helpful by listening when children talk about school and by expressing interest in class work and school activities.
- Talk with teachers if assignments seem to be causing students continuing problems
- Share thoughts and ideas with children on many topics of interest
- Read to your child
- In helping students with homework, parents should:
 - Show interest in the student's work
 - Encourage the child to work independently most of the time
 - Provide a suitable place for study, free from distraction, and if possible, reserved for that student alone
 - Check to see the homework assignments are completed
 - Assist in balancing school work with other activities
- If you feel that your student's teacher is not following Board Policy 6154, Homework, please take the following steps: 1) Contact your student's teacher and discuss his/her homework practices. If it is not resolved, then 2) Contact your school principal. If it is not resolved, then 3) Contact Carol Anderson Woo, Director of Special Projects, Testing & Curriculum at 830-3275.

Honors Course Designations

Beginning with the 2002-2003 academic year, the only courses that will receive an honors designation and extra grade point weighting in the calculation of student grade point averages will be those classes that have been approved as an honors level course by the University of California. All honors courses will be identified as having an (H) adjacent to the course title. Please contact your child's counselor for a list of classes that have been approved as an honors level course by the University of California. Please note this is a change in past practice as mandated by Assembly Bill 458, Chapter 386.

Limitations on Credits

1. Except where specified, courses which are repeated earn credit one time only. In the instance where a course is repeated, the second set of grades will be included on the student's permanent record.
2. A maximum of forty (40) credits from any work experience education may be credited toward graduation requirements. Students may be enrolled in no more than two (2) periods of outside work experience.
3. A maximum of ten (10) credits from any combination of teachers' aide, office aide, tutor, library aide, etc., may be applied toward graduation. These credits can only be earned during the 11th or 12th grade.
4. A maximum of forty (40) credits of physical education may be credited toward graduation requirements.

5. Units of credit earned at all other accredited schools and correspondence schools may be transferred. Units from correspondence schools must have prior approval by the student's counselor and administrator before students enroll in these courses for High School credit.
6. By arrangement, and with prior approval, certain units earned concurrently at other institutions may also be accepted toward graduation. ROP/ROC classes and centers are examples and more information can be obtained from the counseling staff.
7. Units of credit earned on independent study must have prior approval of the student's counselor and administrator.
8. Units of credit earned at non-accredited schools are not accepted. Please see your counselor for the District's credit review process.
9. Units of credit received through Tracy Adult School must have prior approval of the student's counselor and/or administrator to be applied toward graduation from High School.
10. Units of credit earned from an institution of higher learning; i.e., an accredited community college or a four (4) year college; may be considered for graduation only if the following criteria are met:
 - a. The student must be currently enrolled at High School.
 - b. The student must obtain prior written approval from the High School principal and the junior college or college involved in order for units of college credit to be applied toward high school graduation.
 - c. The student must be enrolled in at least four classes at High School during the semester he/she is concurrently enrolled at a junior college or college.
 - d. Consideration for credit transfer will not be granted to former students who left High School before graduation and who are not age appropriate for re-enrollment.

Make-up Work (BP 6154)

Students shall be given the opportunity to make-up work missed because of an excused absence and shall receive full credit if the work is turned in according to a reasonable make-up schedule. Typically, each day of excused absence merits a make-up day.

Based on Ed Code 48913, the teacher of any class from which a pupil is suspended may require the suspended pupil to complete any assignments and tests missed during the suspension.

Teachers may or may not allow a suspended student to complete any assignments and tests missed during at home suspensions, as stated per teacher syllabus.

Students who miss school work because of unexcused absences may or may not be given the opportunity to make-up missed work for full or reduced credit. Teachers may assign such make-up work as necessary to ensure academic progress, not as a punitive measure.

Teachers need at least twenty-four hours to supply make-up work.

Teachers' procedures and processes for make-up work should be clearly explained to both students and parents in the individual class syllabus.

Parent Communication of Ongoing Grades/ ABI Parent Portal

Parents can view their student's attendance, schedule, transcript and grades from home via this web based program. There are three pieces of information a parent needs to register for an account; home telephone number, student permanent id number, and verification pass code. You can contact your school secretary or receptionist to obtain the verification pass code. Once you have the code, go to <http://parent.tracy.k12.ca.us> and click on the "NEW?" - Sign up here. You will be connected to information about how to create your account giving you 24 hour access to your student's information.

Progress Reports

In order to let you and your parents know if your work is below standard, progress reports are issued four times a year, mid-way through each quarterly grading period. These reports are sent to the parents of all students. Please note that if you receive a "D" or "F" or "in danger of failing" on your progress report, you should schedule an appointment with the teacher(s) of that class immediately in order to develop a plan of action to help you pass the course. The marks "D", "F" or "In Danger of Failing" on a progress report indicates that students are in danger of failing and that they need to take immediate action to improve their grade.

Report Cards

Report Cards are issued four times a year. They are issued approximately two weeks after the conclusion of each quarter/ semester.

Completion of Assignments

The teacher of any class from which a pupil is suspended may require the suspended pupil to complete any assignments and tests missed during the suspension (Education Code 48913).

Recognition Programs

At TUSD we believe in recognizing and reinforcing positive behavior and academic excellence. The following recognition programs are on campus:

Academic Block Letter

Students may earn an Academic Block Letter.

The criteria is straight A's or GPA of 4.0 or higher

- Freshmen with straight A's or a GPA of 4.0 or higher in their first semester are eligible.
- Sophomores, Juniors, or Seniors with straight A's or a GPA of 4.0 or higher in either of their two most recent semesters are eligible.
- In order for students to earn their Block Letter using straight A's or a GPA of 4.0 or higher, they must take a minimum of three courses from the University of California A-G list during their straight A or GPA of 4.0 or higher semester.

Cumulative Academic Grade Point Average (ACA GPA) for the Academic Block Letter:

- At the end of the first semester of the school year, sophomores with an academic GPA (9-12) of 3.93 or higher on their transcript, juniors with an academic GPA (9-12) of 3.85 or higher on their transcript, and seniors with an academic GPA (9-12) of 3.75 or higher on their transcript are eligible.
- In order for students to earn their Academic Block Letter using their Academic Grade Point Average (9-12), they must have taken a minimum of three courses from the University of California A-G list each semester of high school they have completed. The A-G list is available in the Counseling Center.
- Academic Block Letters will be awarded once per year after the close of the first semester. For more information regarding the Academic Block Letter read your daily bulletin and the “Academic Block Letter Instructions for Candidates” application form. Applications must be picked up, completed, and returned to the Library.

Community Service Program Block Letter

The Community Service Block Letter program is open to all students in grades 9-12. Students must complete 100 hours of documented hours of Community Service within one school year. Volunteer time must be outside of school hours and no compensation can be received. Applications and Activity Evaluation forms are available for pick up and drop off in the Career Center. Students who successfully complete the program will receive their Block Letter or an insignia/pin.

California Scholarship Federation (CSF)

Students may apply to join the CSF during the first quarter of the school year. Specific deadline dates are announced in the daily bulletin. Applications are approved based on a point system, as follows:

“A” in any class	=	3 points
“B” in an honors class	=	2 points
“B” in any other class	=	1 points
“C” in any class	=	0 points
“D or F” in any subject bars membership		

Classes are divided into three “lists” according to their subject matter. Students list their five “best” classes on the CSF application using the list criteria, assigning them the appropriate points. A total of ten (10) points are needed to become a member.

Honor Roll

At the close of each semester, a student who has maintained a minimum of 3.5 GPA and has received no “F” grades will be placed on the Honor Roll. Students who maintain a minimum of 4.1 GPA and no “D’s or F’s” are placed on the Principal’s Honor Roll. Approximately three weeks after the grading period has ended the Honor Roll and Principal’s Honor Roll lists are posted in the administrative building.

Recognition Program

Staff members choose a student for the recognition program. These students are chosen based on their attendance, leadership, citizenship, extra-curricular activity involvement and other criteria. All students who are recognized receive a letter of recognition and certificate.

Registrar

The Registrar's Office ensures accurate student records are kept and is available to assist you with questions you may have regarding report cards or transcripts. The Registrar's Office also takes telephone, or other general or emergency information changes. Please see the Registrar to obtain the appropriate form. Students or parents may phone the Registrar's Office with any questions.

Valedictorian and Salutatorian

Valedictorians and salutatorians must meet the following requirements:

1. Take a minimum of 120 units at Kimball High School to be the Valedictorian or Salutatorian at Kimball High School.
Take a minimum of 120 units at Tracy High School to be the Valedictorian or Salutatorian at Tracy High School.
Take a minimum of 120 units at West High School to be the Valedictorian or Salutatorian at West High School.
For the purpose of valedictorian/salutatorian selection, successful completion of a course in the third quarter of the senior year will be considered successful completion of the second semester.
2. Take at least the minimum number of A-G classes required for admission to the University of California. Complete all A-G classes with a grade of "C" or better. Third quarter senior grades will be considered second semester senior grades for the purpose of valedictorian/salutatorian selection.
3. Take at least four semesters of honors classes during the junior year and at least four semesters of honors classes during the senior year.

Students who meet the three requirements above will be eligible to be the valedictorian or the salutatorian. The student with the highest grade point average using a four-point scale (calculated to two places after the decimal with honor points not included) will be declared valedictorian. The student with the second highest grade point average using a four-point scale (calculated to two places after the decimal with honor points not included) will be declared the salutatorian. Grades earned during the third quarter of the senior year will count as second semester grades and must be averaged in to determine candidates' grade point averages. For the purpose of valedictorian/salutatorian selection, candidates must include all grades earned after August of the beginning of their freshman year. Candidates may exclude high school grades earned prior to the actual beginning of their freshman year.

In case of a tie, the tie will be broken in the following manner:

1. The student with the highest number of honors classes during his/her junior and senior year, at their respective high school, will be declared the winner. This number will include classes completed and classes being taken during the third quarter of the senior year.
2. If there is still a tie, the student with the highest GPA from honors classes only will be declared the winner.
3. If there is still a tie, the students will be declared co-valedictorians and therefore no salutatorian will be named.
4. The computerized report card/transcript ranking is not applicable.

Scholarships and Financial Aid

Practically all colleges and universities offer scholarships of varying amounts to deserving high school seniors. If you are interested in obtaining a scholarship from a particular college, ask the Career Center personnel or your counselor for information. Most scholarships are awarded on the basis of financial need and scholastic standing (grades). Seniors desiring a scholarship grant of financial aid for post high school education should begin the application process as soon as possible after the beginning of the school year.

Important information relating to scholarships and deadlines is communicated through the bulletin and on the Scholarship Board in the Career Center. It is each student's responsibility to listen to and/or to read the bulletin and often check the scholarship board. Questions regarding specific scholarships may be directed to the Career Center Clerk or your counselor.

The High School will maintain accurate records of student attendance and will notify parents of excessive student absences. Parents are expected to send students to school or to promptly notify the High School if their student is going to be absent. Continuous violation of this policy may result in the student being transported to Tracy Police Department for supervision and parent notification.

Unexcused: Students may not be allowed to make up work missed if an absence is unexcused. Listed below are the most common reasons given for absences that will be considered unexcused:

- a. Family vacations and extended weekend trips.

Attendance Procedures

It is the student and parent/guardian responsibility to verify an absence, and they must do so within 48 hours upon returning to school. An auto dialer will notify parents/guardian when a student is absent from school a portion of the day.

1. Parents are responsible for notifying the school between 7:20 am and 3:30 pm whenever their student is absent. Parents may call the attendance office and/or send a note with the student upon his/her return to school. All notes must contain the following information:
 - Name of student
 - Date(s) of absence

2. If a parent has called to report a student's absence, the student will not be required to obtain an admit, and the corresponding absence code will have been entered into the attendance program. Upon returning to school, if a student has a note, he/she must obtain an admit slip at the Attendance Office window before school starts. The attendance office window is open at 7:00 am every day for the purposes of issuing admit slips to clear absences. A student must bring an absence note to the office early enough so that he/she will be in first period class by the time the tardy bell rings A student who is late to his/her first period class will receive an unexcused tardy. A student returning to school after being absent will not be admitted to class without an admit slip or being cleared on the computer. Students needing to obtain an admit slip before school and after first period; need to report to the Attendance Office window. Students have only 48 hours upon their return to school in order to clear an absence. NOTE: Students are not permitted to use office telephones to clear an absence. If the absence is not cleared within 48 hours, the absence becomes a truant.
5. A student returning to school without a call or a note from a parent or a note from a doctor will be considered truant and assigned to Saturday School. If a student brings in a note within 48 hours of returning to school, he/she will not be required to serve Saturday School. If a student does not bring in a note when first returning to school, but does bring in a note within 48 hours, he/she must take the note to the Attendance Office to obtain a second admit slip. A student must show the admit slip to all of his/her teachers in order to clear the absence and obtain make-up work.

Please call the school on the date of the absence. If unable to do so, students should bring a note to school to clear the absence when they first return to school.

6. Students enrolled in a zero period must also be enrolled in first through fifth periods. Students may take a sixth period or be excused for the day. Students enrolled in zero through fifth period must leave campus immediately after fifth period. Students with school obligations after school may return for the obligation. All students are required to attend six classes or take 30 credits per semester.

2. A student assigned to Saturday School must serve the Saturday School on either of the dates assigned (within two week interval). Failure to attend Saturday School after assignment will be considered defiance of authority (Education Code 48900) and will result in suspension from school. Continued failure to attend Saturday School will result in a referral to the School Attendance Review Board (S.A.R.B.).
3. Attendance letters will be mailed on a bi-weekly basis for students on the 24th, 48th, and 66th class period unexcused absence. A School Attendance Review Team (SART) will be recommended. Included in the meeting will be the student, parent(s), counselor, assistant principal and other school personnel as needed (e. g., school resource officer, school psychologist, nurse). The team will meet, even if the parent cannot be in attendance, to devise a plan to promote a positive change in the student’s attendance. The parent will be advised of the plan and assistance will be requested. NOTE: An unexcused absence is considered ‘truancy’.
4. A student with a work permit who exceeds 15 hours of Saturday School will have their work permit suspended.
5. Juniors and seniors who abuse off campus lunch privileges or who accumulate more than 15 Saturday School hours at any time during the year, will lose their off campus lunch privileges and may be subject to other disciplinary action.
6. After the 10th unexcused absence from a class in one quarter, the student will be referred to the Assistant Principal for the SARB process.

7. A student owing more than 15 hours of Saturday School will be placed on Activity/Social Probation until Saturday School hours are reduced to 15 hours or below.
8. A student who leaves class without permission will be marked truant and will be subject to disciplinary action. Failure to check out and receive an off-campus pass through the attendance office will result in being considered truant. Appropriate consequences will then be assigned.
9. Students assigned to Saturday School can only serve their hours:

Every instructional minute counts and student tardiness interferes with the learning process. Please be respectful of your teacher and fellow classmates and be on time to class.

A tardy is defined as arrival to class after the tardy bell rings. Students must be in their seats when the tardy bell rings.

Teachers may give classroom consequences for tardies, which should include natural consequences. Teachers will outline their consequences in their syllabus.

School Messenger will automatically phone parents alerting them each time their student is tardy. If you feel you have received a message notifying you of a tardy, in error, please contact your child's teacher.

Students who reach the following cumulative number of tardies in a semester will receive the following administrative consequence in addition to the teacher's consequence:

*Behavior Expectations,
Interventions, & Discipline*

Discipline Philosophy

It is important that each individual develop sound social judgment and be allowed frequent opportunities to exercise this judgment and the self-discipline which must accompany it.

Students and teachers are entitled to an environment in which maximum learning and teaching can take place. In order to guide students to become responsible, self-disciplined individuals who are free to pursue academic studies, an appropriate amount of external discipline might be necessary.

All societies have rules. All students are expected to obey all classroom and school rules. Our aim is to improve the learning environment through positive reinforcement of good behavior and consistently applied consequences for inappropriate behavior.

With the cooperation of parents, parent volunteers, students, and school personnel, we can maintain schools where teachers teach and children learn.

This document outlines behavior expectations for students and gives examples of possible consequences should rules be broken. Parents and the school are partners in good discipline. The school will notify parents, whenever possible, if their student is having a behavior problem at school. We enjoy and anticipate good parent support for our discipline plan. State law and good parenting require parents to respond to all school requests for parent conferences. Notification of parents will include telephone calls and/or written communications.

Clarity of expectations and equality of treatment of students are important. The staff and Board of Trustees of Tracy Unified School District strive to clarify what is expected of students, help students develop their own sense of responsibility, assist students in understanding their own rights and establish the consequences for misbehavior.

The Student Conduct Code provides an indication of the types of violations and potential consequences that may apply to students whose behavior is related to school activity or attendance which occur at any time, including but not limited to the following: (1) While on school grounds; (2) While going to or coming from school; (3) During either lunch period, whether on or off the campus; (4) During the period that school is in session when the student is truant from school; and (5) during, or while going to or coming from a school sponsored activity.

It is important that students continue to respect the rights of private property owners when leaving and returning to campus. Students are responsible for not loitering on private property and keeping litter from neighboring streets.

Students are not allowed on other campuses without authorization during the school day (before school, during school, at lunch, after school).

The Right to Receive Instruction: The right to the full use of class time for receiving instruction and for learning.

The Right to Fair Treatment: The right to fair, consistent and respectful treatment by staff members and other students.

The Right to Due Process: The right to a hearing before a penalty is imposed. A student who is referred for a violation of the Student Conduct Code will be afforded the opportunity to offer his/her version of the incident to school authorities.

Complete All Assignments and Meet Deadlines: The full responsibility for learning cannot be transferred from the student to the teacher. A meaningful education requires that students punctually complete all school assignments.

Respect Public Property: Carefully use and return all materials and equipment.

Cooperate with School Staff Members: All communities depend upon the willingness of citizens to play a part in upholding the rules to which everyone adheres. It is unreasonable to expect help when your rights have been violated when you have refused to help others protect their rights.

3. Students displaying or using cell phones or iPod digital music players in the classroom or inappropriately will be subject to disciplinary measures and be considered in defiance.
4. Theft of any prohibited electronic items will not be investigated by school personnel; however, parents may file a theft report with the local police department.

Confiscated Items

Confiscated items must be picked up on or before the last day of school. Confiscated items not picked up will be discarded.

Disrupting a Learning Activity

Students have the right to concentrate on learning activities without being interrupted. Please do not bring to school any disruptive or prohibited items. Administrators and teachers will confiscate these items and ask parents to pick them up. No pets or other animals are allowed on campus. This includes, but is not limited to, reptiles, birds, insects, and fish.

Dress Standards

The primary responsibility for student dress and appearance rests with the parents. The primary purpose of school is education. Therefore, all aspects of school must be considered with that objective in mind. As a guide, students should be dressed in clothing that would be appropriate in the workplace.

Apparel shall be neat, clean, safe, and not disruptive to instructional activities. All students must wear some form of shoes, sandals, or moccasins. Tattoos must conform to the dress code or otherwise be covered at all times.

Unacceptable clothing choices include, but are not limited to, the following:

- Crude or vulgar lettering or images of: weapons, occult messages, drugs, tobacco, alcoholic beverages, racial/ethnic slurs, unauthorized group affiliation, sexually suggestive graphics, on shirts, sweatshirts and other apparel are not acceptable.
- Such items as beach attire, nightwear, bedroom slippers, short shorts/skirts or unsafe accessories are not allowed.
- No spandex or lycra material shorts, skirts, pants, or dresses.
- No bottoms or splits are to be shorter than where the student's fingertips reach when the arms and fingertips are fully extended on the sides.
- Any clothing/accessory that may be deemed dangerous, i.e. chains, steel-toed boots, items with spikes or studs etc. are unacceptable.
- Clothes, apparel or attire must be sufficient to conceal undergarments at all times. Clothing, apparel or attire that fails to provide adequate coverage of the body, including but not

limited to, see-through, fishnet fabrics, tops that do not touch the top of the pants/skirts, tank tops, tube tops, halter tops, bandeaus, racer backs, off the shoulder or low cut tops or dresses and sagging pants are not allowed.

Any student who deviates from the accepted standards set forth in this policy will be required to prepare properly for the classroom before being admitted and receive a dress code violation. Refusal to cooperate will result in disciplinary action.

Driving

All drivers of motorized vehicles are to observe existing vehicle code provisions, school regulations and common sense while operating their vehicles. Students who endanger the lives of others in the parking lots by speeding or reckless driving are subject to citation by local police and disciplinary action. The speed limit is 5 mph. Students must park in the student parking lot.

Eighteen-Year-Old Students

Students eighteen years of age or older, who are having attendance and/or behavior problems, will be placed on an eighteen-year-old contract. Eighteen-year-old students who transfer to Adult School may not be allowed to transfer back to high school.

Fees and Fines

At the conclusion of each school year, all fees for lost books and/or library material are reported to the library. All other fees and debts including negative balances on student meal accounts are reported to the Bookkeeper's Office. Students then receive a bill for these fees with the registration packets. Students must clear these fees prior to the beginning of the school year.

Any student who owes fees and does not clear their fees prior to the beginning of the year will not be permitted to participate in, or attend any extra or co-curricular activities, purchase a yearbook and receive an off-campus lunch pass until such fees are paid. Furthermore, students will not be allowed to participate in any sport, pep squad, drill team, dance/prom activities, etc., until all fines are cleared. Students must also have a current ASB card.

To clear a fee or fine, the books or equipment must be returned to school or the fee must be paid to the bookkeeper/librarian. This may be done prior to the school year at registration, or at any time after school begins. Students who owe fees will receive a "fines cleared" sticker as soon as their fines are cleared.

It is critical that all of the books or equipment is returned promptly and/or that fees are paid to allow purchase of the necessary replacement items to meet students' academic needs.

Seniors need to have all fees cleared before participating in designated Senior Activities. (See Senior Activities in the Activity Section of this book). Juniors and seniors wishing to apply for an off-campus lunch pass must have cleared all fines.

Gender Equity

All students attending Tracy Unified School District have equitable access to facilities, opportunities to participate in and benefit from high quality curricular and extra-curricular activities regardless of nationality, immigration status, ethnicity, gender, gender identity, gender expression, sex, sexual orientation, religion, or any other characteristic contained in the definition of hate crimes in Penal Code.

Gifts/Personal Items

Personal items related to school business (such as lunch, or student work) may be accepted at the main office and students will be notified during passing periods. Students will not be called out of class to receive these items.

We understand the importance of recognizing a special day or event for our students, but receiving gifts at the school to be sent to students disrupts the academic process. Should flowers, balloons, etc., be received at school for delivery to a student, they will not be accepted for delivery.

Gum, Food, and Drink

To maintain high academic standards and clean classrooms, gum, food and drink are NOT to be brought into the academic setting.

Hats and Sunglasses

Students are welcome to wear hats and sunglasses on campus, but to maintain a classroom environment that is free of distractions and reflects an academic atmosphere, sunglasses, hats and other head coverings are not to be worn inside classrooms and/or any indoor school function except for religious or medical reasons.

In-House Suspension School Work

In-House Suspension is a classroom learning center where students are required to work independently. In-House is used as an administrative placement in lieu of suspension. Students with excessive In-House room placements are subject to suspension. Students may request to make up work missed due to placement in In-House Suspension. The teacher shall provide all assignments and tests that the pupil will miss while suspended in In-House Suspension. (Education Code 48911.1).

Liability for Use of School Property, Books and Equipment

The school is not responsible for personal property brought to school. The Student Handbook states: "Parents are responsible for the replacement of any school property loaned to a student

which is not returned upon demand by a school employee. The school is not responsible for lost or stolen articles.”

Library Fines and Restitution for Damage to School Property

Any school site in Tracy Unified School District whose real or personal property has been willfully cut, defaced, or otherwise injured, or whose property is loaned to a pupil and willfully not returned upon demand of an employee of the school authorized to make the demand may, after affording the pupil his or her due-process rights, withhold the grades, diploma, transcripts and extracurricular activities of the pupil responsible for the damage until the pupil or the pupil's parent or guardian has paid for the damages thereto, as provided in Education Code 48900(f).

1. The school shall notify the parent or guardian of the pupil in writing of the pupil's alleged misconduct before withholding the pupil's grades, diploma, or transcripts, and extra-curricular activities pursuant to Education Code 48900(f). When the minor and parent are unable to pay for the damages, or to return the property, the school shall provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the grades, diploma, and transcripts of the pupil shall be released and student will be able to participate in extra-curricular activities.
2. The governing board of each school shall establish rules and regulations governing procedures for the implementation of this subdivision. The procedures shall confirm to, but are not necessarily limited to, those procedures established in this code for the expulsion of pupils.

Litter

Keep our campus clean. Please do not litter on school grounds or any areas in the community adjacent to the campus. Discipline steps may be applied if staff determines that a student has littered.

Lockers

Book lockers are not provided in high school. Gym lockers will be assigned to students by their PE teachers. Materials missing from the locker are a student's responsibility.

The school retains the final control over all lockers and reserves the right to search as necessary in maintaining a safe school environment as per Education Code 44807.

Nondiscrimination/Harassment (BP 5145.3)

Members of the school community are expected to treat each other with dignity and mutual respect and to accept the rich diversity that makes up the community. Disrespect among members of the school community is unacceptable behavior which is disruptive to the learning environment and potentially damaging to self-esteem.

Discrimination is prohibited at any district school or school activity. Unlawful discrimination, including discriminatory harassment, includes intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status,

pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

Complaints of discrimination and/or observed unlawful discrimination, including bullying, will be investigated as described in the Uniform Complaint Procedures (BP/AR 1312.3; Bullying Investigation Procedures AR 5131.2; and/or Sexual and Gender-Based Harassment BP/AR 5145.7)

Students who engage in discrimination, harassment, intimidation, bullying, or retaliation in violation of law, Board policy, or administrative regulation shall be subject to appropriate discipline, up to and including counseling, suspension, and/or expulsion.

Parking

Do not park in the spaces for “staff only” or any other unauthorized spaces. Cars parked on campus without a parking permit or illegally parked are subject to a parking ticket and towing charges. Drivers who continue to abuse parking regulations will lose their school vehicle use privileges and are subject to school disciplinary action. (Education Code 48900, Subsection k). Parking permits can be picked up at the bookkeeper’s office. Parking permits must be prominently displayed on either the dash or the rear-view mirror. Loitering is prohibited in all parking lots before, break, lunch, and after school.

Restrooms

Restrooms are open for student use throughout the school day. During class time, students must obtain a hall pass from the teacher to use the restroom. Students using the restroom are to cooperate with staff members checking or supervising the area. Restrooms are not to be used for “social gathering”. Food and loitering are not allowed in the restroom.

School Safety and Security (Cameras On Campus)

Cameras are installed at the school sites for safety and security, and information will be shared with the Tracy Police for any violations of the law.

Skateboards/Rollerblades

Skateboards and rollerblades are not to be brought to or ridden at school. Skateboards and rollerblades that are brought to school will be confiscated and placed in the assistant principal’s office until the end of the day. A behavior referral will be sent notifying parents of our policy and the offense. A second offense will include removal of the skateboard or rollerblades to the assistant principal’s office and is considered defiance of authority. Any subsequent offenses may result in full suspension from school.

Smoking

Students may not smoke on school premises or on areas adjacent to campus at any time, including the normal school day as well as at school sponsored activities.

Student Identification Cards

Students must be able to identify themselves at all times with a Student Body Identification

Card. Students are required to show their I.D. Card to staff members if requested. Wearing your I.D. Card on a school approved lanyard satisfies this requirement. Students who lose their I.D. Card may obtain a replacement from the Bookkeeper's Office for a replacement charge of \$5.00. Students need their I.D. Card for entry into all school activities, use of technology, late arrivals, absences, picking up of personal belongings etc. In the event of a school emergency, School I.D. Cards help with the safety of staff and students on our campus.

Student Services

Parents and students wishing to learn about special counseling programs for drug/alcohol abuse and anger management should contact their high school counselor or the district prevention services office. Parents and students wishing to discuss school discipline rules and practices should contact their high school administration or the district student services office.

Student Safety Procedures

To ensure student safety, non-aggressive canines, breathalyzers, and metal detectors may be used. Non-aggressive canines may be used to keep campuses free of dangerous devices (including, but not limited to firearms and explosives) and illegal substances. Non-aggressive canines will not sniff students or staff. Breathalyzers will be used, including but not limited to, on campus and at school sponsored activities. Students will be subject to being searched or asked to use the breathalyzers when reasonable suspicion exists. In the event of school events that call for a higher need to ensure safety, such as but not limited to, senior overnight trips and Magic Mountain trip, all students participating in the event may be asked to use the breathalyzer or go through a metal detector search. These added safety precautions will heighten student safety and keep schools and school events safer for all students.

Unauthorized Group Attire and Paraphernalia (BP/AR 5136)

Jewelry, accessory, notebook or manner of grooming (including haircuts) which by virtue of its color, arrangement, trademark or any other attribute denotes membership in an unauthorized group or group is prohibited.

- Clothing or articles of clothing (including but not limited to gloves, bandannas, shoestrings, wristbands, belts, jewelry) related to unauthorized groups that may provoke others to acts of violence are prohibited.

Because unauthorized group-related symbols are constantly changing, definitions of unauthorized group-related apparel may be reviewed and updated whenever related information is received by administrators and/or school safety committee. If a student is determined to have violated the dress code by wearing unauthorized group colors, he/she will be banned from wearing specific colors or any unauthorized group related apparel.

Visitors Not Having Official School Business Are Prohibited

Persons who are not students at or are not school employees and who do not have official business at school are not to be present on campus during school hours, including lunch time. Students are not allowed to have guests at school. Students from other schools are not allowed on campus unless they are on official school business.

Visitors Having Official School Business

All visitors, including parents/guardians on school or other appropriate business, are required to check in at the Assistant Principal's office to obtain a visitor's pass. All visitors are prohibited from entering classrooms or any area on campus without prior arrangements with the teacher or administration.

Work Experience

In addition to the above rules, work experience students will be limited to the Tracy Unified School District's (TUSD) high school enrollment area. Prior approval by the site principal or designee (work experience coordinator) is required for work outside of the TUSD high school attendance boundaries.

INTERVENTIONS

Conflict Resolution

The Tracy Unified School District believes that all students have a right to a safe and healthy school environment. Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss and resolve disagreements with respect for the rights and opinions of others.

To prevent conflict, each school within the Tracy Unified School District will incorporate conflict resolution education and problem solving techniques into the curriculum and campus programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment.

The Tracy Unified School District will provide training to develop the knowledge, attitudes, and skills that students will need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and intergroup conflict. Tracy Unified School District will adopt a Student Code of Conduct to be followed by every student while on school grounds, when traveling to and from school or a school-sponsored activity, and during lunch period whether on or off campus.

The Student Code of Conduct includes, but is not limited to, the following:

Students are to resolve their disputes without resorting to violence. Students, especially those trained in conflict resolution and peer mediation, are encouraged to help fellow students resolve problems peaceably. Students can rely on staff trained in conflict resolution and peer mediation strategies to intervene in any dispute likely to result in violence. Students needing help in resolving a disagreement, or students observing conflict may contact an adult or peer mediator. Students involved in a dispute will be referred to a conflict resolution or peer mediation session with trained adult or peer mediators. Staff and mediators will keep the discussions confidential. Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure campus safety, maintain order, and discipline students.

DART: Discipline and Attendance Review Team

A DART is utilized at 10 days of suspension. It is used as a means to develop a plan regarding student's discipline and behavior.

SST: Student Success Team

A meeting may be held in conjunction with a SST meeting, which is aimed at improving student's academic and behavioral functioning.

California Education Code 48900.6.

As part of or instead of disciplinary action prescribed by this article, the principal of a school, the principal's designee, the superintendent of schools, or the governing board may require a pupil to perform community service on school grounds or, with written permission of the parent or guardian of the pupil, off school grounds, during the pupil's non-school hours. For the purposes of this section, "community service" may include, but is not limited to, work performed in the community or on school grounds in the areas of outdoor beautification, community or campus betterment, and teacher, peer, or youth assistance programs. This section does not apply if a pupil has been suspended, pending expulsion, pursuant to Section 48915. However, this section applies if the recommended expulsion is not implemented or is, itself, suspended by stipulation or other administrative action.

DISCIPLINE

Lost and/or Damaged Books

According to Education Code 48904(b), the parent or guardian of a minor shall be liable to a school district for all property belonging to a school district loaned to the minor and not returned upon demand of an employee of the district authorized to make the demand. This includes textbooks and library materials. Students must compensate the District for damaged and/or lost library and textbooks as follows:

Description of Book Damage or Loss	Fee
Any Book Damaged Beyond Use	Replacement cost
Bar Code Missing or damaged/marked	\$5.00
Missing Pages (maximum of five pages)	\$2.00 per page
Missing/Torn page	Starts at \$5.00 per page
Missing/Torn Pages (more than five pages)	Replacement cost of book
Water Damage	Begins at \$10.00
Cover Damage	Begins at \$5.00
Marks/Scribbles	\$3.00 per page
Minimal Spine and/or Cover Damage	\$5.00
Abandoned During Textbook Check-in	\$10.00
Severe Spine and/or Cover Damage	Replacement cost of book
Stolen/Lost	Replacement cost of book

After receiving a textbook, the student must carefully inspect its condition. The student has five (5) school days after receiving a textbook to report damage to the library. After this grace period, the student and parent/guardian are liable for all damages.

It is required that all library books and/or textbooks be returned either at the end of the school year or at the time a student checks out of school during a school year. If a textbook is lost or stolen, the student will be charged the replacement cost of the book. If the book is found within one year from the date the book was marked lost, a student may get a refund if found in good condition minus any late fees. **All books not returned by the last day of school, or at the time a student checks out of school, will have an overdue charge of \$5.00 per book.** Students who change courses are responsible for returning the textbook/novel at the time of transfer. Students enrolled in semester-long courses must return their textbooks at the end of the semester and class novels must be returned on the scheduled return date for that class: failure to do so will result in a \$5.00 late fee. Students expelled or suspended from school may return their textbooks or library books to the District Instructional Media Center located at 1975 W. Lowell Ave., Tracy, CA. Failure to do so may result in the book being marked lost or having a late fee assigned.

The District cannot accept textbooks or library books purchased from outside sources, e.g., Amazon, Barnes and Noble.

Students owing fines are not allowed to participate in school sponsored after-school activities as well as co-curricular and extra-curricular events.

Per Education Code 48904(b), a student's grades, high school diploma, and transcripts will be held from students and parents/guardians until the lost or damaged book is either returned or the fee is paid. Upon return of the book in good condition or payment of the fee, the student's diploma will be released. If a book is misplaced and then found at a later date, the student may return it for release of the diploma only within one year's time (June of the following year). After a year, the student may receive his/her diploma only by paying the replacement cost of the book plus all fees.

Search and Seizure (BP 5145.12)

The Governing Board recognizes that incidents may occur which jeopardize the health, safety and welfare of students and staff and which necessitate the search and seizure of students, their property, their lockers and/or vehicles by school officials.

School officials may search individual students and their property when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law of the rules of the district or the school. The Board urges that discretion, good judgment and common sense be exercised in all cases of search and seizure.

When possible, staff may use a metal detector when searching an individual for weapons.

The parent/guardian of a student subjected to an individualized search shall be notified by the district as soon after the search as possible.

(8) After-school programs that address specific behavioral issues or expose pupils to positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups.

(9) Any of the alternatives described in Section 48900.6.48900.7.

(c) In addition to the reasons specified in Sections 48900, 48900.2, 48900.3, and 48900.4, a pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has made terroristic threats against school officials or school property, or both.

(d) For the purposes of this section, "terroristic threat" shall include any statement, whether written or oral, by a person who willfully threatens to commit a crime which will result in death, great bodily injury to another person, or property damage in excess of one thousand dollars (\$1,000), with the specific intent that the statement is to be taken as a threat, even if there is no intent of actually carrying it out, which, on its face and under the circumstances in which it is made, is so unequivocal, unconditional, immediate, and specific as to convey to the person threatened, a gravity of purpose and an immediate prospect of execution of the threat, and thereby causes that person reasonably to be in sustained fear for his or her own safety or for his or her immediate family's safety, or for the protection of school district property, or the personal property of the person threatened or his or her immediate family.

Ed. Code 48903

(a) Except as provided in subdivision (g) of Section 48911 and in Section 48912, the total number of days for which a pupil may be suspended from school shall not exceed 20 schooldays in any school year, unless for purposes of adjustment, a pupil enrolls in or is transferred to another regular school, an opportunity school or class, or a continuation education school or class, in which case the total number of schooldays for which the pupil may be suspended shall not exceed 30 days in any school year.

(b) For the purposes of this section, a school district may count suspensions that occur while a pupil is enrolled in another school district toward the maximum number of days for which a pupil may be suspended in any school year.

Ed. Code 48915

(a)(1) Except as provided in subdivisions (c) and (e), the principal or the superintendent of schools shall recommend the expulsion of a pupil for any of the following acts committed at school or at a school activity off school grounds, unless the principal or superintendent determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct:

(A)) Causing serious physical injury to another person, except in self-defense.

(B)) Possession of any knife or other dangerous object of no reasonable use to the pupil.

(C) Unlawful possession of any controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, except for either of the following:

(i) The first offense for the possession of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis.

(ii) The possession of over-the-counter medication for use by the pupil for medical purposes or medication prescribed for the pupil by a physician.

(D)) Robbery or extortion.

(E) Assault or battery, as defined in Sections 240 and 242 of the Penal Code, upon any school employee.

(2) If the principal or the superintendent of schools makes a determination as described in paragraph (1), he or she is encouraged to do so as quickly as possible to ensure that the pupil does not lose instructional time.

(b) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil committed an act listed in paragraph (1) of subdivision (a) or in subdivision (a), (b), (c), (d), or (e) of Section 48900. A decision to expel a pupil for any of those acts shall be based on a finding of one or both of the following:

(1) Other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

(2) Due to the nature of the act, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(c) The principal or superintendent of schools shall immediately suspend, pursuant to Section 48911, and shall recommend expulsion of a pupil that he or she determines has committed any of the following acts at school or at a school activity off school grounds:

(1) Possessing, selling, or otherwise furnishing a firearm. This subdivision does not apply to an act of possessing a firearm if the pupil had obtained prior written permission to possess the firearm from a certificated school employee, which is concurred in by the principal or the designee of the principal. This subdivision applies to an act of possessing a firearm only if the possession is verified by an employee of a school district. The act of possessing an imitation firearm, as defined in subdivision (m) of Section 48900, is not an offense for which suspension or expulsion is mandatory pursuant to this subdivision and subdivision (d), but it is an offense for which suspension, or expulsion pursuant to subdivision (e), may be imposed.

(2) Brandishing a knife at another person.

(3) Unlawfully selling a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

(4) Committing or attempting to commit a sexual assault as defined in subdivision (n) of Section 48900 or committing a sexual battery as defined in subdivision (n) of Section 48900.

(5) Possession of an explosive.

(d) The governing board of a school district shall order a pupil expelled upon finding that the pupil committed an act listed in subdivision (c), and shall refer that pupil to a program of study that meets all of the following conditions:

(2) Is not provided at a comprehensive middle, junior, or senior high school, or at any elementary school.

(3) Is not housed at the school site attended by the pupil at the time of suspension.

(e) Upon recommendation by the principal or the superintendent of schools, or by a hearing officer or administrative panel appointed pursuant to subdivision (d) of Section 48918, the governing board of a school district may order a pupil expelled upon finding that the pupil, at school or at a school activity off of school grounds violated subdivision (f), (g), (h), (i), (j), (k), (l), or (m) of Section 48900, or Section 48900.2, 48900.3, or 48900.4, and either of the following:

(1) That other means of correction are not feasible or have repeatedly failed to bring about proper conduct.

(2) That due to the nature of the violation, the presence of the pupil causes a continuing danger to the physical safety of the pupil or others.

(f) The governing board of a school district shall refer a pupil who has been expelled pursuant to subdivision (b) or (e) to a program of study that meets all of the conditions specified in subdivision (d). Notwithstanding this subdivision, with respect to a pupil expelled pursuant to subdivision (e), if the county superintendent of schools certifies that an alternative program of study is not available at a site away from a comprehensive middle, junior, or senior high school, or an elementary school, and that the only option for placement is at another comprehensive middle, junior, or senior high school, or another elementary school, the pupil may be referred to a program of study that is provided at a comprehensive middle, junior, or senior high school, or at an elementary school.

(g) As used in this section, "knife" means any dirk, dagger, or other weapon with a fixed, sharpened blade fitted primarily for stabbing, a weapon with a blade fitted primarily for stabbing, a weapon with a blade longer than 3 1/2 inches, a folding knife with a blade that locks into place, or a razor with an unguarded blade.

SUSPENSION

Teacher Suspension of a Student (Ed. Code 48910)

A teacher may suspend, for any of the reasons contained in Section 48900, any student from his/her class for the day of the suspension and the following day.

1. When a teacher suspends a student for any of the reasons contained in Section 48900, the teacher shall immediately report the suspension to the principal/assistant principal for appropriate action.
2. As soon as possible the teacher shall ask the student's parent or guardian to attend a parent-teacher conference regarding the suspension. A counselor should attend the conference if it is practicable, and a school administrator may attend if either the parent/guardian or teacher so requests.
3. A suspended student shall not be returned to class during the period of suspension without the approval of the teacher of the class and the principal/assistant principal.

Principal/Assistant Principal Suspension of a Student (Ed. Code 48911)

The principal or the assistant principal may suspend and/or place a student on probation for any of the reasons contained in Education Code Section 48900. The suspension shall be limited to five (5) consecutive school days.

- 1) Suspension shall be preceded by an informal conference between the student, a certificated school employee, and whenever practicable, the teacher or supervisor who referred the student to the principal/assistant principal. At the conference, the student shall be informed of the reason(s) for the disciplinary action and the evidence against him/her, and shall be given the opportunity to present his/her version and evidence in support of his/her defense. The conference may be omitted if the principal/assistant principal determines that an emergency situation exists, in that there is a clear and present danger to the lives, safety or health of students or school personnel. If the pre-suspension conference is not held, then a meeting shall be held as soon as practicable, but not later than two (2) school days from the day the suspension is ordered unless the student is physically unable to attend due to hospitalization, incarceration, etc., in which case the conference will be held as soon as the student is physically able to return to school, unless the student waives the right to the conference.
- 2) At the time of suspension, a school employee shall make a reasonable effort to contact the student's parent or guardian in person or by telephone. A school employee shall also report the suspension of the student to the district superintendent.
- 3) A notice of the suspension shall be mailed by a school employee to the parent or guardian within two (2) school days of the beginning of a suspension in the primary language of the parent or guardian, if practicable, containing each of the following:
 - a) A statement of the facts leading to the decision to suspend.

- b) The date and time when the student will be allowed to return to school.
 - c) A statement of the right of the student or parent to request a meeting with the superintendent or the superintendent's designee.
 - d) A statement of the parent's or the student's right to have access to the student's record as provided in Education Code 48914.
 - e) A request that the parent or the guardian attend a conference with school officials regarding the student's behavior, including notice that State law requires parents or guardians to respond to such request without delay.
- 4) While the parent or guardian is required to respond without delay to a request for a conference regarding their child's behavior, no penalties may be imposed on the student for the failure of the parent or guardian to attend such conference. In addition, the student's re-admission shall not be contingent on the attendance of the parents or guardian at such conference.
 - 5) Upon notification of suspension, a student's identification card will be confiscated by the administrator or designee. The identification card will be returned to the student upon completion of the suspension term. Failure to surrender I.D. may result in further disciplinary action.

In-House Suspension (Ed. Code 48911.1)

In-House is a classroom learning center where students are required to work independently. In-House Suspension is used as an administrative placement in lieu of suspension and students are there for an entire school day. It is offered one day each week typically on Friday. Students with excessive In-House Suspension placements are subject to suspension. Students may request to make up work missed due to placement in In-House Suspension. The teacher shall provide all assignments and tests that the pupil will miss while suspended in In-House Suspension.

Appealing Suspension (BP 5144.1)

Under the provisions of Education Code Section 48914, the District has established the following procedures for appealing a suspension imposed by the school:

- 1) The student or the student's parent or guardian may appeal a suspension and/or other disciplinary action imposed by the assistant principal to the principal of the school. The appeal shall be filed within ten (10) school days of the time that the suspension and/or other disciplinary action took place. A meeting, if requested, must be held within three (3) school days of the time that the principal received the request for an appeal. The principal shall make a decision regarding the appeal within two (2) school days.
- 2) If the appeal is not resolved at the school-site principal level, then the student or the student's parent or guardian may appeal the suspension and/or other disciplinary

action to the superintendent or the superintendent's designee. The appeal shall be filed within ten (10) school days of the time that the principal renders his/her decision. A meeting, if requested, must be held within three (3) school days of the receipt of the request by the superintendent or the superintendent's designee. The procedure shall be as follows:

- a) The superintendent or the superintendent's designee shall determine if there was sufficient evidence to find that the alleged violation occurred, and whether the penalty was appropriate for the violation.
- b) The pupil may designate a representative to be present with him/her at the meeting, but the representative shall not serve as legal counsel unless the district has a legal counsel present to represent the school district.
- c) At the meeting, the superintendent or the superintendent's designee shall review all written documents in the case; and the pupil and the pupil's parent/guardian and representative may address the superintendent or the superintendent's designee on the evidence and the appropriateness of the penalty.
- d) The Superintendent or Superintendent's designee shall make a decision within five (5) school days. If the Superintendent or Superintendent's designee determines that no violation occurred, all record and documentation regarding the disciplinary proceedings and suspension shall be immediately destroyed and no information regarding the meeting shall be placed in the student's permanent record file. If the Superintendent or Superintendent's designee determines that the penalty imposed was inappropriate for the violation, all records and documentation concerning the suspension and/or other disciplinary action shall be revised to indicate only the facts leading to the penalty imposed by the Superintendent or the Superintendent's designee.

Rights of Suspended Pupil to Complete Assignments and Tests

The teacher of any class from which a pupil is suspended may require the suspended student to complete any assignments and tests missed during the suspension. In addition, a suspended pupil may be allowed to complete all assignments and tests missed during the suspension which can be reasonably provided, and upon satisfactory completion, given full credit therefore. (Education Code 48913)

EXPULSION FROM TRACY UNIFIED SCHOOL DISTRICT

Authority to Expel

The governing board may expel students for any of the reasons contained in Education Code 48900 and or 48915. Such action, except for single acts of a serious nature, is usually reserved for application where there is a history of misconduct and where other forms of discipline, including suspension, have failed.

The Principal may recommend expulsion for the following acts (Education Code 48915 (s), (b), (d), and (e)). The Principal must recommend expulsion for any EC 48915 (c) violations. See Board Policy and Administrative Regulation 5144.1 for specific language regarding the recommendation of expulsions. Policies and Regulations can be found on the TUSD website, or requested from your school site.

District Disciplinary Review Board

Rather than conducting an expulsion hearing itself, the governing board may appoint an impartial hearing panel composed of three (3) or more certificated personnel of the district, none of whom shall be on the staff of the school in which the student is enrolled. Tracy Unified School District has elected to establish the District Disciplinary Review Board to serve as a hearing panel on expulsion referrals and to serve as a review board on requests for reinstatement.

Procedures for Expulsion

1. Expulsion Recommendation by Principal/Assistant Principal

When the principal or the assistant principal determines that a student should be recommended for expulsion, the student will be suspended utilizing the regular suspension procedures. The principal or the assistant principal will then prepare a report of the case to include:

- a. The student's academic/attendance records;
- b. A chronological account of the development of the case and a statement of the conduct which led to the decision to recommend expulsion;
- c. A description of actions taken by the school to correct the student's previous misbehavior when the expulsion recommendation is based on violation of subdivision (f), (g), (h), or (k) of Section 48900;
- d. Any record of contacts with other agencies and the results of such contacts.

Pre-Expulsion Meeting

The student and the student's parent or guardian will be given an opportunity to meet with the superintendent or the superintendent's designee prior to the expulsion hearing to discuss the facts and charges upon which the recommended expulsion is based and review required expulsion procedures and due process regulations.

The superintendent or the superintendent's designee may also extend the suspension until the governing board has made a decision regarding the recommended expulsion if he/she determines

that the presence of the student at school would cause a danger to persons or property or a threat of disrupting the instructional process.

Written Notice of Hearing

The student and the student's parent or guardian shall be entitled to a hearing before the District Disciplinary Review Board to determine whether the student should be expelled.

Written notice of the hearing shall be forwarded by certified mail to the student at least ten (10) calendar days prior to the date of the hearing. The notice shall include:

1. The date, time and place of the hearing;
2. A statement of the specific facts and charges upon which the proposed expulsion is based;
3. A copy of the disciplinary rules of the district and Student Conduct Code which relate to the alleged violation;
4. The opportunity of the student or the student's parent or guardian to;
 - a) Appear in person or to employ and be represented by counsel,
 - b) Inspect and obtain copies of all documents to be used at the hearing,
 - c) Confront and question all witnesses who testify at the hearing, and
 - d) Question all evidence presented, and present oral and documentary evidence on the student's behalf, including witnesses.

Decision to Expel

If the District Disciplinary Review Board decides not to recommend expulsion, the expulsion proceedings shall be terminated and the student shall be immediately permitted to return to school. The decision not to recommend expulsion shall be final.

If the District Disciplinary Review Board recommends expulsion, findings of fact in support of the recommendation shall be prepared and submitted to the governing board. If the governing board accepts the recommendation for expulsion, acceptance shall be based either upon a review of the findings of facts and recommendations, or upon the results of any supplementary hearing that the governing board may order.

The decision of the governing board to expel a student shall be based upon substantial evidence relevant to the charges given at the expulsion hearing or hearings. The final action to expel a student shall be taken only by the governing board in a public session.

Appealing an Expulsion Action

If a student is expelled from school, the student or the student's parent or guardian may file an appeal with the County Board of Education within thirty (30) days of the board's decision to expel.

STUDENT CONDUCT CODE
DISCIPLINARY VIOLATIONS AND CONSEQUENCES

Please note: All school rules are enforceable on the way to school, leaving school, during school, at lunch time, during the period that school is in session when the student is truant from school, at school activities, to and from school activities on or off campus. The area of school supervision includes the campus, the perimeter of the campus and sidewalks on both sides of the streets adjacent to the school. All school rules are also in effect at ALL SCHOOL events and activities.

The Student Conduct Code provides an indication of the types of behavior violations and potential consequences that may occur. Please be aware that behavior consequences incurred at any of the Tracy Unified School District Schools are cumulative, regardless of the fact that they pertain to different offenses. Consequences and infractions incurred at one school will be carried out in any of the other Tracy Unified School District High Schools in case of student transfer. Each student behavior as well as his/her academic record will follow the student if, and when, he/she changes schools in the Tracy Unified School District. Serious violations or violations of different sections of the Education Code can lead to maximum consequences on the first offense.

*Athletics &
Extra- and Co- Curricular
Activities*

DRAFT

ATHLETICS, EXTRA-and CO-CURRICULAR ELIGIBILITY

Definitions

For the purpose of this policy, extracurricular activity means a program that has all of the following characteristics:

- a. The program is supervised or financed by the school district.
- b. Students participating in the program represent the school district.
- c. Students exercise some degree of freedom with the selection, planning and control of the program.
- d. The program includes both preparation for performance and performance before a public audience.
- e. The activity is not part of the regular curriculum, is not graded, does not offer credit and/or does not take place during classroom time.

For the purpose of scholastic eligibility, co-curricular activity means a program that may be associated with the curriculum in a regular classroom (Education Code 35160.5).

Examples of such extra-curricular/co-curricular activities/programs shall include but are not limited to the following:

1. All interscholastic athletics.
2. Instrumental music activities not included as part of the required program.
3. Pep squads, drill team.
4. Student government.
5. Class officers.
6. Club officers.
7. Drama activities not included as part of the required program.
8. Choral productions not included as part of the required program.
9. Competitive speech activities not included as part of the required program.
10. Out-of-class student newspaper presentations and competitions.
11. Out-of-class student yearbook, presentations and competitions.
12. Other performances or competitive groups.
13. All Agricultural/Scientific Academy Job Shadowing.

Attendance/Discipline

In order to participate in school sponsored after-school activities as well as co-curricular and extracurricular events, students need to be in good behavior standing. Good behavior standing means that the student has cleared all fines and does not owe more than 15 hours of Saturday School in the current year. **Students with 15 or more cumulative tardies in a quarter will be placed on activity restriction.** Students also need to have current school identification cards and have been in attendance at school for all six periods on the day of the activity, unless absent for the following reasons that have been pre-approved by administration: Medical appointments, attending funeral services of an immediate family member, or appearance in a court of law. Students truant and/or suspended on Friday or the last day of the week will be excluded from all extra-curricular activities until the following Monday or the next full day of school.

A parent may not excuse an athlete except for reasons stated above. Students leaving school may not attend any school activities during the current school year if they still owe more than 15 hours of Saturday School or fines.

The eligibility list for Saturday School hours will be updated every Tuesday and will be in effect for the next seven calendar days. Hours cleared on Monday will be posted for the following, not current, week.

Behavior Expectations

Each student, as a representative of our school, will be encouraged to be well-groomed. Students will follow training rules developed by each athletic coach or advisor with emphasis upon adequate rest, nutrition, cleanliness, safety and physical fitness.

In keeping with well-established national standards covering all high school athletic activities, athletes will abstain from the use and possession of alcoholic beverages, tobacco and illegal drugs or substances at all times.

Citizenship

A coach or advisor may impose rules of behavior or conduct for his/her team which has not been addressed elsewhere. Violations of such rules may be handled by the coach/advisor or the assigned administrator for disciplinary action. Violations should be documented and may be cumulative. Appeals may be made to the Athletic Director or the Assistant Principal.

Coaching and Community Responsibility

The Advisor, Director of Athletics, and the Director of Student Activities, who have been trained for leadership, have the prime responsibility for the implementation of these standards; however, it is clearly recognized that all school employees, parents, patrons and local citizens must also share in this important community responsibility.

The team physician and coach are jointly responsible for the well-being of the athletes and for preparing them for competition so they can play with safety and meet the demands of the sport. The coach is responsible for imparting individual and team skills, game rules and strategy, as well as developing in athletes the ability to cope with the psychological aspects of competition.

The athletic coaches and athletics can have a very positive influence on athletes outside the athletic arena as well; therefore, coaches should strive to use their influence to do whatever they can to guide and assist the athletes in their charge.

Code of Conduct for Athletic Activities

The Tracy Unified School District believes that each of its athletic activities provides a unique forum for the development of discipline, individual sacrifice and teamwork for interested students. After thorough consideration, the governing board of the District has adopted the following standards for athletes participating in interscholastic activities in keeping with recommendations developed by the State Department of Education, the California Interscholastic Federation (CIF), and the athletic coaching staff activities advisors, and local citizens. Refer to the High School Athletics Handbook for further information.

Athletic League Sportsmanship Policy

As stated in the Code of Conduct and emphasized in the annual Spirit Leader Workshops, the Athletic League schools believe the qualities of good sportsmanship: ethical behavior, concern for others, integrity and generosity are of primary importance to the activity programs within our league. The quality of every competition is not just determined by the intensity of the activity and/or who wins or loses. In our Athletic Leagues, QUALITY in competition always includes the atmosphere of sportsmanship demonstrated by players, spectators, and the school staffs at the activity.

School Spirit

Be a positive member of our student body and show your school spirit daily. All Fridays are school spirit days; wear your favorite school colors to show your school spirit. Remember, you can make your school the best high school in the State of California. You can show that you care with the following:

1. Courtesy - Toward staff, fellow students, and the officials at school athletic activities.
2. Pride - In everything our school endeavors to accomplish and has accomplished.
3. Sportsmanship - The ability to win and lose gracefully. School spirit means loyalty to all functions of the school.

Scholastic Eligibility

Participation in extra-curricular activities is a privilege. It is presumed that students who are representing their school in various activities are maximizing the educational opportunities that are available to them.

Students who intend to participate in extra/co-curricular activities such as, but not limited to, sports teams, student government, class office, drill team, pep squad, homecoming or other rally activities, newspaper or yearbook staff, and drama, will be held to the Scholastic Eligibility standards.

Eligibility for participation in extra/co-curricular activities is contingent upon the student's maintaining at least a 2.0 grade point average with no F grades.

If a student becomes academically ineligible during a sport season, the coach has a choice of keeping the student on the team to practice with the team and not participate in contests or remove the student from the team (coach's option).

In order for students to maintain Scholastic Eligibility, they must maintain a 2.0 grade point average with no F grades, or be excluded from participation, until he/she achieves a 2.0 grade point average and no F grades as per first quarter; first semester, third quarter; second semester. (When grades are printed and made available to parents by the registrar.)

Students who intend to participate in extra/co-curricular activities must meet eligibility guidelines:

1. A minimum of a “C” average (2.0 on a 4-point scale) for all classes. High School District students must be currently enrolled in at least 6 classes or the equivalent of 30 credits.
2. No course failures in any eligibility period
3. Students in grades 9-12 may be placed on academic probation if they receive one “F” during a grading period affecting eligibility. A student on academic probation is allowed to compete or perform in extra and co-curricular activities while on academic probation. The terms of a student’s academic probation must be agreed upon by the student, their parent/guardian and their coach/advisor. The terms of a student’s academic probation will also include sound interventions designed to help students succeed. Students may be on academic probation only two times during their high school career. Once a student has been on academic probation two times in their high school career, they must maintain a 2.1 average on a 4.0 scale and have no course failures (no F grades) in any eligibility period thereafter in order to compete or perform. The two times in which a student is allowed to be on academic probation may not be in consecutive grading periods affecting their eligibility. If you are interested in applying for academic probation, please see your high school’s Athletic Director or Activities Director/Advisor.

The Governing Board also requires that participating students be satisfactorily progressing towards the District’s graduation requirements in order to participate in a sport or activity. Satisfactory progress is hereby defined as the ability to graduate with one’s class within conventional timelines, i.e.: eight (8) consecutive semesters from freshman entrance, including summer sessions. C.I.F. rules require that semester grades be used to determine eligibility at the end of the 2nd and 4th quarters (1st quarter, 1st semester, 3rd quarter, 2nd semester, and/or summer school grades).

For the school year, the eligibility policy (ability or inability to participate) begins when the registrar publishes the list of ineligible students based on their marks received on the previous grading period.

The same procedure will be used for the remaining quarters. The eligibility will always be determined by the previous quarter or semester grades (Summer school grades can also be used for the fall eligibility).

In the event a student receives below a 2.0 grade point average and/or an F grade on the 2nd Semester report and hence would be ineligible in the fall, but said student goes to summer school and in essence raised his/her grade and the grade is acceptable to Tracy/West/Kimball High School, it may be counted. If, in the re-computing of the student’s grade point average, it raises to 2.0 or above, the student is eligible for participation in the fall quarter. The student shall remain ineligible until the grades are received by the registrar of Tracy/West/Kimball High School. Summer school students would be permitted to practice but not participate in games until the eligibility is determined by the receipt of the summer school grades. A passing summer school grade may be substituted for a failing grade. Official transcripts are due to the registrar’s office thirty (30) calendar days after the first day of school.

All incoming 9th graders are academically eligible to participate in extra/co-curricular activities. At the end of the first grading period, 9th graders must be eligible. They must have earned a “C” average (2.0 on a 4-point scale) and no course failures.

Any special case or extenuating circumstances surrounding disputed eligibility of a student shall be reviewed by the principal at each site.

An F grade, an incomplete or a No Mark (NM) will automatically cause a student to be ineligible regardless of the grade point average. Once the incomplete or the No Mark is changed to a passing grade, eligibility will be re-examined.

The Tracy Unified School District and the C.I.F. Sac-Joaquin Section set the standards for student eligibility for all athletic participation. Please visit the following link for details:

<http://www.cifsjs.org/about-cifsjs/constitution/bylaw2-eligibility.pdf>

Athletes will be an amateur in the sport in which they compete.

Student Responsibilities While Competing

Because participation in activities is a privilege, the school advisor has the authority to revoke that privilege when the student does not to comply with the rules.

1. Athletic Leagues and the High Schools will not allow athletes to wear any non-uniform item during competition (headbands, towel messages, etc.).
2. All athletes must remain on their sideline during any disruptions in the game. If an athlete or coach is ejected, it will be for the remainder of that game and the entire next contest.
3. Athletes may not transport themselves to and from athletic events. Athletes must have a parent personally speak to the head coach after a contest in order to travel home with their parents.

Team Responsibility

Students will share common goals and group loyalties with other team members. Team membership will demand subordination of self-interests to team values. Each athlete will exercise self-discipline and make the personal sacrifice necessary to the attainment of such team goals. The foregoing standards are based upon a fundamental premise that athlete is in a position of school leadership and should responsibly represent his/her team, school and community in the highest order.

Students are expected to participate in all practices and games. A student who misses a practice or a game without the coach’s prior permission will be subject to disciplinary action from a verbal warning up to dismissal from the team. Missed practices or games due to events such as, but not limited to, Winter Ball, Prom, Magic Mountain, rescheduled games, or club sports are prohibited.

Violations - Extracurricular Activities

It is the responsibility of the advisor to aid and to guide athletes. Discipline will be handled with this thought in mind. Consequences for violations will be based upon considerations the coach, the advisor, or a school administrator feels are in the best interest of the students and squad. The advisor or coach has the right to impose stricter rules of behavior on his/her squad. (Violations will be handled on a cumulative basis.)

ACTIVITIES

Clubs/Activities

Clubs are an important part of life on a high school campus. Clubs perform many important functions and provide an opportunity for students to participate in a wide range of fun and interesting activities.

You may create and sign up for a club by seeing the advisor. Consult the Daily Bulletin for club activity information. The Student Bulletin is also available online at the school website: www.tracy.k12.ca.us

All clubs/activities must be approved by the site ASB and administration. All financial activities must be approved by both the ASB and site administration. All monies from these activities must be documented through ASB accounts.

Dances

If a High School holds a dance, that dance is for that school's students only (with the exception of the Winter Ball and Prom). Eligibility Requirements for Senior Activities

Senior activities are school sponsored events that seek to recognize and reward four years of hard work. They are a privilege extended to deserving and graduating seniors. Seniors participating in these events represent their High School and are expected to uphold the highest standards of conduct and behavior. Accordingly, criteria for participation follow:

<u>Activity</u>	<u>Criteria for Participation</u>
Magic Mountain / Beach Day/Senior Breakfast/Senior Grad Nite/Senior Sober Nite	Senior status with 190 completed credits at fourth quarter progress report posting. All non-T.U.S.D. credits that are required for the student to graduate must be posted by May 1 st . Good Behavior Standing: All Saturday School cleared and all outstanding consequences satisfied from previous referrals. Cannot be in danger of failing any courses required for graduation, according to most recent report card and/or progress report. All fees cleared.
Graduation Ceremony	Name on the final graduation list and positive participation in all graduation practices. Good Behavior Standing: All Saturday School cleared and all outstanding consequences satisfied from previous referrals. All fees cleared.
Prom	15 Saturday School hours or less; no library or ASB fines. Good behavior standing.

Field Trips

During your four years in High School, your class or club may schedule a field trip. In order for you to participate, you must obtain the signatures of all of your classroom teachers and your parents on the field trip permission form. Students must go and return on the bus and/or district transportation.

There are two types of field trips and two types of permission forms: those as part of the academic curriculum of classes and those considered enrichment through clubs and other extracurricular activities. If you are not performing well in one or more of your classes or have poor attendance, your teacher(s) may choose to not approve your participation in the enrichment field trip. They may refuse to sign the permission form. If the field trip is of an academic nature and tied to classroom curriculum, the signed permission form is required as evidence of notification of your upcoming absence.

Intramural/Lunch Time Activities

Intramural and lunch time activities are available to all students. During these activities, all school rules are in effect. Inappropriate behavior is unacceptable. Violation of the school rules may result in being removed from the activities/ intramurals in addition to permanently losing the privilege to participate.

Student Government

The Student Council is made up of elected officers and appointed commissioners. All student body officers and appointed commissioners must be enrolled in the Leadership class per the Associated Student Body bylaws. The Council works on desired projects for the Associated Student Body (ASB).

The procedures for running for Student Council Office are quite simple. Potential candidates can pick up an application and petition from the Student Activity Office. Completed applications and petitions should be turned in to the Activities Director in the Student Activity Office. All students running for Student Council Office must meet Scholastic Eligibility Requirements (maintain a 2.0 G.P.A. and no F's in the grading period previous to the one in which the election is going to be held and, if elected, every following grading period and the subsequent elected term.) See the Scholastic Eligibility Policy in this handbook.

PHYSICAL EDUCATION

Facilities

We are fortunate to have one of the best physical education facilities of any school district in the San Joaquin Valley. Let us do our best to keep our facilities looking great! Students can help us maintain the facilities in “showcase shape” by observing the guidelines below:

1. Gym shoes or stocking feet only on Main Gym floor for supervised PE activity.
2. Writing on or defacing any surface in a PE facility will result in suspension from school. Repair or removal costs will be billed to parents as they are legally liable for any such infraction for up to \$18,700.00 per incident. (This also applies to the Sub Gymnasiums).

3. Jumping off carpeted walls or hanging on rims or nets will result in appropriate disciplinary action. This also applies to Sub Gymnasiums.
4. Climbing or sitting on bleachers in the stacked position will result in disciplinary action. Bleachers are motorized and such activity damages mechanisms.
5. No food, drink, gum, or sunflower seeds are allowed at any time in the weight room or gyms.
6. All physical education facilities, including locker rooms, gymnasiums, stadium, athletic fields, etc., are off limits at all times except when supervised by an employee of the District. Students may be suspended for being in an unauthorized area without supervision.

PE Uniforms

PE uniforms are required to be worn during PE classes. PE uniforms are sold in the Physical Education department and at Registration in August. Contact your PE teacher at the beginning of school year if you have any questions or concern

Health

General Information

Accident Insurance

The school district does not provide insurance for students in the district. Insurance is available to the parents, at a minimal cost, through the Student Accident Insurance Program as underwritten by Pacific Educators.

Parents and students should be aware that the student accident insurance is secondary to the health insurance policy that the family carries. For example, if the student's family insurance pays 80% coverage, then the student insurance policy would pay the additional 20% (less any applicable deductibles). Also, if purchased by the parents, this insurance would come into play in the event a student is injured and does not carry any other health insurance. In any event, the important fact is that this insurance is purchased by the family for the student and is not provided for the student by the school district. Application forms were included in the pre-registration packets. Should you need assistance or additional forms, contact TUSD Business Services, 830-3230.

Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling the Healthy Families and Medical Programs Information Line at 1-800-880-5305.

Accident Procedures

In the event you are involved in an accident, report it immediately to the nearest teacher or supervising adult, obtain a pass, and go directly to the Attendance Office to be seen and a parent to be called. If the accident requires first aid treatment, additional aid will be provided by the Bookkeeper/Nurse. *If you are ill, you are to report to the Attendance Office at once.* A school official will notify the parent/guardian and ask that the student be picked up by a responsible adult. The student will remain in the attendance office until picked up or sent back to class.

In case you witness an accident where another student may be injured, report the accident to the nearest teacher, supervising adult, or go to the office for help. Even minor accidents or injuries should be reported so that care can be given and the proper accident report forms can be filled out on line or in hard copy.

In the event of a serious or potentially serious accident, at least three attempts to contact parents will be made directly after the incident. Contact will be attempted through the home phone number, work number and emergency number. The principal, assistant principal, teacher in charge, or secretary will make the calls. In cases where serious or potentially serious injury is apparent or suspected, these staff members will also notify the emergency unit (911) directly, and/or the school district nurse. Parents and students are responsible for informing the school Attendance Office of any changes in home and emergency phone numbers or address changes.

Health Services

Students who become ill will report to the Attendance Office with a pass from their teacher. Arrangements will be made with a family member for the student to go home. Under no circumstances should the student leave campus without permission. If a parent or anyone on the emergency contact form cannot be reached and school officials deem it an emergency, 911 will be called to obtain medical assistance.

If it becomes necessary for you to take medication at school, we must have our Medical Form completed by your parent and your doctor prior to bringing the medication to school. This includes both over the counter and prescription drugs. You may obtain this form from the Attendance Office. You should return the signed form and the medication to the Bookkeeper's office right away. Do not keep medication with you or in your locker. This applies to all medications, both prescription and non-prescription. Exception: Medication prescribed by a Doctor that requires student to carry at all times. Copy of the prescription must be maintained in the office.

Anaphylaxis Treatment (BP/AR 5141.21)

California Education Code 49414 authorizes school districts to provide epinephrine auto-injectors (epi-pens) trained personnel to provide emergency medical aid to persons suffering from an anaphylactic reaction.

Anaphylaxis is a rapid, severe allergic response triggered by insect stings, foods, medications, latex materials, exercise, or, in rare cases, by unknown causes. This is a life-threatening allergic condition requiring immediate treatment. Administering an epinephrine to students during a medical emergency may help to ensure the student's health and safety at school. Therefore, Tracy Unified School District has adopted AR 5141.21 and BP 5141.21 for standing orders to provide life-saving epinephrine to students who are in need of such treatment effective January 1, 2015.

BP/AR 5141.21 state that a credentialed, licensed school nurse (District Nurse), licensed nurse (LVN), or trained, unlicensed school staff under direct supervision of the credentialed school nurse may administer epinephrine in the form of an epi-pen during a severe, life-threatening allergic reaction. The epi-pen rapidly delivers a pre-measured, sterile, single dose of epinephrine by direct injection through the skin.

Type 2 Diabetes Information

Pursuant to California Education Code Section 49452.7, this type 2 diabetes information is for local educational agencies to provide to parents and guardians of incoming seventh grade students beginning July 1, 2010.

The California Department of Education developed this type 2 diabetes information in collaboration with the California Department of Public Health, American Diabetes Association,

California School Nurses Organization, and Children's Hospital of Orange County. Also see available translations of this information.

Type 2 diabetes is the most common form of diabetes in adults.

Until a few years ago, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens. According to the U.S. Centers for Disease Control and Prevention (CDC), one in three American children born after 2000 will develop type 2 diabetes in his or her lifetime.

Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy.

The body turns the carbohydrates in food into glucose, the basic fuel for the body's cells. The pancreas makes insulin, a hormone that moves glucose from the blood to the cells. In type 2 diabetes, the body's cells resist the effects of insulin, and blood glucose levels rise. Over time, glucose reaches dangerously high levels in the blood, which is called hyperglycemia. Hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

Risk Factors Associated with Type 2 Diabetes

It is recommended that students displaying or possibly experiencing the risk factors and warning signs associated with type 2 diabetes be screened (tested) for the disease.

Risk Factors- Researchers do not completely understand why some people develop type 2 diabetes and others do not; however, the following risk factors are associated with an increased risk of type 2 diabetes in children:

Being overweight. The single greatest risk factor for type 2 diabetes in children is excess weight. In the U.S., almost one out of every five children is overweight. The chances are more than double that an overweight child will develop diabetes.

Family history of diabetes. Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease.

Inactivity. Being inactive further reduces the body's ability to respond to insulin.

Specific racial/ethnic groups. Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.

Puberty. Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

Warning Signs and Symptoms Associated with Type 2 Diabetes

Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.

Increased hunger, even after eating
Unexplained weight loss
Increased thirst, dry mouth, and frequent urination
Feeling very tired
Blurred vision
Slow healing of sores or cuts
Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
Irregular periods, no periods, and/or excess facial and body hair growth in girls
High blood pressure or abnormal blood fats levels

Type 2 Diabetes Prevention Methods and Treatments

Healthy lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children achieve or maintain a normal weight and normal blood glucose levels.

Eat healthy foods. Make wise food choices. Eat foods low in fat and calories.

Get more physical activity. Increase physical activity to at least 60 minutes every day.

Take medication. If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.

The first step in treating type 2 diabetes is to visit a doctor. A doctor can determine if a child is overweight based on the child's age, weight, and height. A doctor can also request tests of a child's blood glucose to see if the child has diabetes or pre-diabetes (a condition which may lead to type 2 diabetes).

Types of Diabetes Screening Tests That Are Available

Glycated hemoglobin (A1C) test. A blood test measures the average blood sugar level over two to three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.

Random (non-fasting) blood sugar test. A blood sample is taken at a random time. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes. This test must be confirmed with a fasting blood glucose test.

Fasting blood sugar test. A blood sample is taken after an overnight fast. A fasting blood sugar level less than 100 mg/dL is normal. A level of 100 to 125 mg/dL is considered pre-diabetes. A level of 126 mg/dL or higher on two separate tests indicates diabetes.

Oral glucose tolerance test. A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 2 diabetes in children is a preventable/treatable disease and the guidance provided in this information sheet is intended to raise awareness about this disease. Contact your student's school nurse, school administrator, or health care provider if you have questions.

The Tracy Family Center is a collaborative of public, private non-profit and service organizations established to improve the health of children and their families in the Tracy community, and is part of the Tracy Unified School District. The main focus of the community efforts is to help families enroll in the Healthy Families Insurance Program and enroll families in Medi-Cal if they qualify. The Healthy Families Insurance plan is a low cost plan covering, medical, dental, and vision for children from age one until age nineteen for a low monthly premium. The Tracy Family Center has persons qualified to help the family sign up for this plan as well as answer questions that you might have. They can be reached at: 209-831-5570.

Athletic Head Injury/Concussion/Cardiac Arrest (BP 6145.2)

EC 49475. (a) If a school district elects to offer an athletic program, the school district shall comply with both of the following:

- (1) An athlete who is suspected of sustaining a concussion or head injury in an athletic activity shall be immediately removed from the activity for the remainder of the day, and shall not be permitted to return to the activity until he or she is evaluated by a licensed health care provider, trained in the management of concussions, acting within the scope of his or her practice. The athlete shall not be permitted to return to the activity until he or she receives written clearance to return to the activity from that licensed health care provider.
- (2) On a yearly basis, a concussion and head injury information sheet shall be signed and returned by the athlete and the athlete's parent or guardian before the athlete's initiating practice or competition.

(b) This section does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course required pursuant to subdivision (d) of Section 51220.

The district will also distribute the California Interscholastic Federation (CIF) information sheet on sudden cardiac arrest to all student athletes who will be participating in a CIF-governed athletic activity and to their parents/guardians. The student and parent/guardian shall sign and return the information sheet prior to the student's participation in the athletic activity. If an athletic activity is not covered by the CIF, the student and his/her parent/guardian shall, prior to participating in the athletic activity, sign and return an acknowledgement that they have received and reviewed the sudden cardiac arrest information posted on the California Department of Education's web site. Pertussis

On September 29, 2010, a new law was passed (AB 354) that changed California immunization requirements for students entering 7th grade in public and private schools.

- All students entering 7th–12th grades in the coming school year (2011– 2012) must have proof of a Tdap booster shot. Documentation must state the shot was given on or after their 7th birthday. This means that ALL current 6th–11th graders must get up to date now.
- Schools will turn away students who are not up to date beginning July 1, 2012.
- All students entering 9th grade in the coming school year (2012– 2013) must have proof of a Tdap booster shot. Documentation must state the shot was given on or after their 7th birthday. This means that ALL current 8th graders must get up to date before entering 9th grade.

Remember to ask your physician about other vaccines your child may need, and bring your

child's yellow immunization card to the visit. Please return a copy of ALL up to date immunizations to your child's school.

For questions, please call your primary physician today or call the San Joaquin County Public Health Services Immunization Program at (209) 468-3481.

No students will be allowed to attend school without up to date immunizations.

Administration of Epilepsy Medication

A parent or guardian of a pupil with epilepsy who has been prescribed an emergency antiseizure medication by the pupil's health care provider may request the pupil's school to have one or more of its employees receive voluntary training, as specified, in order to administer the antiseizure medication, as defined, in the event that the pupil suffers a seizure when a nurse is not available.

Medical Care Consent for Minors

FC 6926. (a) A minor who is 12 years of age or older and who may have come into contact with an infectious, contagious, or communicable disease may consent to medical care related to the diagnosis or treatment, if the disease or condition is one that is required by law or regulation adopted pursuant to law to be reported to the local health officer, or is a related sexually transmitted disease, as may be determined by the State Public Health Officer.

- (b) Minor who is 12 years or older may consent to medical care related to the prevention of a sexually transmitted disease.
- (c) The minor's parents or guardian are not liable for payment for medical care provided pursuant to this section.

Health Exams

The Governing Board recognizes the importance of periodic health examinations conducted according to state health regulations.

To determine the health status of students, facilitate the removal of handicaps to learning, and determine whether special adaptations of the school program may be necessary, the Board shall require that periodic examinations be conducted which include tests for vision, and hearing. All personnel employed to examine students shall exercise proper care of each student being examined and shall ensure that the examination results are kept confidential.

A parent/guardian may annually file a statement with the principal withholding consent to any physical examination of his/her child. The child shall be exempt, but shall be subject to exclusion due to a suspected contagious or infectious disease.

The principal of each school shall notify parents/guardians of the rights of students and parents/guardians relating to health examination.

BP 5141.3 (a)

Vision & Hearing

Students shall have their vision and hearing tested by qualified personnel authorized by the district upon first enrollment in elementary school. Further examination shall take place every three years until the student has completed 8th grade. The results of the vision and hearing exam shall be entered into the student's health record. All students shall be tested for visual acuity and hearing. Color vision shall be tested once and only in male students. External observations of the student's eyes, visual performance and perception shall be done by the school nurse and the classroom teacher.

Visual and hearing defects shall be reported to the parent/guardian with a request that remedial action be taken to correct or cure the defect. The written report shall not include a referral to any private practitioner. The student may be referred to a public clinic, or diagnostic and treatment center operated by a public hospital or by the state, or county department of public health.

Interscholastic Athletic Competition

All students who participate as cheerleaders, song leaders, or athletes in interscholastic sports are required to file a current medical examination. Compliance with the medical examination requirement is not necessary for participants in a play day or a field day activity occurring occasionally during a school year in which students of one or more particular grade levels from two or more schools in the district participate in athletic contests.

If a student sustains an injury or serious illness, the student may be required by school personnel to have another examination prior to further interscholastic competition.

A student who has been excused from the physical education program because of a medical reason may not participate in any interscholastic athletic competition.

All students engaging in interscholastic athletic competition are required to meet accident insurance requirements prescribed by law.

California Healthy Kids Survey

TUSD will administer the California Healthy Kids Survey bi-annually to students in grades 5, 7, 9 and 11.

In accordance with California Education Code 51937-51938, students in grade 5 must have an active parental consent in order to participate. For grades 7, 9, 11 and other secondary grade levels, the survey must be administered using a passive consent. The California Healthy Kids Survey is sponsored by the California Department of Education this school year. The anonymous survey will help promote better health and well-being among our youth, improve the school learning environment and combat problems such as drug abuse and violence by gathering information. Your adolescent does not have to take the survey as it is completely voluntary. If you do not want your adolescent to complete the survey, you must notify your adolescent's school in writing excusing them from the survey/evaluation.

Child Health and Disability Prevention Program

When parents/guardians enroll their children in kindergarten, the district shall inform them about their obligation to obtain or waive a health screening for their children before they enter first grade. The district shall also inform them about the availability of free health screening for low-income children, as provided under the Child Health and Disability Prevention Program, and about the evaluation services and other benefits provided under Division 106, Part 2, Chapter 3, Article 6 of the Health and Safety Code. The district shall encourage parents/guardians to arrange for their children to obtain their health screening prior to or during their kindergarten year.

Dear Parents and Student: Please read the Behavior and Attendance Agreement below, then sign on page 130 and keep it in the Student Handbook until your child's teacher asks for it during the first week of school. Should you have any questions regarding the Attendance/Behavior expectations, please phone the Assistant Principal.

ATTENDANCE AGREEMENT

Welcome to the Tracy Unified School District (TUSD) for the 2016-2017 school year. Our main concern in the Department of Child Welfare and Attendance is the daily school attendance of all of the children in our community. Education Code 48200 requires compulsory daily school attendance for students 6 to 18 years of age. Our Superintendent, along with all district staff, is continuing our commitment to see our school's academic programs improve. Improvement in our children's achievement must start with *daily school attendance* and we feel this is *everyone's responsibility*. Daily school attendance must start at home with the importance and value of education being stressed. It is vital for TUSD to build on this value, maintaining the essential partnership between school and home to ensure daily attendance. If your child is absent, California Education Code allows EXCUSABLE absences for the following reasons:

1. Illness
2. Medical/dental/eye appointments
3. Funeral services for immediate family
4. Quarantine
5. Administrative discretion

The parent/guardian of the student must send a note and/or phone the school to clear any of these excusable absences. Failure to excuse the absence will result in a recorded truancy on the student's permanent record.

Another way to insure your child's daily attendance is by reviewing the school district's 2016-2017 calendar to plan family holidays and vacations to coincide with school holidays. Parent notification to the school of a student absence for a family vacation results in lost instructional time for the student and is not an *excusable* reason for absence. Some other examples of reasons that are NON-EXCUSABLE for student absences are:

Going shopping	Visiting relatives	Family moving from one home to another
Student's birthday	Oversleeping	Child care by the student at home
Car trouble		

School staff may request you to attend a conference when your child is absent for *non-excusable* reasons.

Schools send a formal letter to the parents/guardians of students who accumulate three days of unexcused absences, numerous unexcused class periods, or numerous tardies. This letter will

inform the family of a potential declaration of truancy on your child's school record according to Education Code 48260. Students with excessive absences may be required to submit a doctor's note. Please review this attendance information with your child and we ask that you sign this agreement and return it to the school office. The Tracy Unified School District's goal for 2016-2017 is to improve our district's students' attendance to 100%. We appreciate your assistance in this goal since every day of good school attendance can count towards your child's continued academic success.

Parent needs to have read the above attendance information and will make every effort
to ensure their child(ren) attends school every day that school is in session.

Comprehensive Sexual Health Education and HIV Prevention (EC §51938)

TUSD staff will provide instruction in comprehensive sexual health education and HIV prevention education in 7th grade and 9th grade. Written and audiovisual educational materials used in such education are available for inspection. Parents/guardians may request an opportunity to review the instructional materials used for this curriculum, and may request copies of Education Codes 51930-51939. Parents/guardians may also remove their student from receiving all comprehensive sexual health or HIV prevention education by submitting a written request to the school. If the school chooses to use outside consultants or guest speakers to deliver the comprehensive sexual health and HIV prevention education curriculum, parents/guardians will be informed at least 14 days prior to the instruction with the date of the instruction and the name of the organization or affiliation of the guest speaker.

You may revoke your permission for your child to receive this information by contacting the school at least two days prior to the event so that arrangements can be made for your child's regular instructional program.

Yearbooks

Image Release for School Promotional Purposes

The high school is producing a yearbook this school year. The following statement allows the use of your student's image to be used in the yearbook.

"I hereby grant my student's school the right to record and use my child's image, likeness and/or voice on film or video tape for the use in public relations, yearbook, school social media platforms and school information systems."

It is my understanding that Tracy Unified School District owns the copyright to these images and recordings and I agree to waive any claims to them and thereby, grant permission for these images and recordings to be used for the purposes described above.

Behavior Agreement and Student/Parent Notification

In order to insure a positive school year, please make sure that you read and review the High School Student Handbook, including the Student Conduct Code. Please also read the Behavior Agreement below, sign and date page 129 and return it to your 2nd period teacher. Should you have any questions regarding the Behavior Agreement, please phone your Assistant Principal. We are looking forward to a great 2015-2016 school year. If we all work together, it will be a positive and productive one!

We, as Parents/Guardians, accept our responsibility to:

1. Read and understand the High School Student Handbook Conduct Code.
2. Make certain that our student is aware of the school rules, state laws, and district regulations contained in the student handbook.
3. Fully comprehend the consequences for breaking the rules, regulations or laws.
4. Pledge our cooperation in maintaining and encouraging appropriate school behavior from our student.

The personnel will cooperate in notifying and working with students and parents in order to make education an enjoyable experience, will make misbehavior known to the students and to the parents/guardians when appropriate, and take timely and appropriate actions for such misbehavior. The staff also pledges to provide an orderly school climate. By working together, misbehavior can be minimized or eliminated entirely. Without disruptions of instructional programs, learning time can be increased for all students.

The next page has the Behavior Agreement and Parent/Student Notification Agreement. Please review with your student the important areas of the Student Handbook, initial next to each area, and sign and date the form. This form will be returned to your child's second period teacher during the first week of school.

ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. For any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep the identity of the complainant, and/or the subject of the complaint if he/she is different from the complainant, confidential when appropriate and as long as the integrity of the complaint process is maintained.

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

DRAFT

BULLYING PREVENTION POLICY

The Governing Board recognizes the harmful effects of bullying on student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel.

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Strategies for addressing bullying in district schools shall be developed with involvement of key stakeholders, including students, parents/guardians, and staff, and may be incorporated into the local control and accountability plan, and other applicable district and school plans.

As appropriate, the Superintendent or designee may collaborate with law enforcement, courts, social services, mental health services, other agencies, and community organizations in the development and implementation of joint strategies to promote safety in schools and the community and to provide services for alleged victims and perpetrators of bullying.

Bullying Prevention

To the extent possible, district schools shall focus on the prevention of bullying by establishing clear rules for student conduct and implementing strategies to promote a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying.

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

Such instruction shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

1. Discuss the diversity of the student body and school community, including their varying immigration experiences
2. Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims
3. Identify the signs of bullying or harassing behavior
4. Take immediate corrective action when bullying is observed
5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Based on an assessment of bullying incidents at school, the Superintendent or designee may increase supervision and security in areas where bullying most often occurs, such as classrooms, playgrounds, hallways, restrooms, cafeterias.

Intervention

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. In addition, the Superintendent or designee shall develop means for students to report threats or incidents confidentially and anonymously.

School staff who witness an act of bullying shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee. Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within

one business day, report his/her observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the district compliance officer identified in AR 1312.3 - Uniform Complaint Procedures.

When the circumstances involve cyber-bullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

When a report of bullying is submitted, the principal or a district compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3. The student who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

Investigation and Resolution of Complaints

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3.

TUSD Adopted: 6/9/98
TUSD Revised: 5/13/08

The Governing Board desires to keep district schools and students free from the threats or harmful influence of any unauthorized groups which advocate drug use, or disruptive behavior, such as but not limited to violence, intimidation, threats, coercion, congregating in mass. The principal or designee shall maintain continual, visible supervision of school premises so as to deter unauthorized group intimidation of students and confrontations between members of different unauthorized groups.

The Superintendent or designee shall establish open lines of communication with local law enforcement authorities so as to share information and provide mutual support in this effort.

The Superintendent or designee shall in cooperation with law enforcement provide in-service training which helps staff to identify various symbols, recognize early manifestations of disruptive activities, and respond to inappropriate behavior. Staff and selected students shall be trained in the use of conflict management techniques and alerted to intervention measures and community resources, which may help our students.

The Board realizes that many students become involved in unauthorized groups without understanding the consequences of unauthorized group association. Early intervention is a key component of efforts to break the cycle of unauthorized group association. Therefore, Violence prevention education in the schools may start with enrollment in TUSD.

The Board prohibits the presence of any apparel, jewelry, accessory, notebook, tattoos or manner of grooming which, by virtue of its color, **or** combination of color, arrangements, trademark, or any other attribute, denotes membership in any unauthorized group, which advocates disruptive behavior such as but not limited to violence, intimidation, threats, coercion and congregation in mass. This policy shall be applied as the need for it arises at individual school sites.

If a student exhibits signs of unauthorized group affiliation, staff shall so inform the parent/guardian.

Assistant Superintendent of Educational Services and Human Resources

1875 W. Lowell Ave., Tracy CA 95376

830-3260

Director Student Services and Curriculum

It is desirable that problems and complaints of alleged sexual or gender-based harassment brought by students, employees, parents or other members of the community be resolved in a prompt and equitable manner. If possible, such problems and complaints should be resolved in an informal manner. Although preferred, informal resolution is not a pre-requisite to filing a formal complaint.

If the complaint cannot be resolved informally the following procedures shall be followed for filing a formal complaint of sexual or gender-based harassment:

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance.

SEXUAL AND GENDER-BASED HARASSMENT

The complaint shall be presented to the Superintendent or designee, who will then give it to the appropriate compliance officer. The Superintendent or designee will maintain a log of complaints received, providing each with a code number and date stamp.

All types of complaints regarding sex equity and sexual or gender-based harassment must be initiated, in writing, within one hundred and eighty (180) calendar days of the date the alleged violation occurred, or the date the complainant first obtained knowledge of the facts of the alleged violation.

If a complainant is unable to put a complaint in writing due to conditions such as illiteracy or other disabilities, district staff shall help him/her to file the complaint.

Step 2: Investigation of Complaint

Within sixty (60) school days from receipt of the complaint, excluding summer session, when the alleged violation occurred during the regular school year, the Superintendent or designee shall complete the investigation of the complaint. This time period may be extended by written agreement of the complainant.

The Superintendent or designee will conduct an adequate, reliable and impartial investigation, including the opportunity for both the complainant and alleged perpetrator to present witnesses and evidence. The investigation will be conducted by a trained investigator that will interview all relevant parties and witnesses; the District is required to implement any interim measures, if deemed necessary, and that minimizes the burden on the individual(s) targeted by the bullying/harassment.

Consideration of counseling and other support services for any person found to have been subjected to prohibited harassment; and identification of any other students who were negatively affected by the harassing behavior and a determination of whether they were subject to a hostile environment. If so, the Recipient will consider whether remedial actions would be appropriate for those students.

Step 3: Response

Within sixty (60) days of receiving the complaint, the compliance officer shall prepare and send to the complainant and alleged perpetrator a written report of the district's investigation and decision, as described in Step 4 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within fifteen (15) calendar days, file his/her complaint, in writing, with the Governing Board. The Board may consider the matter at its next regular Board meeting or at a special Board meeting. The Board may decide not to hear the complaint, in which case the compliance officer's decision is final. If the Board hears the complaint, the compliance officer shall send the Board's decision to the complaint within seven (7) calendar days or within the time period that has been specified in a written agreement with the complainant.

Step 4: Final Written Decision

The report of the district's decision shall be written in English and in the language of the complainant whenever feasible or required by law. If it is not feasible to write this report in the complainant's primary language, the district will arrange a meeting at which a community member will interpret it for the complainant.

This report shall include:

1. Statement of allegation(s) and issues(s).

SEXUAL AND GENDER-BASED HARASSMENT

2. The findings and disposition of the complaint to include whether or not harassment occurred; and any individual remedies offered or provided to the complainant or any sanctions imposed on the perpetrator that directly relate to the complaint, and other steps the school has taken to eliminate the hostile environment. If the school finds one to exist, and prevent recurrence. The perpetrator should not be notified of the individual remedies offered or provided to the complainant.
3. Notice of the complainant's right to appeal the decision to the California Department of Education, and procedures to be followed for initiating such an appeal.

If an employee or student is disciplined as a result of the complaint, this report shall simply state that effective action was taken and that the employee or student was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action. However, when a student is expelled as a result of a substantiated charge of sexual harassment, the expulsion record shall be a non-privileged, dis-closable public record.

If dissatisfied with the district's decision, the complainant may appeal in writing to the California Department of Education within 15 days of receiving the district's decision. For good cause, the Superintendent of Public Instruction may grant an extension for filing appeals.

When appealing to the California Department of Education, the complainant must specify the reason(s) for appealing the district's decision and must include a copy of the locally filed complaint and the district's decision. (Title 5, Section 4652)

SEXUAL AND GENDER-BASED HARASSMENT

The Governing Board is committed to maintaining a learning environment that is free of harassment. The Board prohibits sexual and gender-based harassment of any employee, student, or other person at school or at any school-related activity. Sexual and gender-based harassment is a form of sex discrimination under Title IX of the Education Amendments of 1972 and is prohibited by both federal and state law.

It shall be a violation of this policy for any district employee to harass another district employee, applicant or student through conduct or communications of a sexual nature as defined in Administrative Regulation 4119.11. It shall also be a violation of this policy for students to harass other students or district employees through conduct or communications of a sexual nature as defined in Administrative Regulation 5145.7.

Information

The Superintendent or designee shall ensure that students receive age-appropriate information related to sexual and gender-based harassment. Such information shall include:

1. Examples of acts and behavior which constitute sexual and gender-based harassment.
2. Students shall be assured that they need not endure any form of sexual conduct or communication, including harassment because of sexual orientation, gender identity, or gender expression.

They shall further be assured that they need not endure, for any reason, any harassment which impairs the educational environment or a student's emotional well-being at school.

Teachers shall discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of sexual or gender-based harassment.

3. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual or gender-based harassment should be made.

Students shall be informed that they should immediately contact the principal or designee if they feel they are being harassed.

4. Students shall be encouraged to report observed instances of sexual or gender-based harassment, even where the victim of the harassment has not complained.

Complaint Process

The Board expects students or staff to immediately report incidents of sexual or gender-based harassment to the principal or designee, to another district administrator or a faculty member. Any student who

SEXUAL AND GENDER-BASED HARASSMENT

feels that he/she is being harassed should immediately contact the principal or designee at his/her school.

Staff shall immediately report complaints of sexual or gender-based harassment to the principal or designee or to another district administrator. Staff shall similarly report any such incidents they may observe, even if the harassed student has not complained.

The Superintendent or designee shall ensure that any complaints regarding sexual or gender-based harassment are immediately investigated. The investigation shall include identification of any other students, in addition to the complainant, who may have been subjected to the prohibited harassment and who may have been subjected to a hostile environment.

If a situation involving sexual or gender-based harassment is not promptly investigated and remedied by the principal or designee, a complaint of harassment can be filed in accordance with AR 1312.1 – Complaints Concerning District Employees or AR 1312.3 – Uniform Complaint Procedures. The principal or designee or district administrator shall determine which procedure is appropriate. A complaint filed under the UCP can be filed at any time and does not have to first be filed with the school site.

The district prohibits retaliatory behavior against any complainant or any participant in the complaint process.

Confidentiality

All complaints and allegations of sexual or gender-based harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action.

Information related to a complaint of sexual or gender-based harassment shall be confidential to the extent possible, and individuals involved in the investigation of such a complaint shall not discuss related information outside the investigation process.

The Superintendent or designee shall maintain a record of all reported cases of sexual or gender-based harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in the schools.

Disciplinary Actions

Any student who engages in sexual or gender-based harassment of anyone at school or at a school-related activity is in violation of this policy and shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion.

Any employee who engages in, permits or fails to report sexual or gender-based harassment shall be subject to disciplinary action up to and including dismissal. In addition, criminal or civil charges may be brought against the alleged harasser; sexual and gender-based harassment also may be considered a violation of laws relating to child abuse.

Effects of Sexual Harassment

The Superintendent or designee shall ensure that if sexual or gender-based harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and to address its effects on the victim(s). The types of actions will vary depending on the circumstances, but may include discipline

NONDISCRIMINATION/HARASSMENT

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, harassment, intimidation, and bullying of any student based on the student's actual race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics. . Members of the school community are expected to treat each other with dignity and mutual respect and to accept the rich diversity that makes up the community. Disrespect among members of the school community is unacceptable behavior which is disruptive to the learning environment and potentially damaging to self-esteem.

The California Education Code states that “all pupils have the right to participate fully in the educational process, free from discrimination and harassment.” California Education Code Section 201(a), Section 220 of the Education Code provides that no person shall be subject to discrimination on the basis of gender in any program or activity conducted by an educational institution that receives or benefits from state financial assistance. The code further provides that public schools have an affirmative obligation to combat sexism and other forms of bias, and a responsibility to provide equal educational opportunity to all pupils. California Education Code Section 201(b).

The California Code of Regulations similarly provides that “No person shall be excluded from participation in or denied the benefits of any local agency’s program or activity on the basis of sex or person’s actual or perceived sexual orientation, gender identity/expression, ethnic group identification, race, color, ancestry, national origin, religion, or mental or physical disability in any program or activity conducted by an ‘educational institution’ or any other ‘local agency’ ...that receives or benefits from any state financial assistance.” 5 CCR Section 4900(a).

The California Code of Regulations defines “gender” as: “a person’s actual sex or perceived sex and includes a person’s perceived identity, appearance or behavior, whether or not that identity, appearance, or behavior is different from that traditionally associated with a person’s sex at birth.” 5 CCR Section 4910(k).

Prohibited discrimination, harassment, intimidation, or bullying includes physical, verbal, nonverbal, or written conduct based on one of the categories listed above that is so severe or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

District programs and activities shall be free from discrimination, including harassment, with respect to a student's actual or perceived sex, gender, ethnic group identification, ancestry, race, national origin, religion, color, physical or mental disability, age or sexual orientation.

Policies and procedures related to harassment must also be consistent with First Amendment rights to free speech. Education Code 48950 provides that no district with one or more high schools shall make or enforce any rule subjecting a high school student to disciplinary sanctions solely on the basis of speech of other communication that would be constitutionally protected if engaged in outside of campus. Education Code 48950 specifically states that it does not prohibit discipline for harassment, threats or intimidation unless constitutionally protected. As a general rule, harassment, threats and intimidation directed at an individual or group are constitutionally protected, and whether such speech might be entitled to constitutional protection would be determined on a case-by-case basis, with consideration for the specific words used and the circumstances involved.

The Board prohibits intimidation or harassment of any student by any employee, student or other person in the district. Staff shall be alert and immediately responsive to student conduct, which may interfere with another student's ability to participate in or benefit from school services, activities or privileges.

No teacher may enforce a rule in class which is in conflict with a student's rights or, with any other rules set by the school administration.

The Board also prohibits any form of retaliation against any student who files a complaint or report regarding an incident of discrimination, harassment, intimidation, or bullying.

The Superintendent or designee shall provide age-appropriate training and information to students, parents/guardians, and employees regarding discrimination, harassment, intimidation, and bullying, including, but not limited to, the district's nondiscrimination policy, what constitutes prohibited behavior, how to report incidents, and to whom such reports should be made.

In providing instruction, guidance, supervision, or other services to district students, employees and volunteers shall carefully guard against segregating or stereotyping students.

Sports and Gym Class

Transgender students shall not be denied the opportunity to participate in physical education, nor shall they be forced to have physical education outside of the assigned class time. Generally, students should be permitted to participate in gender-segregated recreational gym class activities and sports in accordance with the student's gender identity that is exclusively and consistently

asserted at school. Participation in competitive athletic activities and contact sports will be resolved on a case-by-case basis.

The schools may provide girls and boys with separate shower rooms and sex education classes when appropriate in order to protect student modesty. In physical education, when objective standards have an adverse effect on students because of their gender, race, ethnic group or disability, other standards shall be used to measure achievement and create comparable educational opportunities.

Dress Codes

School sites can enforce dress codes that are adopted pursuant to Education Code 35291. Students shall have the right to dress in accordance with their gender identity that is exclusively and consistently asserted at school, within the constraints of the dress codes adopted at their school site. This regulation does not limit a student's right to dress in accordance with the District and/or site Dress/Appearance standards.

Gender Segregation in Other Areas

As a general rule, in circumstances where students are separated by gender for school activities (i.e., class discussions, field trips), students shall be permitted to participate in accordance with their gender identity exclusively and consistently asserted at school. Activities that may involve the need for accommodations to address student privacy concerns will be addressed on a case-by-case basis. In such circumstances, staff shall make a reasonable effort to provide an available accommodation that can address any such concerns.

The principal or designee shall develop a plan to provide students with appropriate accommodations when necessary for their protection from threatened or potentially harassing or discriminatory behavior.

The Board hereby designates the following position(s) as Coordinator(s) for Nondiscrimination to handle complaints regarding discrimination and inquires regarding the district's nondiscrimination policies:

Director of Student Services and Curriculum
Director of Special Projects and Curriculum
Director of Special Education and Curriculum

Any employee who permits or engages in prohibited discrimination, harassment, intimidation, bullying, or retaliation shall be subject to disciplinary action, up to and including dismissal.

Any student who feels that he/she has been subjected to discrimination, harassment, intimidation, or bullying should immediately contact the Coordinator, the principal, or any other staff member. In addition, any student who observes any such incident should report the incident to the Coordinator or principal, whether or not the victim files a complaint.

Any school employee who observes an incident of discrimination, harassment, intimidation, or bullying or to whom such an incident is reported shall report the incident to the Coordinator or principal, whether or not the victim files a complaint.

In addition, the employee shall immediately intervene when safe to do so. (Education Code 234.1)

Where the Coordinator finds that harassment has occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim.

The Coordinator shall also advise the victim of any other remedies that may be available. The Coordinator shall file a report with the Superintendent or designee and refer the matter to law enforcement where required.

The Superintendent or designee shall ensure that the student handbook clearly describes the district's nondiscrimination policy, procedures for filing a complaint regarding discrimination, harassment, intimidation, or bullying, and the resources that are available to students who feel that they have been the victim of any such behavior. The district's policy shall also be posted on the district web site or any other location that is easily accessible to students.

When required pursuant to Education Code 48985, complaint forms shall be translated into the student's primary language.

Retaliation

It is a violation of District policy to retaliate against any person who reports incident(s) of alleged harassment or testifies, assists or participates in an investigation, proceeding or hearing relating to such alleged harassment. An alleged harasser may be found to have violated this anti-retaliation provision even if the underlying complaint of harassment is subsequently not found to be in violation of this policy.

Retaliation includes, but is not limited to, an adverse action, intimidation, threats, reprisal or harassment, against a complainant or someone acting on the complainant's behalf, who complained about or otherwise protested about harassment. Retaliation may be readdressed through application of the same reporting, investigation and enforcement procedures as for harassment.

Retaliation against the complainant, the alleged harasser, and/or any witnesses, by breach of confidentiality or otherwise, is strictly prohibited, will not be tolerated, and will be dealt with by appropriate disciplinary consequences including expulsion and/or referral to legal authority. Any person who knowingly makes a false report may be subject to the same action that the district may take against any other individual who violates this policy. The term "false report" refers only to those made in bad faith and does not include a complaint that could not be corroborated or which did not rise to the level of unlawful harassment.
