<b>National Academy Foundation Media Communications</b>	<b>Y31B</b>	Communications	Screened: Language	9	32	246
<b>Details:</b> A hands-on approach to understanding mass media opportunities to develop career skills in video production, journalism, media arts, technology, with internships in various media outlets						

## Overview

The Academy for Language and Technology (ALT) nurtures inquiry learning, character development and community building. Our focus is to prepare students to compete in the global economy. Students connect technology to real-world experiences via internships and they develop literacy in both Spanish and English. Ninth graders enter one of our three technology-focused programs: media communications, computer networking or computer technology. Our school environment - built on community, leadership and social activism – encourages our students to grow into articulate, responsible citizens.

**Program Highlights:** College and Career Planning Seminar, Ethics/Service Learning Seminar, College Planning beginning in 9th grade, Art History, iZone School

**Language Classes:** Spanish

**Advanced Placement Courses:** Economics: Macro, English Literature and Composition, Government and Politics: United States, Spanish Language, Spanish Literature

**Extracurricular Activities:** Student Government, National Honor Society, MOUSE (Technology) Team Microsoft Applications, Adobe Photoshop, Spreadsheet, Leadership Clubs: N/A

**Overview**

We are a school that is configured into three small learning communities, in one school, with one principal. We offer programs that can lead to national certification in Carpentry, Electrical, Plumbing and Heating, Ventilation and Air Conditioning (HVAC), Automotive Trades and Architectural Drafting. We believe in the two for one diploma – Regents plus Career and Technical Endorsement. We also believe that it takes an entire village to raise a child.

**Program Highlights:** Auto and Building Trades, Pre-Engineering, Honors Classes, Summer Internships, Credit Recovery, Saturday Tutoring, Saturday School, Art, Drama, Steelband, Native Language Arts

**Language Classes:** Spanish

**Advanced Placement Courses:** Calculus AB, English Language and Composition, Spanish Language, United States History

**Extracurricular Activities:** Skills USA, Automotive Youth Educational System (AYES) Internships, Co-op Education, PSAT & SAT Prep, Shakespeare Competition, Poetry Competition, Spelling Bee **Clubs:** International, Robotics, Chess, Leadership, Wrestling, Book

**PSAL Sports – Boys:** Baseball & JV Baseball, Basketball & JV Basketball, Bowling, Cross Country, Football & JV Football, Golf, Gymnastics, Handball, Soccer, Tennis, Volleyball, Wrestling

**PSAL Sports – Girls:** Volleyball

**PSAL Sports – Co-ed:** Outdoor Track

**School Sports:** Jiu-Jitsu, Intramural Sports

**Additional Information**

- Typical Freshman Schedule: 9:15 AM – 3:30 PM
- Dress Code Required: white collared shirt, black pants/skirt, black shoes; tie for male students

Archimedes Academy for Math, Science and Technology	Y37A	Science & Math	Limited Unscreened	9	96	551

## Overview

Our school provides a challenging and innovative education focused on math, science and the integration of technology into all subject areas. Our classes feature inquiry and project-based curricula and use of remote response systems. Our non-traditional Physical Education classes expose students to experiences that they otherwise might never have. Our students are grouped into four Houses which are divided into smaller single-gender Advisory groups led by a faculty advisor. Although classes change, students remain with their House and advisor until graduation. Our students graduate with the knowledge they need in math, science and technology applications to succeed in today's digital society.

**Program Highlights:** Integrated use of technology in all disciplines, College-level courses in grades 11-12 through Syracuse University Project Advance (SUPA), Physical Education classes (Ballroom Dancing, Latin Dancing, Fitness, Boxing, Lacrosse)

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Overview**

We are dedicated to supporting the growth of young adults through our emphasis on high academic performance in science, mathematics and technology, achieved through our four year study sequence in both science and mathematics. In partnership with Lehman College, we offer small classes and challenging electives. We provide our students with a well-rounded curriculum that instills a diverse educational foundation, fostering and promoting post-secondary success. By forming real partnerships among students, teachers, parents/guardians and local community leaders, we help our students become creative, inspirational individuals who value integrity, self-worth and commitment to their community.

**Overview**

We are a small high school in the South Bronx that focuses on building strong, positive relationships to support student growth and achievement. We believe in the three Cs: Communication, Collaboration and Community. We seek to develop a thoughtful community where staff, parents and students ambitiously challenge themselves to reach high standards of excellence in a supportive environment. Our students strive for meaningful learning to effect change in their communities and the broader environment. Individual experiences and different learning styles are valued in our school community. We work to produce well-informed learners capable of shaping their own futures.

Bronx Academy of Health Careers	X22A	Health Professions	Limited Unscreened	9	108	1035
				10	5	62

**Overview**

We prepare students for a variety of health professions including medicine, medical technology, nursing, pharmacology and physical therapy. We familiarize our students with the habits, practices and educational requirements needed to become a health professional, and provide them with opportunities to volunteer and intern in local healthcare institutions. Students study four years of science and math to be well prepared to meet the challenges of a college education in healthcare. We collaborate with colleges to offer our students an opportunity to take college level, credit-bearing courses for free. Our staff works with parents to ensure students receive the support they need to succeed.

**Program Highlights:** Strong emphasis on science, College Courses, Volunteering, Cardio-Pulmonary Resuscitation (CPR), First Aid, Extended Periods, Daily Tutoring, Weekly Assemblies, Monthly Town Hall Meetings featuring guest speakers and student presentations, Annual Health Fair, Talent Shows, Awards Ceremonies, Student Council, Conflict Resolution

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Volunteering, Shadowing, CPR, First Aid Certification, National Honor Society, Tutoring, Regents Preparation, SAT Preparation, Choir  
**Clubs:** Chess, Science, Book, Theater, Step, Art, Dance

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Cross Country, Football & JV Football, Indoor Track, Outdoor Track, Soccer, Swimming, Volleyball

Bronx Academy of Letters	X27A	Humanities & Interdisciplinary	Limited Unscreened	9	81	1922
				10	5	62

**Overview**

The Bronx Academy of Letters was founded on a single idea: students who can express themselves clearly in writing can do better in any path they choose in life. In addition to the challenging academic work offered, we are also committed to providing learning opportunities outside of the classroom. Throughout the year, our students participate in regular field trips to arts institutions, colleges and universities. During the summer, our student services team connects students to jobs, internships and programs that allow them to travel all over the world – from Tokyo to Mexico. At Letters, we celebrate hard work, curiosity, self-expression and service. Our graduates are articulate, critical readers and writers, fully prepared to maximize their learning and growth – not only during their high school and college years, but throughout their lives.

**Program Highlights:** Honors classes, interdisciplinary courses, college-level research projects with formal presentations in English, Math, Science, History, Arts and Language; annual student exhibitions, writing workshops, technology access, externships, seminar electives

<p><b>Details:</b> Students will concentrate on one of three future plans. Flight and Air Traffic Control Simulators will be used for initial preparation. Flight training is conducted at Republic Airport.</p>						

**Overview**

We provide students with a unique blend of academics and aviation training. Our students are required to wear the standard pilot’s uniform every day (see below). Students choose between three focuses: pilot preparation, air traffic control preparation or college preparation. All entering students are expected to attend a summer orientation program for two weeks in August. At the orientation, students pick their focus and work closely with upperclassmen to prepare for the transition to high school. Students may receive flight and air traffic control training in our state-of-the-art flight simulator.

**Program Highlights:** Aviation Ground School, Flight Training, Basic Air Traffic Control Training, Lifeguard Certification, Anti-bullying Program

**Language Classes:** French, Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** LifeSkills Training, Saturday Academy Credit Recovery, SAT/ACT Prep, Air Traffic Control Training, Reality Works Real Baby Program, Leadership and College Readiness, ESL Homework Center, Peer Academic Teams

## Overview

The Bronx Center for Science and Mathematics offers a challenging academic program with a concentration in science and mathematics supported by the study of humanities and the integration of technology across the curriculum. Our school will meet the emotional, intellectual and social needs of all students through a strategic support structure consisting of faculty, students, parents and the community. We prepare our students for the world of work and/or college through collaboration with our partners. The foundation of our school rests on Seven Core Virtues that will prepare our students for citizenship: Respect, Integrity, Honor, Excellence, Commitment, Perseverance and Service.

**Overview**

At Bronx Early College Academy (BECA), we transform our students’ lives by preparing them for success in college and in life. The curriculum at BECA offers students an accelerated academic program leading to the completion of a high school diploma along with up to two years of college coursework while in high school. The educational goals of this initiative are to minimize the barriers between high school and college, ease the transition from secondary to post-secondary school and prepare students for, and attract them to, higher education as well as increase high school graduation rates.

**Program Highlights:** Saturday School, PSAT opportunities, Academic Intervention Services, Academic Enrichment Services; Cooperative, Healthy, Active, Motivated, Positive Students (CHAMPS) Sports; Project BECA: a weekly incentive and behavioral program, College coursework at Lehman College and City University of New York (CUNY), Honors Mathematics

**Language Classes:** Spanish

Bronx Guild	X32A	Humanities & Interdisciplinary	Limited Unscreened	9	81	409
				10	10	60

**Overview**

We are a community of learners engaged in meaningful work. Our mission is to capture the energy and interests of young people by providing apprenticeships in the adult world. Students are required to participate in the apprenticeship program 2-3 days per week and give quarterly public presentations of their learning. Each student’s curriculum is determined by his or her unique interests, background and learning style. Each teacher is responsible for only 15 children. Learning Through Apprenticeship (LTA) is the center of the Bronx Guild curriculum. At the worksites, students take on real-world tasks and projects under the supervision of a mentor. Back at school, the students work with their crew leaders building and reinforcing the skills and knowledge needed to complete those projects. Our very successful program has placed students in over 300 apprenticeships since opening our doors in 2002.

**Program Highlights:** Project-based Learning, Interdisciplinary courses, Extended Time Periods in class

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Building with Books, Project Read, Literary Magazine, Dance, African Drumming **Clubs:** Art (after-school), Break the Silence (spoken word club)

Bronx Health Sciences High School	X88X	Health Professions	Limited Unscreened	9	108	1454

**Overview**

Bronx Health Sciences High School is designed for students who are willing to engage in a challenging academic program and explore the health sciences and related health career opportunities. Our young adults will be equipped with the necessary literacy and scientific problem solving skills that will enable them to become lifelong learners while gaining a sense of personal and community responsibility. We emphasize literacy, problem solving skills, character development, sensitivity, tolerance, leadership, and personal responsibility as crucial components. Through partnerships with Lehman College and Council for Unity, students are exposed to special programs and resources. Graduation requirements include the completion of four years of science, math, health sciences, required community service, internships and an academic portfolio assessment.

**Program Highlights:** Health Research, Interdisciplinary Research, Health Literacy, Problem-based and Project-based Interdisciplinary Learning, Health Related Community Service and Externships, Hospital Volunteer, Health Occupations Students of America (HOSA), Advisory

<b>Progress Report</b>	A	B
<b>Quality Review</b>	N/A	N/A
<b>Graduation Rate</b>	81.2%	83.7%

**Overview**

Our school offers a small academically challenging high school experience to students with a desire to enter the fields of medical science and health careers. Science courses are embedded into all curricula areas. At our school, the first three years of study are devoted to the completion of all New York City requirements for graduation and examinations, while the last year is devoted to College Now coursework. Over the course of their high school experience, students will become “resident experts” in a particular field or topic of their choosing and will be required to compile a variety of reports, experiments and artifacts culminating in a senior year presentation to their peers.

**Program Highlights:** Students have the opportunity to shadow health care professionals during the school day, after-school, weekends and in the summer. Students apply to this competitive program and conduct research under the supervision of trained personnel in various areas.

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition, Environmental Science, Spanish Language

**Extracurricular Activities:** Student Government, Senior Council, School Newsletter, National Honor Society, The City University of New York (CUNY), Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP), Middle Grades Initiative **Clubs:** Modern Dance, Chess

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Bowling, Handball, Outdoor Track, Soccer, Volleyball

**PSAL Sports – Girls:** Basketball, Outdoor Track, Softball, Tennis, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** N/A

**Additional Information**

- Typical Freshman Schedule: 7:45 AM – 3:15 PM
- Uniform Required: hunter green medical scrub approved uniform (without alterations)
- Extended Day Program
- We follow a self-contained model for all grades; students stay in the same classroom and teachers rotate to classes

<b>Graphic Design</b>	<b>X35B</b>	Visual Art & Design	Limited Unscreened	9	54	394
				10	5	20
<b>Details:</b> A program of study focused on learning the elements, principles and process of design and developing digital media and business skills. Students participate in internships and are prepared for advanced study and work in the field of graphic design.						

**Overview**

We offer a challenging, sequential, four year pre-professional art program and an interdisciplinary academic curriculum within a close-knit school community. We offer two visual arts programs: one focuses on developing general knowledge of the visual arts, while the other prepares students to become professional graphic designers. Both programs emphasize skill-building, student creativity, interests and community contributions. Our cultural partners provide learning experiences and additional resources for students and their families. Our small class size and project-based, student-centered curriculum provide individualized attention and prepare students for college and careers in the arts.

**Program Highlights:** Studio Art, Portfolio, Digital Media, Photography, Museum Apprenticeships and Internships, College Now, Career and Technical Education Program in Graphic Design, Career Visions Institute, Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)

## Overview

Our primary educational objective is to teach gifted students to think scientifically. We accomplish this goal by providing research opportunities in many disciplines, numerous advanced placement and post-advanced placement courses, hands-on lab experiences and individualized attention in a warm, caring learning environment. We provide an enriched and diverse program to prepare students for leadership positions in science and society. Students at Bronx Science benefit from a well-rounded education and enjoy the experience of a college-like atmosphere with an open campus.

**Overview**

The mission of the Bronx International High School is to empower our students to become active participants in today’s interdependent and diverse world. We accomplish this by helping enhance our students’ cultural awareness, English and native language proficiencies and intellectual and collaborative abilities. We are dedicated to serving the academic and social needs of recently immigrated young people and their families. By critically analyzing and responding to complex world issues, students will achieve academic, personal and professional success as they become advocates for themselves and their communities.

Bronx Leadership Academy II High School	Y49A	Science & Math	Limited Unscreened	9	108	807
				10	10	68

**Overview**

Our school's motto is "Community, Collaboration, Inquiry." Our mission is to provide students with an exemplary, science-based education that prepares our graduates for college and careers. Students' natural curiosity will guide the open-ended process of discovery and critical thinking, helping them become life-long learners. Our school's familial atmosphere and our partnership with South Bronx Churches encourage students to apply their leadership skills in their school and community. Here students are supported to achieve their potential as creators, inventors and leaders.

**Program Highlights:** All students study four years of Math and Science, yearly College and Career Seminar, English classes in which students complete at least one yearly research paper, Honors courses for a number of Core classes, longer class periods to enable students to fully explore topics, WISE program (individualized study and internships for seniors)

## Overview

We offer the opportunity for students to earn a fully accredited Regents diploma by adopting the model of a theatre company. Our students stage classic plays and their own original works to explore the universal themes of the human experience and acquire skills and knowledge to meet the Learning Standards as outlined by the New York State Board of Regents. We believe that it is our capacity to imagine which allows us to learn. Our school addresses the challenge of teaching all subjects through the variety of disciplines that make up theatre practice. We utilize project-based learning and take it a step further by engaging students as artists-at-work.

**Program Highlights:** Performance, Set Design, Costume Design, Theatre Business, Chorus, Guitar, Playwriting, Dance Company, National Honor Society, College Now, Arts-related field trips; Math, Science and Humanities subjects enriched through producing original and classic plays, Advisory accomplished through our Theatre Arts Program, Academic support offered in PM School and Tutoring; Regents Prep, College Prep, SAT Prep, Career Development Internships

**Language Classes:** French, Spanish

**Advanced Placement Courses:** Biology, Calculus AB, English Literature and Composition, Spanish Literature, United States History

The Bronxwood Preparatory Academy	X85R	Humanities & Interdisciplinary	Limited Unscreened	9	108	546

## Overview

Our goal is to equip our students with the skills necessary to attend to the college of their choice and pursue future career paths. We look to awaken in our students a passion for learning that continues throughout their lives. At our school, we believe in developing our students into young scholars ready and prepared to meet the challenges of the world. Our small class size offers individualized attention to our students. We have a strong emphasis on reading and writing across the curriculum. At the Bronxwood Preparatory Academy, we believe that "it takes team work to make the dream work" so that we become "The Home of Achievers!"

**Program Highlights:** Visual Arts, After-school Tutoring, Internships, Reading Excellence and Discovery (READ) program, College Now, Guest Speakers, College Visits, Trips, Fordham University Credit Recovery/Regents Preparation, Family Activities, Career and College Exploration, SAT Test Preparation, Saturday Academy/Tutoring

The Cinema School	Y42A	Film/Video	Screened	9	81	587
				10	25	21

**Details:** The Cinema School is a select admissions school offering a rigorous liberal arts college preparatory curriculum through filmmaking. All students will take the required courses for an Advanced Regents Diploma and take at least two Advance Placement courses to prepare them for admissions to competitive four year universities in any field of study they choose.

**Selection Criteria**

- English (80-100), Math (80-100), Social Studies (80-100), Science (80-100)
- Standardized Test Scores: Math Level(s) 3-4, English Language Arts Level(s) 3-4
- An Admissions Activity is required for all students who do not meet screen criteria; Students will be given the Admissions Activity at all Open Houses or by appointment
- Review of Attendance & Punctuality
- Please note: admission to this program is also based on the Admissions Priorities listed above.

**Overview**

The Cinema School is a selective and academically challenging high school that offers a rich liberal arts education grounded in creative activity. Filmmaking serves as the core of a strong academic program that prepares students for a wide range of futures within the industry. In addition to providing students with essential creative and technological skills, filmmaking also deepens students' learning by building confidence, responsibility and leadership. One of our school's unique features is our four-week mid-winter institute in which students work on films and other projects of their own choosing. We offer a supportive school community, small classes and individualized attention.

**Program Highlights:** Filmmaker's Institute: 4-week program allows students to develop film projects, participate in Film Festivals or develop research or design projects; four-year Cinema Studies curriculum includes filmmaking, storytelling, media criticism and history of visual arts; internships, independent study, college courses for advanced students. As the school expands we plan to offer online Advanced Placement (AP) courses in all subjects. All students have the option to take at least two Advanced Placement courses before graduation.

**Language Classes:** French, Spanish

**Advanced Placement Courses:** English Language and Composition, United States History

**Extracurricular Activities:** Small group Advisory daily before and after school; SAT prep workshops in 10th grade; Community service through NY Cares, Debate, School Newspaper & Yearbook, Tutoring, SAT Prep, After-school film program, film screenings **Clubs:** Based on student interest; past activities have included: Archery, Chess, Drama, Gay-Straight Alliance, Variety & Talent Shows

**PSAL Sports – Boys:** Baseball & JV Baseball, Basketball & JV Basketball, Swimming

**PSAL Sports – Girls:** Basketball & JV Basketball, Softball, Swimming

**PSAL Sports – Co-ed:** N/A

**School Sports:** All students are eligible to participate in all James Monroe Educational Campus sports teams and clubs. School-based sports in our Physical Education and/or after-school curriculum have included Yoga, Capoeira and Archery.

**Overview**

We are an active and caring learning community where young people create and develop the intellectual and social skills to become thoughtful and engaged community members. We honor our students' heritage and values. We embrace a climate of social activism in which students are confident to address issues that affect their lives; we help them connect their desires with hope and possibility and provide the emotional and academic supports they need to graduate and succeed in life. Our students learn how to ask questions and examine real-life problems. We guide them toward a sense of power and personal discovery to make change for themselves, their futures and the world in which they live.

**Program Highlights:** Performance-based Task Assessment (PBAT) program in which students complete, present and defend academic portfolios; eight PBATs required for graduation; in addition students must pass only the NYS ELA Regents exam; College preparation program in collaboration with College Summit, College Now classes at Hostos Community College, Service Learning Internships, Mock Trial/Law and Justice Class and Competition, Playwriting class with Manhattan Theatre Club, Honors English and Social Studies classes; Pre-Calculus, 9th grade double-block English classes, Creative Writing and Media course, Social Action course, Young Leaders and Student Council, Advisory

**Selection Criteria**

- New York City resident living in the United States four years or fewer and are of limited English proficiency

**Overview**

Our mission is to partner with families and local organizations to serve English Language Learners who have recently immigrated to the United States from countries around the globe. Our graduates are prepared for success both in college and in careers in Graphic Arts. Our school and classes are small; every student is known and supported to achieve. Staff and students work and learn collaboratively in heterogeneous groups. Students develop English language, literacy, and critical thinking skills by engaging in classroom projects, service learning, and internship programs. They learn to advocate for themselves and their families and to become active leaders in their communities.

**Program Highlights:** Small classes that integrate academic content and English language development; CTE program sequences in Graphic Arts; cooperative learning groups, interdisciplinary project-based curriculum, service learning, work-based internship opportunities, college trips, college prep counseling, career counseling

## Overview

DeWitt Clinton High School has a highly unique small learning community (SLC) program. Each SLC is organized thematically with a core academic curriculum, highly specialized courses related to students and career option exploration. Students will benefit from the caring of a small school setting within a large school environment and from the range of instructional programs and activities that only a large school can offer. All entering students receive a core curriculum in a 9th grade academy. Students begin their SLC specialty in the 10th grade.

**Program Highlights:** Peer Tutoring, Witt Agency, Computer Graphics, Intergenerational, Speech and Debate, Playwriting, Independent Study, Air Force Junior Reserve Officers' Training Corps (AFJROTC), Virtual Enterprise

**Language Classes:** French, Latin, Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Calculus BC, Chemistry, Economics: Macro, English Language and Composition, English Literature and Composition, Environmental Science, European History, Government and Politics: United States, Physics B, Physics C: Electricity and Magnetism, Physics C: Mechanics, Spanish Language, Spanish Literature, Statistics, United States History, World History

**Extracurricular Activities:** ASPIRA Leadership, Conflict Mediation, Health Occupations Students of America (HOSA), Peer Mediation, ROTC, Kiwanis Club of New York, Arista, Clinton News, Moot Court, Literary Magazine "Magpie," Virtual Enterprise, Yearbook, Chorus, Drama, Marching Band, Dance Team, Jazz Band  
**Clubs:** Broadcast Crew, Caribbean, Chess, Christian Seekers, Environmental Affairs, Hip-Hop/Poetry, Hope, Art/Comic, Medical Science, History, Law, United Nations, DIVAS, Gentleman's, First Ladies, Key

<b>Graduation Rate</b>	61.2%	69.2%

## Overview

Discovery High School is an arts-integrated high school that has four pillars: Academic Rigor, Creativity, Technology and Collaboration. In the first year, "Discover Myself," students learn about themselves, their skills, their strengths and weaknesses. In the second year, "Discover My Community," students learn about the local community. In "Discover My World," students learn, in their third year, about their larger community. In their senior year, "Discover My Future," students reflect on their high school experience and on themselves, their community and their world so they may apply their skills and experiences to future planning. Each year, students focus on a different creative/technical art elective. Students receiving an Advanced Regents Diploma will take a second advanced class and/or a creative/technical arts internship. We offer a variety of in-school and after-school academic, creative, technological and collaborative activities.

**Program Highlights:** Advanced Regents Courses, SAT Prep, College Now, Creative and Technical Arts Electives/Internships (8-10 per student), Liberty Partnership Program, Town Hall Meetings, Arts Integrated Projects and Curriculum, Theater, Museum, Gallery Visits and other trips, Guest Artists, Tutoring, Dance Performances, School Plays, Reading Series, Film Series, School Band

**Language Classes:** Spanish

East Bronx Academy for the Future	X83X	Humanities & Interdisciplinary	Limited Unscreened	9	81	644

**Overview**

East Bronx Academy for the Future is a technology-based school for students in grades 6 through 12. Our students learn the content and skills required by the New York State Board of Regents combined with project-based learning and a focus on using technology in the classroom. Students learn in small classes, using computers and doing hands-on projects. Accelerated students take college courses in partnership with Lehman College. Bronx Academy students graduate from high school ready for college and the world of work. Our graduates are linked to careers that employ technology, such as journalism, the arts, engineering, architecture and urban planning.

**Program Highlights:** Accelerated Regents Curriculum, Credit bearing after-school courses for acceleration, Optional Saturday courses, Cooperative Healthy Active Motivated Positive Students (CHAMPS) Sports, National Academy for Excellent Teaching, Middle Grades Initiative, JumpStart Program

Eximius College Preparatory Academy: A College Board School	X03R	Humanities & Interdisciplinary	Limited Unscreened	9	108	1319

## Overview

We are a 9-12 academy dedicated to developing high-achieving students of good character who use academic, technological and social skills to inspire others and contribute to their community. Our values are academic excellence, community citizenship, self-determination, compassion, integrity, reflective living, and unity of being. Students must aspire to personal excellence to be successful and we help them master the challenges of a college preparatory curriculum, guide them through the college entrance process and prepare them for success. Our coursework is designed to give students the knowledge, skills and strategies to pass the Regents, excel on the SAT and succeed in college and life.

Fannie Lou Hamer Freedom High School	X91A	Humanities & Interdisciplinary	Limited Unscreened	9	110	798
				10	5	59

## Overview

Fannie Lou Hamer Freedom High School is one of the first small high schools in the Bronx and we have been successfully educating students in our own building for 14 years. Students and teachers work together to create a community of caring and concerned citizens committed to meaningful and purposeful work. Students develop critical thinking, research and analytical skills in preparation for college and careers. Our teachers work in-depth with a small number of students as they complete hands-on projects in all subject areas. Our graduates have already gone on to succeed in city, state and private colleges and are now following careers in business, media, social work, education and technical fields.

**Program Highlights:** College Now, Interdisciplinary Math/Science and Humanities, Advisory, Service Learning, Internships, Entrepreneurship, Interdisciplinary Program in Arts and Leadership in Practice, Freshman Seminar, After-school Conflict Resolution/Peer Mediation

## Overview

---

Recognizing the needs of artistically talented students to attend a local high school, Fordham High School for the Arts (FHSA) was created to offer an instructional program in Instrumental Music, Vocal Music, Drama, the Visual Arts and Dance. A partnership with practicing artists will afford students the opportunity to explore and develop their talents in various mediums of artistic expression.

**Program Highlights:** Project Student Opportunities for Academic Reinforcement (Project Soar), Tutoring, Counseling, SAT Prep Class

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition

**Extracurricular Activities:** Student Government, Junior Reserve Officers' Training Corps (JROTC), Upward Bound, Small group tutoring, Regents Academy, Vocal, Dramatic Arts, Instrumental Music, Dance, Visual Arts **Clubs:** Cheerleading, Yearbook, Leadership, Step Team, Music

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Handball, Volleyball

**PSAL Sports – Girls:** Softball, Volleyball

**PSAL Sports – Co-ed:** Fencing

**School Sports:** Swimming and Lifeguard Training, Weight Training, Basketball

## Additional Information

---

- Typical Freshman Schedule: 8:00 AM – 3:45 PM
- Community Service Requirement

Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
Fordham High School for the Arts	X51A	Performing Arts	Audition	9	108	953
				10	10	41

**Details:** Students are required to audition for one of the three dates below. Students must be prepared to write an essay explaining why they want to attend FHSA.

**Audition Information:**

**Dance:** Participate in a short dance class. Perform choreography directed to you. Perform a 1-2 minute dance piece of your choosing. Be prepared to write an essay explaining why you want to attend FHSA.

**Drama:** Prepare 2 memorized monologues from a play, movie or novel, one minute each. You may be asked to participate in a group theater game. Be prepared to write an essay explaining why you want to attend FHSA.

**Instrumental Music:** Instruments and music provided, or bring your own. Students with musical experience must be prepared to play a scale and selection from band book or music of your choice. Beginners are welcome. You will complete a questionnaire, interview, and simple melody/rhythm test for musical aptitude. Parents are strongly encouraged to attend and meet with the band director. Be prepared to write an essay explaining why you want to attend FHSA.

**Vocal Music:** Perform a prepared song (classical, popular or folk) without CD/piano accompaniment. Applicants will also be evaluated on tonal memory, rhythmic and aural skills, and vocal technique through teacher-led vocal exercises. Be prepared to write an essay explaining why you want to attend FHSA.

**Visual Arts:** Prepare and present a portfolio of three pieces of original work drawn from real-life observations (one self-portrait, one still-life or landscape, and one student's choice). Students are required to complete one detailed colored drawing from observation during the audition. Be prepared to write an essay explaining why you want to attend FHSA.

2011-2012 Audition Dates

Audition Groups	Date	Start Time	End Time
All Students	Saturday, 10/22/11	9:00 AM	12:00 PM
All Students	Saturday, 11/19/11	9:00 AM	12:00 PM
All Students	Saturday, 12/10/11	9:00 AM	12:00 PM

All auditions commence promptly at 9:00am. Latecomers may be asked to reschedule. If you are auditioning for more than one discipline, it is important that you adhere to the requirements of each area to which you are applying.

Gateway School for Environmental Research and Technology	X66A	Environmental Science	Limited Unscreened	9	135	296
				10	10	26

## Overview

The Gateway School for Environmental Research and Technology attracts young men and women interested in learning about the environment with emphasis placed on science and math. Students will participate in research with a focus on environmental and social justice issues. Our small high school campus setting is highlighted by reduced class size, inter-disciplinary instruction, research to promote higher academic achievement, creativity, participation and citizenship. Students will explore the environment from a local and global perspective through hands-on experimentation and field trips. Technology will enhance their learning experience as they use the Internet to research environmental and social justice issues. Students will be motivated to develop a sense of pride in themselves, their school, community and environment.

**Program Highlights:** Hands-on project-based research, Portfolio development and presentation, Field trips, Regents preparation, Pre-College and Career planning

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, English Language and Composition, Environmental Science, Spanish Language, World History

**Extracurricular Activities:** Student Government Council, Student Campus Senate, Gateway Institute Citywide Student Council, New Visions Student Council, After-school Regents Prep, SAT Preparation, Tutoring, Computer Lab, Art, Music

**Overview**

We are committed to preparing a diverse community of students to become lifelong learners and providers of excellent health care. Our curriculum is embedded with health-related themes and a focus on the sciences. Students may earn college credits through our partnerships with Hostos Community and Bronx Community Colleges. All students are required to complete 120 hours of fieldwork in one of our many health-related internships. Preparing students for college and the world of work is a necessity, so we employ a full-time College Bound counselor and various staff from community-based organizations to support us in reaching that goal.

**Program Highlights:** Internships in Health Careers, Advancement Via Individual Determination (AVID)

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, English Language and Composition, European History, Spanish Language, United States History

**Extracurricular Activities:** Student Government, School Leadership Team, Oprah Ambassador's Club for Leadership and Public Service, National Honor Society/Arista, Peer Tutoring Corps, Rappoetics for Young Writers, Poets and Spoken Word Artists, Digital Photography, The Young Actors Club (student theatre group performs plays twice a year) **Clubs:** American Red Cross, buildOn, The Pom Squad: School Spirit Squad, Yearbook, Multicultural Awareness, The Men of Strength, History Through Film, Digital Photography, Drama, Young Women's Leadership, Young Men's Leadership

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** All sports activities are provided through our on-site community-based organization; Cooperative, Healthy, Active, Motivated, Positive Students (CHAMPS); Our sports program includes: Football, Basketball, Soccer

**Additional Information**

- Typical Freshman Schedule: 8:00 AM – 2:30 PM
- Uniform Required: short-or long-sleeved shirt with school logo, black or khaki dress pants/knee-length skirt. In cold weather, students may wear the school sweatshirt or cardigan

## Overview

We are a collaborative learning community that combines a challenging curriculum drawing connections between the humanities, science, math and the arts with an intensive training program in the arts. We use state-of-the-art 21st century media technology. The Arts Studios bring together study in the traditional arts (dance, theatre, fine arts, and music) with study in the contemporary arts (film, video/sound production, multimedia, graphic design, and animation). Through our partnerships our students gain special residencies both within and outside the school. Our students have the opportunity to participate in special programs, performances, exhibitions, mentorships and internships. The entire school is actively involved in the process of building a democratic, self-governing community. Our environment promotes self-directed learning and respects the individuality and uniqueness of each student.

**Program Highlights:** Visual, Audio, Media and Performing Arts, Mentorships and Internships with colleges, museums, arts companies and individual artists; Creative Writing

## Overview

Our school seeks students who have big ideas, who like working on teams and who love the English language. Students are given challenging assignments that teach them real-life skills. They learn to create their own schedules, act as peer leaders and tutors and have the opportunity to participate in school committees. Language and vocabulary are taught in every class and students learn to speak and write using college-level language. Students at High School for Language and Innovation will learn and grow beyond what they've ever thought possible.

**Program Highlights:** Advisory, Creative Fridays: Art, Sports, Language Classes, Music, Dance, Gardening, College Writing, Peer Tutoring, Service Learning, Teaching Assistant Internships, Tae Kwon Do, Tutoring Programs through Hunter College

**Language Classes:** As we expand, we expect to offer Korean and Spanish Native Language Arts

**Advanced Placement Courses:** As we expand we expect to offer AP courses in English, History and Math

**Overview**

Our school emphasizes the study of American history and offers students an academic program that is both comprehensive and challenging. Our goal is to prepare students for admission to highly competitive colleges and for a wide range of careers in politics, law, journalism, business, science, mathematics and the arts. Through our collaboration with Lehman College, students have access to its campus library and athletic facilities, and take actual college classes and seminars in their junior and senior years. Our aim is to make history and other subjects come alive through the use of primary source documents, films, biographies, literature and creative teaching techniques. Supported by the Gilder Lehrman Institute, students gain first-hand knowledge of the key events in American history through trips to sites and cities of historic importance and through participation in special seminars with guest speakers. We also offer advanced coursework in mathematics, science, literature, foreign languages and the arts. In all of our endeavors, we seek to encourage in our students a love for learning and an inquisitive spirit.

**Program Highlights:** Honors, Lehman College courses in all subjects; required courses in American History and Research Methodology; Electives in Constitutional and Criminal Law, Film, Foreign Policy, Intellectual History, Ethics, European History, the Roaring Twenties, East Asian History, Architectural History and Drafting, Journalism, American and British Literature, Poetry, Drama, Logic, Combinatorics, Diagnosing Disease, Environmental Ethics, the Biosphere, Astronomy, Anatomy, Pathology and Forensic Science; courses for upperclassmen in French, Italian, Latin, Hebrew, Japanese, Russian and Spanish at Lehman College; participation in History Day Seminars and Junior Historians’ Forums

**Language Classes:** Spanish

**Advanced Placement Courses:** Calculus AB, Chemistry, English Language and Composition, English Literature and Composition, Spanish Language, United States History, World History

**Extracurricular Activities:** Student/Senior Government, National Honor Society (Arista), Spanish Honor Society, Key Club, Peer Tutoring, After-school Tutorials, School Newspaper, Speech, Math Team, Model United Nations, Moot Court, Mock Trial, Great Books, Debate, Dance Team, Band, Classic Film, Literary Magazine, Yearbook, Drama, Poetry, Anime, Glee, Fusion Dance **Clubs:** Astronomy, Asian Cultural Society, Chess, Dance, Environmental, Food, Arts and Crafts, Poetry, Tolkeinetics, Running, Soccer, Gay-Straight Alliance, Classic Film, World Cultures, Music, Journalism, Key

**PSAL Sports – Boys:** Baseball, Basketball, Cross Country, Outdoor Track, Tennis

**PSAL Sports – Girls:** Basketball, Cross Country, Outdoor Track, Softball, Tennis

**PSAL Sports – Co-ed:** Bowling

**School Sports:** Golf, Soccer, Tennis, Running

**Additional Information**

- Typical Freshman Schedule: 8:00 AM – 3:00 PM
- This is one of New York City’s eight (8) Specialized High Schools that requires the Specialized High Schools Admissions Test (SHSAT). ### Overview

The High School of Computers and Technology is a Career and Technical Education (CTE) school. We provide an environment where students prepare for a career in the computer industry as they are building a foundation to further their education in college or a post-secondary technical school. Mutual respect, understanding, value for community and a quest for knowledge serve as guiding principles for our students and staff. All instruction is interdisciplinary and hands-on, through project-based education. Students will be able to obtain certification(s) in specific fields while earning a Regents diploma.

Knowledge and Power Preparatory Academy International High School	Y32A	Humanities & Interdisciplinary	Limited Unscreened	9	81	371
				10	10	33

## Overview

Knowledge and Power Preparatory Academy (KAPPA) International High School, an International Baccalaureate World School (IB), offers the IB Diploma to all juniors and seniors. Scholars who earn the IB Diploma can receive up to two years of college credit. All scholars are required to complete a minimum of 150 hours of community service and write a 4,000 word senior research paper on a topic of their choice. KAPPA scholars, families and teachers jointly work hard to maintain our warm community and are committed to a challenging program, an internationally-minded education and inquiry-based learning. To complement our classroom learning, scholars travel internationally every year.

**Program Highlights:** All students are required to study four years of a foreign language (French, Spanish or Modern Greek) and an elective. Freshmen and sophomores are required to study music in addition to one writing elective, including Feminist Studies, Environmental Studies, Urban Studies, Religious Texts, Drama and Public Speaking and Journalism. Juniors and seniors study IB Economics, Psychology or Music. Advisory, daily Town Hall, Saturday Academy, College Now, International Travel

Leadership Institute	X06R	Humanities & Interdisciplinary	Limited Unscreened	9	81	197

### Overview

Leadership Institute is a small community-based high school founded by youth and educators at Sistas and Brothas United, the youth affiliate of the Northwest Bronx Community and Clergy Coalition. Through partnerships, the school trains youth to be leaders who take charge of their schools and communities. Yearly Community Action Projects give students the skills they need to take action in their communities. A focus on social justice helps students understand their rights in a fair, democratic society. We prepare students for the college and career of their choice through an excellent education.

**Program Highlights:** Community Action Projects, High School to College Preparation, Leadership/Advisory, Writer’s Workshop Lab, Youth Leadership

The Marie Curie High School for Medicine, Nursing & Allied Health Professions	X62X	Health Professions	Limited Unscreened	9	135	2048

## Overview

Our goal is to inspire students to learn as much as they can about health to prepare them for life experiences and future careers in health-related professions. Students will master skills in literacy, technology and community responsibility. Graduates will succeed as a result of advanced level courses in math, science, and our interdisciplinary health curriculum. Courses are infused with various themes, skills and contemporary issues prominent in the field of health. Students receive classroom visits from health care professionals and may take trips to observe them in the workplace. Our partnerships provide students with academic support, mentoring and extended learning opportunities.

**Program Highlights:** College Now, College Center, Advisory, Internships in local Bronx hospitals and other health-related settings, Distance Learning Opportunites, Health Career Awareness, Extended Day, Weekend Academies, Health certification in Cardio-Pulmonary Resuscitation (CPR), Emergency Medical Technician (EMT), and First Aid

Millennium Art Academy	X72A	Visual Art & Design	Limited Unscreened	9	108	860
				10	5	71
<b>Details:</b> The school is designed for students who love to create art or who may achieve better academically in an artistically-geared learning environment.						

## Overview

The Millennium Art Academy is a small, award-winning art and intergenerational high school. The school's exceptional visual art and intergenerational programs with the elderly help students to develop creatively, emotionally and intellectually. Students learn by doing, exploring, discovering, connecting, creating, discussing, debating, writing, revising and sharing. Faculty and visiting artists work together, along with our school's nurturing support team, to provide students with the tools needed to become confident, morally responsible adults. Emphasis is placed on teaching students to be accountable for their learning, choices and actions. Student Advisories and a staff that goes beyond the call of duty on a daily basis, assist greatly in this regard.

**Program Highlights:** Visual Arts: Drawing, Painting, Printmaking, Sculpture, Illustration, Mixed-media, Graphic and Digital Design, Cartooning, Anime, Photography, Documentary Film-making; Intergenerational Programs: Intergenerational Work Study Program (IWSP) and Millennium Pearl Initiative (MPI) where students work with the elderly weekly at the academy and at nursing homes & senior centers to write, design, illustrate and publish books about the lives of elders; College-Now, Gardening Project, Senior Seminar, Young Gerontologists Work Internship Program (to explore careers in gerontology)

Morris Academy for Collaborative Studies	X81X	Humanities & Interdisciplinary	Limited Unscreened	9	123	659

**Overview**

Our mission at the Morris Academy for Collaborative Studies is to involve all of our students in their own learning process so that they become self-motivated, creative problem solvers who can meet the challenges of college and the job market. We believe that the most effective way to provide our students with a meaningful education is through project-based learning, in which students work in groups on projects that are important and relevant to their lives. Students will engage in learning experiences that will challenge them to think creatively, push them to behave independently and motivate them to grow socially. Technology and the humanities will be infused across the curriculum.

## Overview

In our state-of-the-art building, our students realize success in academics and creativity. In partnership with Career Visions, students learn through creative projects and hands-on activities. They experience filmmaking and discover their talents on film or behind the camera and express themselves through our thriving visual art, dance and band programs. We offer individual attention, guidance and tutorial assistance in the content areas and Regents exams. We promote community involvement and activities, uniting staff, parents and community. We offer workshops for students, parents/guardians as well as guidance and assistance with referrals to agencies applicable to their needs.

**Program Highlights:** Elective courses in Drama, Art and Musical Instruments taught by industry professionals; Credit bearing after-school activities offered through our Community-Based Organization (CBO), Career Visions, including Hands-on Film Projects, Cheerleading, Dance, Band, Art, Drama and Photography. Student performances in student-created independent films, short documentaries and school-wide productions

## Overview

New World High School is centered around the language acquisition needs of all students in all subjects. Our school engages all students in acquiring and developing the skills necessary for success by infusing English as a Second Language (ESL) into all content areas of instruction. Technology is also infused throughout the curriculum to develop and reinforce concepts and skills. Our classes are small and our academic program is challenging, with the expectation that students will have a successful transition out of the ESL program in a timely manner and be able to graduate in four years. Students share their native cultures and languages and learn to become active citizens in their new country as they adapt to and flourish in the American culture and the use of the English language. Our staff works closely with students to ensure a successful progression not only in high school years, but as they continue their education or join the world of work.

**Program Highlights:** Advisory, Student Support Services, Career Interest and Self Assessment, College visits, SAT and Regents Preparation, Trips, Cultural Events, Internet After-school, Arts and Music Enrichment, Journalism, Opportunities to take college courses while in high school, Online courses, Academic competitions in Mathematics and Social Studies

**Language Classes:** Spanish, Spanish Native Language Arts

## Overview

Our mission is to use architecture and world studies to engage, inspire and educate so that students develop skills to succeed in college and beyond. Our students work in small groups, guided by skilled and caring teachers, to solve challenging problems. Each student is well-known by staff members and is assigned an advisor who works closely with students each week to monitor his/her progress. We celebrate successes and students are recognized by their accomplishments.

Peace and Diversity Academy	X84X	Humanities & Interdisciplinary	Limited Unscreened	9	81	110

**Details:** This program helps young people gain the requisite knowledge, skills and attitudes to develop intercultural understanding that will lead to non-violent approaches to problem solving, conflict resolution and decision-making for a peaceful world.

### Overview

Peace and Diversity Academy is a unique school, which in conjunction with the Anti-Defamation League, seeks to create leaders who have the requisite knowledge, skills and attitudes to build an increasingly just and democratic global society. We will do so by promoting excellence, developing critical thinkers and modeling an inclusive and democratic community which engages all families, educators and partners. Our school is committed to fostering anti-bias attitudes, inspiring social justice and peace activism, building student and teacher skills in active communication, conflict resolution, mediation, diplomacy and human rights leadership. Graduates of Peace and Diversity Academy will be leaders who build bridges of intercultural understanding across all levels of human diversity.

**Program Highlights:** Thematic Curriculum includes: Peace, Diversity, Cultural Identity, Cultural Awareness, Language and Communication, Bias, Anti-Bias, Discrimination, War, Human Rights, Prejudice, Anger Management, Conflict Resolution, Peer Leadership, Peer Mediation, Model United Nations, Community Assessment, Community Building, Social Action, Internships, Coaching/Mentoring, SAT Prep

## Overview

In collaboration with the Institute for Student Achievement, we stress multicultural curricula that integrate the arts into academic classes. Our school features longer class periods, small classes, Advisory classes, a family liaison and an exciting Extended Day Program. We use traditional as well as Portfolio Assessment in order to prepare students for Regents examinations. Preparation for college will begin in the first year with special counseling and trips to colleges. All students are prepared for higher education, careers and to assume their roles as citizens of our country and the world.

**Program Highlights:** Arts Integration Theme: Poetry, Drama, Photography, Painting and Drawing, The New York City Writing Project

## Overview

In collaboration with the College Board, this school is committed to assist students in mastering a challenging curriculum, guiding them to college entrance and preparing them for success. Through exposure to state-of-the-art instruction and support, in a respectful and welcoming environment, students will be inspired to set the highest academic standards and career goals for themselves. Our students will learn to think critically, to communicate effectively and to be open to new experiences and ideas. They will be trained to become lifelong learners who are receptive to a wide range of ideas and beliefs. In turn, a strong school community—families, teachers and staff equally committed to these high ideals—will support our students and provide a solid foundation for their success.

## Overview

Our school celebrated its first graduating class in 2009 with college acceptances which include Tulane University, Manhattan College and City and State Universities. In September 2005 Theatre Arts Production Company School (TAPCo) opened its high school doors as a college preparatory program with a small and personal environment. By integrating subject matter across disciplines, Theatre Arts classes become the vehicle for this connection. We work toward providing an opportunity for students to pursue training in the arts which will prepare them for further education and the world of work.

**Program Highlights:** College Now at Lehman College, College Readiness Classes, Acting, Directing, Drawing, Painting, Set Design, Sculpting, Computer Graphics, Filmmaking/Videography, Photography, Dance, Chorus, African Drumming, Guitar, After-school Programs for Sports and the Arts

## Overview

Our school's purpose is to create a powerful learning community that includes intellectual and personal fulfillment. We value diversity in who we are and what we do. Our focus encompasses the "whole person" as a learner. We aim to develop confident, independent thinkers who work to the best of their ability. We offer college courses during the day as part of our academic program for our Honors and Early College students through our partnership with Bronx Community College. Our students benefit from small classes, block scheduling, technology in the classroom, performance assessment and Advisory. College trips and specialized grade trips are part of our curriculum.

**Program Highlights:** Early College, College Now, Honors Classes, Family Group/Advisement, PM Classes, Power Writing, Living For the Young Family through Education (LYFE) Center, Robotics, Young Achievers, Executive Internship, Technology, Tech Leaders of Tomorrow, Peer Mentoring, Green Technology, Moth Project, Teen Battle Chef, Project Eats, Summer Search

## Overview

The Urban Assembly School for Applied Math and Science strives to develop and prepare all of our students to become compassionate, critical thinkers capable of successful pursuits after high school. We expect that all of our students will be prepared for college-level study and will be equipped with the skills to make solid career choices. We operate on the premise that critical thinkers, as they attempt to make sense of the world around them, are led quite naturally to mathematics and that applied mathematics can be a powerful unifying force in the school experience. The mathematical sciences are celebrated at this school.

**Program Highlights:** Mentoring, Workplace Internships, Careers in the Mathematical Sciences, the Mathematics of Social Justice; Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP)—a comprehensive 7-year college readiness program; SAT/ACT Test Preparation, College Counseling

Urban Assembly School for Wildlife Conservation	Y38A	Science & Math	Limited Unscreened	9	81	527

## Overview

The Urban Assembly School for Wildlife Conservation (UASWC) engages students in a challenging curriculum centered on Wildlife Conservation and cultivating life skills. We offer our students an advanced curriculum in the areas of math and science. Wildlife Conservation is integrated into core subject areas. The Bronx Zoo serves as our extended classroom and its scientists, educators and zookeepers serve as mentors and educators for our students. Extended Day activities are offered in robotics, outdoor adventures, art, science, math and English Language Arts (ELA). College awareness, college counseling and career planning begin in the 9th grade through affiliations with our partners.

**Program Highlights:** We offer an accelerated program. Students can graduate with an Advanced Regents Diploma. Students can pursue extra science courses through an additional Wildlife Conservation class.

**Language Classes:** Chinese (Mandarin)

## Overview

In September 1994, the New York City Department of Education, the Center for Collaborative Education and the Coalition of Essential Schools sponsored the first systemic effort to redesign a large high school in the Bronx. Wings Academy was one of five pioneering small schools resulting from that effort, founded on the premise of helping young people use their minds well. Our primary goal is to develop students' "habits of mind," which will encourage respect for lifelong learning, purposefulness and success.

**Program Highlights:** Double periods (90 minutes), Library, Art Studio, Dance Studio, Classes with our Partners, Senior Thesis, College Now, Jose Serrano Leadership Institute, Upward Bound

**Overview**

Focusing on developing critical thinkers and student leaders, we stress a curriculum of science, mathematics, and humanities that encourages students to explore, create, imagine and lead. Through our partnership with Johns Hopkins University's Talent Development High Schools, Abraham Lincoln High School offers a Small Learning Communities (SLC) model. Our SLC model features a block schedule in which teams of teachers meet with a guidance counselor to track each student's academic performance. Lincoln provides students with the individualized attention of a small school, as well as the assets, resources, and facilities of a large educational complex. For over 75 years, Abraham Lincoln High School has been a leader in New York City education. Our campus offers a state-of-the-art photography studio, two animal science labs, computer labs, spacious grounds and a pool. Our extensive elective course offerings, including Advanced Placement and College Now classes, empower our academic achievers to complete up to a year of college credit during their secondary studies. Lincoln is the school where gifted students have the opportunity to excel.

**Program Highlights:** The Institute for Professions in Science (IPS), The Gilder Lehrman Honors Institute for American Studies, Professional Photography, Pre-Veterinary Animal Science

## Overview

We are a small, innovative learning community with a highly collaborative approach to teaching and learning. We endeavor to make students part of a global response to preserving and sustaining our environment. With a curriculum grounded in the humanities and sciences, students are provided with opportunities to see the relevance of their education within their own lives as members of a global society. Every student is held to the highest standards, has consistent opportunities for intellectual engagement and becomes an active leader in the preservation of the earth and its peoples. We believe that active parental involvement is essential to the success of our school.

<b>Academy for Young Writers</b>	<b>L22A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	120	548

## Overview

We are a small learning community with the belief that excellent teaching, close relationships and high expectations lead students to college and careers. We are dedicated to creating a calm, respectful learning environment for students and their families. We work closely with families to ensure that all students learn to be positive members of our school community. Classes are student-centered and project-based, with a heavy focus on building skills in the following areas of communication: writing, presentation and self-expression through the arts. Participation in an Advisory program allows students to develop close relationships with peers and teachers, as well as promote personal growth. Advisory is also the place where college trips are initiated starting in the ninth grade. We seek parents and students who are interested in belonging to and shaping a close-knit school community.

**Program Highlights:** Advisory with Community Service trips six times a year, Writing in each class, Partnership with Student Press Initiative (students write and publish a book yearly); Creative Writing, Journalism, Art electives, Senior Internships, College Now

**Language Classes:** Spanish

<b>Urban Planning and Design</b>	<b>K52A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	113	312
				10	10	13
<b>Details:</b> Students take urban studies theme-based electives and participate in urban planning projects in regular subject area classes that incorporate art, technology, community development and civic engagement						

## Overview

The Academy of Urban Planning helps students use their leadership abilities to achieve academic success. We work to forge a lasting spirit of community where students, parents and guardians are welcome, teachers and staff work collaboratively and all are engaged as partners to provide an exemplary education for our students. We provide students with the academic and social tools they need to pursue goals by stimulating their interests in learning, discovery and self-expression. The urban planning, theme-based curriculum takes students out of the classroom and into their communities to develop skills that will move them toward higher education and careers, while at the same time tapping into their innate curiosity for the world around them.

**Program Highlights:** The Urban Planning theme is integrated into subject area classes through projects and specialized curriculum, including Advisory, English, Technology, Geometry and Architecture & Local History Projects; Theme-based electives emphasize technical skills: Urban Art, Urban Geography, Geographic Information Systems (GIS), Urban Ecology; Senior Seminar in Urban Planning (to identify and address local urban planning issues); Internships, Field Work

## Overview

ACORN Community High School (ACHS) is a small learning community that provides a challenging education fostering equality, respect and responsibility among our school community and the varied communities within New York City. Students are expected to behave in a friendly, businesslike manner and to treat all with courtesy and respect. Our vision is that our graduates will demonstrate a preparedness for a productive work life where they can integrate academic and applied knowledge and use this knowledge in practical ways. To succeed at ACHS and in the world of work, students should be resourceful, work well with others, understand technology, apply information and be responsible and honest.

**Program Highlights:** Science Strand: Physical and Medical Science (hands-on learning in a modern science lab); Technology Strand: Microsoft Operating Systems Certification, Web Design, E-Commerce, Advanced Regents Diploma and Certifications in various technology areas; Visual Arts, Debate, Honors Program; Authentic Teaching and Learning and Assessment of all Students (ATLAS)/Comprehensive School Reform (CSR), CREST Academy (an all boys Academy, supported by Medgar Evers College, for the development of young men into future leaders); Yearly: Portfolio Roundtables, Spring Drama Production, Career Fair, College Now, College Writing, College Summit, College Fair, Poetry Slam

## Overview

We are an innovative small high school that prepares students to be active citizens, lifelong independent learners, and confident, cooperative, creative thinkers. Our school is not just a place for visual artists, but for students who want to showcase their ideas to the world. Our focus on literacy, the arts and research will help students to think critically about their world and prepare them for future life challenges. Our students will participate in exciting hands-on learning through internships, community service and job-shadowing opportunities. Students will present portfolios using media technologies and will choose an area of academic interest to research in their junior and senior years.

**Program Highlights:** Advisory, Project Fairs, Film & Literature, Geometry in Art, Advanced Art, Music, Senior Legacy Art/Video/Media course, Financial Literacy, Pre-Calculus, College Now; Bimonthly Debate Series (focuses on articulating a point of view using evidence to improve speaking, writing and study skills)

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Council, Community Service, Cheerleading Tutoring, Portfolio Exploration, Creative Arts, College Prep **Clubs:** Photography, Digital Journalism, Film & Media Lab, Video Game Theory & Design, Book, Weekend Explorers

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** Intramural sports through the Winthrop Beacon program, North Brooklyn League Boys' Basketball

## Additional Information

- Typical Freshman Schedule: 9:15 AM – 3:30 PM
- Enrichment and tutoring are offered during the school day
- Every incoming 9th grader will create a website to edit and maintain over the next four years

**Overview**

Automotive High School offers students unique, top-rated technical, business, pre-engineering and challenging academic programs. Theme-based English classes, a growing music/theatre program and a broad PSAL sports program help create a rich and exciting high school experience. Students complete Regents Diploma requirements as well as industry certifications. Our partnerships provide co-op, apprenticeship and after-school employment opportunities. Automotive’s College and Career Center counsels students, beginning in 9th grade, as they begin to make career choices. Our Graduation Guardian program provides an additional level of support for each senior.

**Program Highlights:** Full 4-year programs in Automotive Technology, Auto Body Repair, Auto Business and Pre-Engineering. Students completing these programs earn industry certifications including National Automotive Technicians Education Foundation (NATEF)/Automotive Service Excellence (ASE) eligibility. Auto Business program includes Virtual Enterprise; English and Music elective sequences including full stage productions and special bands; multiple support programs including credit recovery, counseling and activities

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition, Statistics, United States History

**Extracurricular Activities:** Leadership and Community Service, Yearbook, Peer Mediation and Negotiation, Student-Faculty Athletics, Annual Field Day, School Trips, LEGO/Robotics Clubs and Competition Teams, Skills USA, Vocational Industrial Clubs of America (VICA), Council for Unity, School Newspaper, National Honor Society, Science Fair, Poetry Slams, Greater New York Automotive Dealers Association (GNYADA) Troubleshooting Teams, Chorus, Drumline, Band, Theatre and Acting **Clubs:** Photography, Book, Ping Pong, Chess, Movie, Reading, Stock Market Challenge, Cooking, Student Newspaper, Literary Magazine, Senior Yearbook, Robotics, Student Government, Key

**PSAL Sports – Boys:** Baseball, Basketball, Bowling, Cricket, Football & JV Football, Handball, Soccer, Volleyball, Wrestling

## Overview

We are "The Pride and Joy of Bed-Stuy!" With effective instruction, along with a welcoming learning environment, we are committed to developing young citizens who are prepared socially, technologically, and academically for the 21st century. We value respect, peace, integrity and the dignity and worth of each individual, and recognize our responsibility to provide a nurturing and caring environment. We believe children benefit when they establish meaningful relationships with adults. Our smaller learning communities are in alignment with our belief that children enjoy learning with curricula that are relevant, differentiated and speak directly to their interests.

<b>Brooklyn Academy of Global Finance</b>	<b>L57A</b>	Business	Limited Unscreened	9	108	261

### Overview

We provide students with an opportunity to explore the subject of business and finance around the world while preparing them for college and successful professional careers. Through the school's partnerships with the National Academy Foundation (NAF) and the Brooklyn Borough President's Office, students are offered a unique opportunity to learn about business through jobshadowing, guest speakers, projects, internships, competitions and trips. The students are supported through the four years by an Advisory program and a small, personal learning environment where all students are known well and given the tools for success.

**Program Highlights:** National Academy of Finance (NAF) provides industry-validated curriculum and includes job-shadowing, guest speakers from the business and finance industry, internships, career planning and college credit-bearing finance courses taken at the City University of New York (CUNY); Senior Project Advisory

**Language Classes:** Chinese (Mandarin), Spanish

**Advanced Placement Courses:** Calculus AB, Economics: Macro, Economics: Micro, World History

## Overview

Brooklyn Academy of Science and the Environment (BASE) is a small Brooklyn New Century High School. Our mission is to create an active learning community that addresses the needs of young people while embracing environmental science, environmental justice, urban ecology and science research. We use the resources of three campuses (Prospect Park, Brooklyn Botanic Garden and the physical plant of the school) to create a school that is engaging, academically challenging and personally meaningful to our students, their parents, faculty and administration, collaborating organizations and the wider community.

**Program Highlights:** Field Studies and Project-based Learning, Humanities Curriculum, Science and Social Science Research, Advisories, Internships, College Now

**Language Classes:** French, Spanish

**Advanced Placement Courses:** Biology, Chemistry, English Language and Composition

**Extracurricular Activities:** BASE Ambassadors, Peer Leaders, Model United Nations, Project Read, Junior Achievement, BASE After-school Learning Support Center, Regents Prep Classes, Saturday Classes and Tutoring, Learning Passport

### Overview

Brooklyn Collegiate: A College Board School is a community that consists of a diverse student and staff population. The staff is committed to assisting our students in mastering the challenging curriculum, guiding them to college entrance and preparing them for success. Our students learn to think critically, to communicate effectively and to be open to new experiences and ideas. They are trained to become lifelong learners who are receptive to a wide range of ideas and beliefs. In turn, a strong school community of families, teachers and staff, equally committed to these high ideals, supports our students and provides a solid foundation for their success. We accept students of all levels who are committed to working hard for success.

				10	10	36

## Overview

Our motto is "Academic, creative and professional preparation for the 21st century." We provide our students and families with a small, personalized high school experience. Student learning is applied to the real world through research, experimentation and project-oriented work. Their learning is then displayed in written, visual and oral exhibitions. Every student is also part of our Advisory-Family program, which investigates critical issues in teen lives and creates a strong peer community. In addition, our students receive intensive career and college preparation with an arts/media specialization via electives, trips and internships. They are required to complete an individualized graduation portfolio. Our goal is to help our students reach their potential and nurture their development through student-centered learning approaches, multiple supports and most importantly, strong relationships.

**Program Highlights:** Advisory-Family Program, Media Arts Specialization, College Now

Brooklyn Frontiers High School	L69A	Humanities & Interdisciplinary	Limited Unscreened	9	65	N/A

**Overview**

Brooklyn Frontiers High School serves entering ninth grade students who have fallen behind their peers by two or more years. We offer a personalized educational experience for students, recognizing the unique strengths and needs of each individual. The academic program is designed to challenge each learner and is implemented in a supportive environment that emphasizes the value of critical thinking skills, personal relationships and student self-advocacy. We are committed to ensuring that students stretch their goals beyond graduation and gain the skills and self-confidence to successfully transition to college and careers.

**Program Highlights:** Through our integrated partnership with Good Shepherd Services, we provide students with coaches who will help them create personalized academic plans and guide them through the process of achieving them. We take advantage of online courses and tools to address each student's academic needs and create opportunities for students to pursue their unique interests. Electives are project- based, allowing students to learn in real-world situations. All Brooklyn Frontiers students will participate in paid Learning to Work Internships that are designed to help them explore their interests and prepare for careers after high school graduation.

**Language Classes:** Multiple languages offered based on student interest

<b>Dance</b>	<b>K47L</b>	Performing Arts	Audition	9	62	244
				10	16	12
<p><b>Details:</b> Four years of technique classes in ballet, modern and jazz; two years of speciality classes in choreography, composition and pointe.</p> <p><b>Audition Information:</b> The audition consists largely of the participation of the applicants in a ballet and modern dance class in which an evaluation is made of their potential to succeed in the dance program. Applicants are expected to bring dance clothes (leotards, ballet shoes, and footless tights). A brief exam will be given to determine their level of dance knowledge.</p>						
<b>Vocal Music</b>	<b>K47M</b>	Performing Arts	Audition	9	62	278
				10	10	17
<p><b>Details:</b> Four years of intensive study of music theory, vocal production and performance. A repertoire that includes classical, jazz, gospel and folk.</p> <p><b>Audition Information:</b> Students will be asked to sing a prepared song, repeat intervals, musical phrases and rhythms. A brief written exam will also be given to determine their level of musical knowledge.</p>						
<b>Drama</b>	<b>K47R</b>	Performing Arts	Audition	9	50	223
<p><b>Details:</b> Students will have the opportunity to explore a vast spectrum theater work, including acting, voice and diction, movement, theater history, set design, directing and creating original work</p> <p><b>Audition Information:</b> Students will be asked to perform two 1-minute monologues from memory: one monologue from Shakespeare's "Romeo and Juliet" and one from a modern play of their choice. Students should also be prepared to engage in movement exercises by wearing comfortable clothing that allows for easy movement.</p>						

**2011-2012 Audition Dates**

Prospective students MUST audition to be considered. Please review audition requirements before you register through your guidance counselor.

Audition Groups	Date	Start Time	End Time
All Auditioning Students	Saturday, 11/12/11	9:00 AM	1:00 PM
All Auditioning Students	Sunday, 11/13/11	9:00 AM	1:00 PM
A-M (All Studios)	Saturday, 12/10/11	9:00 AM	12:00 PM
N-Z (All Studios)	Saturday, 12/10/11	1:00 PM	4:00 PM

Please have your Admissions Ticket with you at your audition. See your school guidance counselor for further details. For more information, call 718-855-2412 ext. 1330 or e-mail [dvecchiano@brooklynartshs.org](mailto:dvecchiano@brooklynartshs.org)

**Overview**

We help new learners of English develop language and academic skills necessary for success in college and careers through content-based English as a Second Language. Students and teachers work collaboratively on authentic, experiential, interdisciplinary projects which they present to their fellow students, their teachers, the larger school community and outside visitors. All students complete a twelve week career internship in a field in which they are interested. Students say that the internship experience is one of the best things about our school. We take pride in incorporating technology into every class. There is approximately one computer for every two students and we have an extensively equipped media arts lab where students create multi-media projects. We believe that our students' and families' native languages and cultures are an asset to our school and we are proud to learn from and about them.

**Program Highlights:** English and home language skill development, technology (computers in all classes), collaborative group work and interdisciplinary study, career internships (courts, law firms, museums, wildlife centers, hospitals, technology, newspapers, laboratories), Portfolio Assessment, College Now

**Language Classes:** French

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, National Honor Society, Peer Training, Model United Nations, Youth About Business, UNICEF, Computer Technology Squad, Yearbook, Robotics, Science Research, College Access, French for Native Speakers, Journalism, Drama, Dance, Art, Music, Video Production, Claymation, International Arts Exhibition, Digital Storytelling, Photography

**Overview**

We are a small learning community that believes all students can learn to design their lives, work in such a way as to build the dreams that are within them, be passionate life-long learners and more positively affect the world around them. We are committed to designing and building meaningful, challenging classes and projects that are framed by small class size, close relationships, and high expectations. Our students will be well-known throughout their time in our school and supported by our Advisory program. We believe that with the right supports, expectations and culture, all students can succeed.

**Program Highlights:** Individualized Learning Plans, Advisory, Internships, Community-based projects, After-School and Saturday Academy; College Mentors to 9th grade students, Student Press Initiative, Columbia University Research Program for Teachers and Students

<p><b>For Test:</b> Guidance counselors will provide each student with an Admissions Ticket indicating the date, location and time of the Specialized High Schools Admissions Test (SHSAT). This must be presented at the test site. If a change of day is required, the student must inform his/her guidance counselor.</p>						

### Overview

The Brooklyn Latin School offers a liberal arts curriculum with an emphasis on the classics and Latin language instruction. Students are required to complete four years of Latin, history, mathematics, English, science and at least two years of a World Language. In humanities classes, students participate in Socratic Seminars and declamation (public speaking exercises). Non-humanities classes feature labs, math interviews and other inquiry-based methods. Students can expect a strong emphasis on structured writing and public speaking, as well as an overarching practice of the kind of analytical thinking that will ensure that our students are prepared for the challenges of college and careers.

**Program Highlights:** The Brooklyn Latin School (TBLS) offers the prestigious International Baccalaureate (IB) Diploma Programme. In addition to challenging class work, IB stresses independent thinking and community engagement. All students are expected to complete an extended independent essay, on a subject of their choosing, the completion of which correlates closely to college-level research writing. In addition, students are required to engage in a total of 150 hours of Creativity, Action and Service (CAS), which may include volunteering or engaging meaningfully with the community outside of TBLS.

**Language Classes:** Latin, Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Peer Mediation, Praefects, Newspaper, Knowledge Bowl, Independent Science Research, Public Declamation, Certamen Team Dance, Drama, Visual Arts **Clubs:** Law, Medical, Global Awareness, Viajeros

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** Basketball

### Additional Information

- Typical Freshman Schedule: 8:00 AM – 2:30 PM
- Dress Code Required: white oxford shirt, school tie, khaki pants/skirt, black belt, black shoes
- This is one of New York City's eight (8) Specialized High Schools that requires the Specialized High Schools Admissions Test (SHSAT). For additional information and the 2011 test dates, see the front of this directory and obtain a copy of the "Specialized High Schools Student Handbook" from your guidance counselor.

#### Note

\*Each year, the number of seats available at each Specialized High School may increase or decrease based on school enrollment.

## Overview

Our mission is to ensure that all students acquire the knowledge, skills and habits of mind to succeed in a challenging college program and in the world of work, so that they may ultimately take responsibility for our world. Students learn by doing, through projects that engage their minds and imagination. We are a portfolio school. Students present and defend their best work at the end of each semester through a portfolio process. Our intensive biology and chemistry science program is organized around real-world themes and problems. Our math curriculum is designed around practical applications that test and expand student understanding of math concepts. Our art and graphic design program channels students' creativity and teaches them valuable computer skills. Working with the Student Press Initiative, students publish their own work in an elegant trade paperback they help design. In all classes, students use the arts and technology to show what they have learned. Through Advisory class, students explore career and college options.

**Program Highlights:** Intensive college and career planning beginning in the ninth grade through partnerships with College Summit, Junior Achievement, Digitas, Inc. and the Institute for Student Achievement. Electives for credit available in choral and instrumental music, newspaper and yearbook, studio art, computer graphic design and more. Students also take elective classes for credit at local colleges. Advisory, Community Service Projects, Internships, College Now, Drama, Poetry Jams, Peer Mediation, Peer Tutoring, Drumline

**Language Classes:** French, Spanish

**Advanced Placement Courses:** English Language and Composition, United States History

**Extracurricular Activities:** Student Government, Leadership Class, Peer Mediation, Peer Tutoring, Youth Court-94th Precinct, Drama, Dance, Art, Music Performance **Clubs:** Cheerleading, Newspaper, Chess, Yearbook, Step

**Overview**

The Brooklyn School for Global Studies (BSGS) is a small community where students of grades 6-12 will be recognized, accepted and challenged. Our Advisory program provides continuity and ongoing support for our students and is structured around the mission of our school. As a member of the Coalition of Essential Schools, we adhere to the principles of small class size, block scheduling, cooperative learning, project-based curriculum and performance-based assessment for graduation. Students take a core curriculum as freshmen and sophomores, while seniors are allowed to choose their courses.

**Program Highlights:** Performance and Project-based assessments, Socratic Seminar, SAT Preparation, College Bound, Reading and Writing Project, College Writing Mentorship, Brooklyn Memory Project, International Travel Exchange, Student-led Parent Conferences, Advisory, Resident College Adviser, Advancement Via Individual Determination (AVID), Working in Support of Education (WISE) Senior Internships, Brooklyn Community Access Television (BCAT), Manhattan Neighborhood Network Youth Channel, Facing History and Ourselves, Visual Arts, Theatre Arts, Instrumental Music (Band)

**Language Classes:** Spanish

**Advanced Placement Courses:** Calculus AB, English Literature and Composition

**Extracurricular Activities:** Student Government; Lesbian, Gay, Bisexual and Transgender Studies (LGBT) Alliance; Peer Mediation, Conflict Resolution, Yearbook, Peer Tutoring, Saturday Scholars, Academic Enrichment/Intervention and Tutoring, National Honor Society, National Junior Honor Society, African Drumming, Rap/Poetry Spoken Word, Poetry and Literary Magazine, Instrumental Music, Art **Clubs:** Chess, Science and Technology, Spoken Word/Poetry, Concert Band, Global Skate, Volleyball, Peer Mediation, Young Women Empowerment, Cheerleading, Science

**PSAL Sports – Boys:** Baseball, Basketball

**PSAL Sports – Girls:** Basketball, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Our school athletes join with students from School for International Studies to compete in the Public School Athletic League (PSAL). We also offer Rugby, Cheerleading and Skateboarding.

**Additional Information**

- Typical Freshman Schedule: 8:15 AM – 3:15 PM
- Uniform Required: navy blue or light gray BSGS polo shirt, khaki, beige or black pants/skirt, solid navy blue, black, dark brown or white sneakers/shoes/boots
- Our school requires an Academic Portfolio for graduation
- Internship Requirement
- Student Summer Orientation

<b>Mathematics &amp; Humanities</b>	<b>L68A</b>	Science & Math	Limited Unscreened	9	108	N/A

**Overview**

We use math to develop a framework for understanding the world around us and we use research to validate our theories about how the world works. Brooklyn School for Math and Research wants each of its graduates to make significant contributions to the world. To make that happen, we will provide our students with the support and training they need to master mathematics and research. Every graduate of the school will develop competence, confidence and critical thinking skills – tools that will drive their success in college, university and careers.

**Program Highlights:** First year students are programmed for three periods of mathematics, as well as an Advisory course. In addition to comprehensive coursework in mathematics, all students are expected to complete a final research paper by their senior year on a topic of their choice. This capstone project will be closely aligned to college-level research writing and supervised by the English Language Arts Department.

**Language Classes:** Language classes will be offered in the second year of the school

**Advanced Placement Courses:** As we expand, we expect to offer Calculus AB & Statistics

**Extracurricular Activities:** Student Government, Peer Mediation, Peer Tutoring  
**Clubs:** Chess, Math

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**Overview**

We have a challenging academic program that emphasizes working collaboratively in groups on interdisciplinary projects. Students at Brooklyn Secondary School for Collaborative Studies (BCS) learn at a pace that increases their academic and personal confidence while pushing students to be more and more independent with time. We explicitly teach the skills of cross-cultural competence, preparing our students to live and work in an increasingly global and integrated world. We emphasize self-assessment, lasting connections with students and adults and 21st century research and communication skills.

**Program Highlights:** Presentations and Groupwork, Crew Advisory, Band, Theater, Student Government, School-wide Recycling and Composting, Service Learning; Electives include Music, Video, Film, Fitness, Latin Dance, Volleyball, SAT Prep, Philosophy, Visual Arts, Independent Studies, Slam! Poetry; College Now, Portfolio Work, Visits to museums, colleges, work-sites and natural environments, Experiences with invited experts in fields related to students' studies

**Language Classes:** American Sign Language, Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Peer Mediation, Student Council, Added Value, Peer Tutoring, Student Mentors, Service Learning, Community Service Learning as Classroom Helpers in Elementary School, After-school Homework Help, After-school Computer Lab, Independent Studies based on student interest, Art Portfolio, Photography Dark Room and Digital Photography, Instrumental Music and Band, Digital Music, Art Studio, Digital Video, Theater, Annual Arts Shows (school has gallery space), Dance, Spoken Word, Storytelling, Graphic Design  
**Clubs:** Students and teachers work cooperatively to develop clubs that meet student interests; current clubs include: Film, Track, Volleyball, Gay-Straight Alliance, Stoked Board Sports, Percussion

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** Stoked Board Sports After-school Program, Girls Volleyball, Yoga

**Additional Information**

- Typical Freshman Schedule: 8:45 AM – 3:30 PM
- Internship Requirement
- Community Service Requirement
- Our school requires an Academic Portfolio for graduation (students must write and present four in-depth performance-based assessment papers)
- Our freshmen are required to take part in a 4-5 day Outward Bound leadership development camping trip that is physically and intellectually demanding

**Overview**

Our school is based on the belief that all students are strategic learners. The teachers and staff at the school work tirelessly to provide a challenging academic program that offers individualized learning. Therefore, students learn the skills to be independent learners. In many classes, students will have more than one teacher in the class to assist and empower them in their educational growth and development. Although we are a small school, we offer a wide array of electives, Advanced Placement Courses and independent learning experiences.

**Program Highlights:** Computer Programming, Film/Video Making, Website Design, Digital Photography, Concert Band, Dance, Social Sciences, Advisory

**Language Classes:** Italian, Spanish

**Advanced Placement Courses:** English Literature and Composition, Psychology, United States History

**Extracurricular Activities:** Student Government, Arista, Literary Magazine, School Newspaper, Yearbook Committee, Concert Band, Jazz Band

**Overview**

The study of theatre offers students opportunities for creative expression, collaboration and self-awareness. Our mission is to use the power and engagement of theatre arts to ensure that every student succeeds. We are a small school with a challenging curriculum, and are committed to the academic achievement and personal growth of all students. Our students work with teams of teachers and teaching artists from Vital Theatre Company in classes and special theatre arts electives. Extended class periods allow students to explore core subjects, transforming what they learn into projects and performances. Student work is shared at school, in the community, and on Vital’s Off-Broadway stage. Adults and students form strong bonds through our active, small-group settings, which ensure that students are supported and know where they can turn for help. Our goal is to challenge and support students to reach their potential.

**Program Highlights:** Theatre Arts electives; performance slams and dinner theatres (students share their work in a fostering environment), Radio Rootz (turns students into spoken-word journalists), African American Music, small-group Advisories, college preparation, student government, possibility for Theatre Arts Endorsed Diploma

**Language Classes:** French

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Small Group Tutoring in Math and Literacy, Extended Day Tutoring, Afternoon Enrichment Classes, Internships at Vital Theatre Company and other New York City Theatre Companies, Field Trips to Broadway and Off-Broadway **Clubs:** After-school Drama

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Bowling, Cross Country, Fencing, Football & JV Football, Golf, Handball, Indoor Track, Lacrosse, Outdoor Track, Soccer, Tennis, Volleyball, Wrestling

**PSAL Sports – Girls:** Basketball & JV Basketball, Bowling, Cross Country, Fencing, Gymnastics, Indoor Track, Outdoor Track, Soccer, Softball & JV Softball, Tennis, Volleyball & JV Volleyball

**Overview**

Bushwick Leaders High School for Academic Excellence is a collaboration between East Brooklyn Congregations, the Department of Education and community educators and leaders. Its mission is to provide a quality education to students in the Bushwick community by building relationships among parents, teachers and students in a nurturing learning environment where students learn by doing. Students are offered an opportunity for career exploration through community service, college trips, a corporate mentoring program and an integrated arts program. With a focus on a challenging academic curriculum, all students are prepared for work and college. As a result of our programming, students receive maximum instructional time as well as the opportunity for extra help in all subject areas.

**Overview**

We are a CTE Early College school that prepares students for college and professional careers. Our trimester schedule allows students to earn credits faster and fulfill graduation requirements in three years. Students take courses developed and co-taught by college professors at City University of New York's (CUNY) New York City College of Technology (City Tech): Integrated Projects; Art & Architecture; Math Applications in Engineering, Architecture & Technology. In their final year, students may work at paid internships and earn two college credits at City Tech. Upon graduating, our students are offered the unique opportunity to attend City Tech for two years at reduced tuition to earn an associate's degree.

**Program Highlights:** National Academy Foundation's (NAF) Academy of Engineering and Academy of Information Technology; New York City College of Technology courses and college instructors in high school courses; online foreign language instruction, paid industry internships, volunteer community service projects

**Language Classes:** Chinese (Mandarin), French, German, Latin, Spanish

<b>Cypress Hills Collegiate Preparatory School</b>	<b>L56A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	108	356

## Overview

Our school offers students an intellectually challenging curriculum focused on Latin American and Caribbean studies, college and career preparation and community activism. Our classes emphasize college-level writing and analytical skills, as well as cultural awareness and celebration, which is integrated into the entire curriculum. We partner with Sarah Lawrence College to provide writing workshops. Our school was co-founded by Cypress Hills Local Development Corporation (CHLDC), a community-based organization. CHLDC provides opportunities for all students to be involved in the community and complete community service projects focused on critically analyzing impacting community issues.

**Program Highlights:** Community Activism, Service Activities, Advisory, College level curriculum beginning in the ninth grade, College credit available in Algebra and Trigonometry, Pre-Calculus, Critical Thinking and Propaganda from LaGuardia Community College (CUNY)

**Language Classes:** American Sign Language, Spanish

## Overview

Our educational philosophy is based upon the growth of kindness, caring, curiosity and critical thinking that is needed for achievement in higher education, professional success and personal fulfillment. 90-minute periods, average class sizes of 21 students and a dedicated group of teachers create a learning experience that motivates and challenges our students to do their best. We offer an accelerated Regents program that provides students the opportunity to complete all required Regents exams by the end of sophomore year. Many of our students choose to complete Advanced Regents Diplomas, advanced coursework and examinations that better prepare them for a college education upon graduation.

**Program Highlights:** Saturday Academy and PM School provide students with test prep, tutorial, credit recovery and programs in art, instrumental music, chorus, stepping, drama; College Now

**Language Classes:** French, Spanish

**Advanced Placement Courses:** English Language and Composition, English Literature and Composition, Government and Politics: Comparative

<b>Graduation Rate</b>	73.5%	77.7%

## Overview

Edward R. Murrow High School is a non-traditional educational environment. We take pride in the wide variety of courses that we offer our students. Our 4-cycle system challenges and empowers students in a fast-paced setting. During OPTAS (optional time activity), students have the flexibility and freedom to choose how to use their free time, including socializing or studying in designated areas. This sets Murrow apart from most comprehensive high school settings. Although students seeking a more traditionally structured environment may not flourish here, we provide a unique and excellent opportunity for students who are self-directed and self-motivated.

**Program Highlights:** Science Research (MSTAR Program), Math Seminar, Murrow Med Program, Journalism, Film Review, Psychology and Literature, Shakespeare, Law, Mock Trial, Holocaust/African/Latin Literature, History of New York City, Astronomy, Forensics, Marine Science, Statistics, Accounting, PowerPoint, Web Design, Business Law, Film Production, Photography, Digital Photography, Technical Theatre, Ceramics, Sculpture, Architectural Design, Fashion Design, Stage Construction and Design/Lighting/Costuming, Play Production, Jazz/Concert/Symphonic/Ensemble Bands, Gospel/Mixed/Women's Choruses, Madrigal Choir, Piano, Guitar, Percussion, Virtual Enterprise, Part-time Co-op, College Now

**Language Classes:** Chinese, French, Italian, Russian, Spanish

<b>El Puente Academy for Peace and Justice</b>	<b>K75A</b>	Humanities & Interdisciplinary	Ed. Opt.	9	55	460
<b>Details:</b> Theme-based, project-focused curriculum including leadership classes, integrated arts, SAT, college and Regents prep, portfolio assessment						

### Overview

We are a small, innovative learning community that promotes academic excellence for all students while inspiring and nurturing leadership for peace and justice. Our state-of-the-art facility allows for a creative and intellectually challenging environment where every student thrives. Our project-based curriculum is designed to prepare students to be active citizens and independent thinkers who share a passion for transforming their communities and the world into a better place. Our trimester system allows students to complete most of their high school credits by the 11th grade, opening opportunities for exciting internships and college courses during the school day in their senior year.

**Program Highlights:** Accelerated credit accumulation (up to 18 credits per year), College Now, College Prep, Internships, Community-based Projects, Portfolio Assessment, Integrated-Arts Projects, Before- and After-school Tutoring; Electives: Drama, Dance (Men's and Women's Groups), Debate Team partnership with Tufts University

<b>Expeditionary Learning School for Community Learners</b>	<b>L34A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	81	154
<b>Details:</b> Interdisciplinary college and career preparatory program using hands-on project-based learning to develop leadership and scholarship						

**Overview**

We are a small school with an emphasis on creating effective leaders in our communities while providing a challenging academic program. Through hands-on learning in the classroom and throughout New York City's diverse neighborhoods, our students participate in solving real-world problems. Our students have the unique opportunity to experience a 5-day Outward Bound wilderness course and bring what they learn outside of the classroom back as they become leaders for themselves, to their families and to their communities.

**Program Highlights:** Crew Advisory (a group of 12-15 students who work with a staff member to receive guidance, develop leadership and build community); 5 Day Overnight Outward Bound wilderness course; Intensive week-long elective courses that explore specific areas of interest such as "Music of the World," "Testing the Limits of the Human Body," "Global Warming" or "Economics of Chocolate;" Internships, Community Service, Portfolio Assessment; Real-world, Hands-on Projects, Youth-led Urban Agriculture Program, College Now (Kingsborough Community College), Online Honors Courses (Northwestern University Gifted Learning Links)

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Community Service, Judiciary, Peer Mentors, Robotics, Poetry, Journalism, Model United Nations, National Honor Society Fine Art, Photography, Web Design **Clubs:** Chess, Yearbook, Urban Agriculture, Natural Cooking; others based on student interest

<b>FDNY High School for Fire and Life Safety</b>	<b>K62X</b>	Humanities & Interdisciplinary	Limited Unscreened	9	108	567

**Overview**

FDNY High School works in collaboration with the New York City Fire Department to offer an exceptional educational institution while introducing the occupational benefits of the Fire Services and Emergency Medical Services (EMS). Upon passing the New York State EMS Certification Exam in the twelfth grade, our students may have the opportunity to roll into a full-time position with the NYC Fire Department. In addition, all students will be prepared to pursue a post-secondary education as they enter their young adult life. Our students will study courses dealing with biology, life saving skills, human anatomy, fire science, extinguishing agents and their chemical make-up and official procedures for becoming a NYC Firefighter. They will also understand the benefits of a civil service career.

**Program Highlights:** Emergency Medical Technician (EMT) Certification, College Now, Collegiate Program, Firematics (chemistry-based course relating to fire science and fire safety), Firefighter 101, CPR/First Responder, Graphic Arts & Technology

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition

### Overview

We prepare all of our students for career and college experiences as well as leadership opportunities at school and in their communities with the belief that all students, with effort, can achieve. Through the effective implementation of multicultural liberal arts, leadership and social justice curricula in a small school setting, our students demonstrate academic success. They participate in Advisory, team sports and expeditionary learning experiences as we work to address the development of the whole child academically and emotionally.

**Program Highlights:** Leadership, Service Learning, Social Justice

**Overview**

As part of the Big Picture School Network, our school centers on students' interests and passions. An Advisory group, or a small learning community, is led by a teacher advisor who works to identify students' interests and personalize their learning needs and goals. Each student participates in an internship and learns in a real-world setting with an internship mentor. Students earn credits for graduation by attending classes, completing projects through internships and online learning. Students prepare for New York State Regents exams through testing workshops.

**Program Highlights:** Internships, Mentors, Small Advisory Classes, Project-based Learning, Multi-Disciplinary Instruction, Online Differentiated Courses

**Language Classes:** French, Spanish

**Advanced Placement Courses:** English Language and Composition, French Language, Government and Politics: Comparative, Spanish Language

<b>Frederick Douglass Academy IV Secondary School</b>	<b>K33R</b>	Humanities & Interdisciplinary	Limited Unscreened	9	81	466

**Overview**

The Frederick Douglass Academy IV (FDA IV) Secondary School is a place of scholarship. Our students are considered scholars. We create an atmosphere of order, civility, maturity and seriousness of purpose. A set of core rules referred to as the “twelve non-negotiables” establish and maintain this environment. Scholars at the Frederick Douglas Academy IV Secondary School are instilled with a Scholar’s Creed, adapted from the Morehouse College Students’ Creed, that reinforces the school’s cohesive culture, underscores its high expectations and builds the scholars’ sense of pride in their school and themselves.

## Overview

Frederick Douglass Academy VII High School (FDA VII) is built on Dr. Lorraine Monroe's vision of academic and personal excellence for all students. The emphasis on college preparation is supported by a challenging academic program and cultural enrichment. A set of core rules visible at every Frederick Douglass Academy signals the seriousness of purpose for the school, its students and teachers. All students must adhere to a code of student conduct, the Scholar's Creed, and a strict uniform code.

<b>High School for Civil Rights</b>	<b>K63X</b>	Law & Government	Limited Unscreened	9	108	394
				10	10	25

**Details:** The High School for Civil Rights is a dynamic institution dedicated to providing high-quality educational programs as well as emphasis in issues relating to civil rights awareness. We have a court room available for mock trials and law related classes.

### Overview

At our school students will be empowered to exercise their civil liberties and become active in their own community. Our school will develop young people who are aware of historical and current civil rights issues that affect them and their communities and will offer opportunities to become engaged in community activism. The Career Law Explorers program will provide students with the opportunity to explore the field of law by working with attorneys, attending field trips to the courts, law firms and other law-related agencies. Students may also become involved in our Leadership Club, where they will follow a curriculum developed by the American Civil Rights Education Services (ACRES) that teaches students the direct relationship between their community and themselves. There is an emphasis on civic responsibility and understanding public policy throughout this course.

**Program Highlights:** Advisory Classes, Civil Rights Class, Career Law Explorers, Mock Trial, Competitions, Tutoring, Youth and Government, Homework Enrichment, Search Institute, Technology, Collegiate

## Overview

We are located in Williamsburg, Brooklyn. Our school's partnerships with colleges, corporations and community organizations provide students with many opportunities to work in business settings. We prepare all students to participate fully in the complex world they will enter upon graduation. School service, community service projects and internship requirements help our students hone the skills they need to achieve excellence. We utilize a project-oriented, student-centered approach, which focuses on helping students create and reach their own goals. Using a hands-on approach, students learn to analyze information, research issues and solve problems as productive members of society.

## Overview

Our school enables students to develop academic and social skills necessary to be productive contributors to society. We offer a small and dynamic learning environment with many service learning opportunities, a major component of our school and student life. Our mission to perform community service is visible in our school and throughout the local neighborhoods. Students graduate with a resume of impressive credentials and experiences. They are encouraged to strive for excellence through challenging course work, medical and legal job internships and hands-on community service experiences. We create the perfect recipe for success so that students are prepared for college and careers.

### Overview

The High School for Youth and Community Development at Erasmus (YCD) is committed to providing arts and media-based programs with a focus on new media technologies. Our goal is to expand our college readiness programs so that more students have increased real-world opportunities for post secondary education and job training. We support college readiness through our partnerships with College Summit, STARR Inc., Brooklyn College and our Advanced Placement courses. Our school emphasizes performance- and project-based teaching and learning, which will result in a web-based portfolio for each student over the course of their high school experience at YCD.

**Program Highlights:** Performance-based Music Program, Chorus and Vocal Pedagogy, Music Production, Music/Video Workshop, Theater Production, Acting, Film Production, Digital Photography, Graphic Arts & Web Design, College Summit

**Overview**

Our small size, teaching staff and our strong belief in parental participation create a thriving educational atmosphere. We believe that all students should take the most challenging courses possible, because the best preparation for post-secondary education is four years of challenging work in high school. Our school's name is somewhat misleading; we certainly believe that the ability to use the tools of telecommunication is essential for all of our students, but that is not the focus of the education that we offer. Our goal is simple: to produce students who will be successful in college and the world of work. Everything else we do is secondary to that goal.

**Program Highlights:** 9th and 10th Grade Small Learning Communities, Honors Classes, Contemporary World Issues, Forensic Science, Play Production, PSAT/SAT Prep, Law, Debate, Web Design, Children's Literature, Multicultural Literature, Psychology, Journalism, Anatomy, Film History, Yearbook, Chorus, Drawing, Advanced Drawing, Photography, Dance, College Now, Graphic Design, Java Script

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Chemistry, English Language and Composition, Physics B, Spanish Language, Statistics, United States History, World History

**Extracurricular Activities:** Student Government Organization, Blueprint Leadership Training, Japanese Language, Lincoln-Douglas Debate Society, Mock Trial Team, Arista National Honor Society, Student Government Organization, Model United Nations, The sTATement (school newspaper), Chorus, Creative Writing, Drama, Photography, Dance **Clubs:** Anime, Art, Chess, Gay-Straight Alliance, Italian, Key, Red Cross

## Overview

We offer an innovative form of education that empowers students to make decisions. At the core is our Extended Day program which includes Independent Study time and Resource Centers where teachers work with students for enrichment or remediation. Students receive the individualized attention found in a small school within the setting of a comprehensive high school. Our 9th grade Learning Academies feature a block schedule and begin to prepare students for Career Pathways and College Readiness programs in the school. We provide cyclical programming (4 cycles) allowing students to partake in a variety of electives and program course offerings.

**Program Highlights:** Computer Science Institute, Medical & Health Professions, Academy of Finance, For Inspiration and Recognition of Science and Technology (FIRST) Robotics, Forensics, Marine Science, Space Science Academy, HyperText Market Language (HTML) Web Design, Computer Graphic Design, Fashion Design, Theater & Broadway, Photography & Visual Arts, Ceramics, Sculpture, College Now, Culinary ACE Cafe, Saturday & After-school English Language Learners (ELL) Academy

**Language Classes:** Chinese, French, Russian, Spanish

**Overview**

The Kingsborough Early College School (KECS) is a small, personal school where all students may have the opportunity to earn a tuition-free Associates Degree from Kingsborough Community College (KCC) during their time in secondary school. We offer instructional supports, small class size and access to the KCC campus as early as 6th grade. To promote higher order thinking, students learn through inquiry, enrichment and a challenging academic program. Our focus on youth development fosters confidence and self advocacy resulting in students becoming successful adults, prepared to continue their studies.

## Overview

The Kurt Hahn Expeditionary Learning School provides a challenging project-based academic curriculum in a supportive environment and prepares students to be our next generation of informed, skilled and courageous leaders. Students engage in a wide range of real-world experiences through a 5-day Outward Bound adventure course, frequent out-of-school fieldwork opportunities in academic classes, public sharing of portfolio work and Crew, a community-based leadership class. Intensive “Explore Week” courses throughout the year introduce students to college and career opportunities. Students, families and staff are committed to academic achievement, leadership development and public service.

**Program Highlights:** Crew Advisory (students and academic advisor work collaboratively on leadership development curriculum), Student-led Conferences, Online grade system (weekly student assessment and progress available to students and families), College courses, Digital Media and Film (through Outward Bound adventure courses), Trimester schedule, between-term intensive courses, Service Learning, Internships

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Crew Council, Student Government, Student Activities Committee, Peer Tutoring, Peer Mediation, Girls Empowerment Group, Boys Leadership Group, Kurt Hahn Radio, Kurt Hahn TV, Kurt Hahn Chronicle (Newspaper), Debate Team, Digital Video Production **Clubs:** Rock Climbing, Outdoor Adventure, Opening Act Drama

**Overview**

Lyons Community School provides a broad, stimulating experience in the liberal arts, preparing students for college, healthy adulthood, and life-long learning. Our Field Studies program integrates weekly field trips for all students into a challenging Regents-based curriculum. Students have regular conferences with their faculty advisor in order to discuss academic goals and progress. A wide array of elective classes allows students to pursue their individual academic interests and goals. Courses taught by visiting artists and a solid physical wellness program (including sports, fitness and dance) support our mission of building "mens sana in corpore sano" – a sound mind in a sound body.

**Program Highlights:** Field Study Trips throughout New York City, Elective Classes, Arts, Dance, Advisory

	2008-2009	2009-2010
<b>Progress Report</b>	A	B
<b>Quality Review</b>	P	N/A
<b>Graduation Rate</b>	95.0%	94.8%

## Overview

Students are immersed in academically challenging study with requirements that include four years each of English/language arts, mathematics, science, technology and three years of second language courses. Students must also complete at least one Advanced Placement course in each of the following disciplines: English/language arts, mathematics, science and the social sciences. Additionally, students are expected to sit for the College Board examinations related to each Advanced Placement course taken. Enrollment in credit bearing college courses and research internships at Medgar Evers College, City University of New York begins in the 10th grade and students may earn up to 11 college credits each semester, beginning in the 11th grade. Student creativity, character development and social responsibility are cultivated through individualized guidance and college advisement, athletics, clubs, fine and performing arts events, community service and mentorships.

**Program Highlights:** Technology, EXCEL/Honors, Science Research, Leadership Academy, Pre-Med Mentoring, Dual Enrollment Program, College Now, Robotics

**Overview**

Midwood High School celebrates a long tradition of academic excellence. Our school consists of three institutes. Placement in our Medical Science and Humanities Institutes is highly competitive and dependent upon strong academic performance. The Liberal Arts & Science Institute serves students who reside in the geographical catchment area. Students in this program choose among four main areas of study: Law/Leadership/Community Service, Pre-engineering/Technology, Performing Arts and Communication/Media Arts. These programs are supported through our courtroom, robotics lab, drama classrooms and television studio. We encourage our students to grow in mind and body and to serve the community.

**Program Highlights:** Gifted and Talented Honors Program in Medical Science and Humanities, Research Program in the Natural and Social Sciences, Instrumental and Vocal Music, College Now

**Language Classes:** French, Italian, Latin, Spanish

**Overview**

The mission of Millennium Brooklyn is to create a challenging academic program based on literacy infusion, the development of critical thinking skills and project-based learning. We aim to prepare graduates for a college of choice and post-secondary options, empowering students through the setting and reaching of goals. The school's partnerships play a strong role in both in-school and after-school components of the school day and in all aspects of school life. Partners are involved in curriculum development, extended day program, parent support and outreach. Partnership involvement facilitates a community-centered environment and provides a range of learning experiences across a variety of contexts and settings.

**Program Highlights:** Advisory and Exploration: Peer group, team building activities and group discussion, executive functioning, organization skills building and academic check-in, research and writing skills, networking/application of skills in the field/modes of research/offsite learning; College Preparation.; Autism Spectrum Disorder (ASD) Nest Program

**Overview**

Our school is dedicated to help English Language Learners (ELL) and students with special needs develop their English proficiency. We believe that mastery of the English language is essential to be prepared for college and work. Students are offered additional training in English as a Second Language (ESL), technology and other subjects during our extended day program and on Saturdays. Classes are designed to prepare students to meet graduation requirements and the challenges of college and career. Supportive teachers will assist students to develop their academic potential and become well-rounded individuals who will be productive members of society. Newcomers are welcome!

**Program Highlights:** ESL, Technology, Advisory, Homework Center; After-school, zero-period and Saturday Academy offering remediation, Junior Reserve Officers' Training Corps (JROTC)

- Standardized Test Scores: Math Level(s) 2-4, English Language Arts Level(s) 2-4
- Review of Attendance & Punctuality
- Please note: admission to this program is also based on the Admissions Priorities listed above.

## Overview

We are a small school in Park Slope, grades 6-12, that prepares students for college and careers upon graduation. We expect and encourage students to explore and research topics across all academic disciplines rather than specializing in a particular subject. We strive to be a community of creative people who are eager to question and learn. Four to six times a year, our students work independently and in groups to investigate original questions in English, History, Science or Mathematics. Students build on what they know by comparing different sources and opinions and then presenting their new learning to our school community.

**Program Highlights:** Four years of Science and Mathematics required; Junior and Senior course offerings include Physics, Marine Biology, Computer Programming, Calculus, Brooklyn History, Guitar Ensemble, Spanish Film, College Advisory; Advancement Via Individual Determination (AVID) starting in freshman year

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Brooklyn Student Advisory Council, High School - Middle School Student Mentoring, Homework Help, LEGO Robotics, Poetry Slam, SAT Prep, Spelling Bee, Dance, Digital Photography & Graphic Design, Drawing, Film **Clubs:** Yearbook, Newspaper, Step, Dance, Studio Art, Campus Community, Student Mentoring, Math, Student Government

**PSAL Sports – Boys:** Basketball & JV Basketball

**PSAL Sports – Girls:** Basketball, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Basketball, Soccer

<b>Pathways in Technology Early College High School</b>	<b>L67A</b>	Computer Science & Technology	Limited Unscreened	9	108	N/A

**Overview**

At Pathways in Technology Early College High School (P-TECH), students drawn to future careers in information technology (IT), computers, engineering, math and science receive individualized support in preparing for and securing an entry-level position in the highly competitive IT industry. As a founding partner of the school, IBM (and other corporations) will provide all students with internship and training opportunities exposing them to real-world technology careers. In addition, P-TECH students are able to earn an Associate’s degree or up to two years of college credit from CUNY’s New York City College of Technology – at no cost – while still in high school. P-TECH students will graduate job-ready and will also be prepared to continue their studies at that school or another four year college.

**Program Highlights:** Internships, Mentorship Program, Early College Experience, Courses in Computer Systems and Information Technology, Small Advisory groups led by a faculty mentor; Science, Technology, Engineering and Mathematics (STEM), Academic and Career Planning starting in the 9th grade, Saturday Academy featuring PSAT/SAT prep and project-based STEM workshops

<b>Performing Arts and Technology High School</b>	<b>K61X</b>	Performing Arts	Limited Unscreened	9	108	756

**Overview**

We provide students who are passionate about the performing arts (Dance, Vocal Music or Drama), arts-related technology (Audio/Video production or Multimedia Arts) with the ability to receive high level training in the Arts within the context of a comprehensive, college preparatory high school education. Through strong partnerships with the professional performing arts community, institutions of higher learning and other community-based organizations, we are able to provide our students with the opportunity to participate in internships or college-level study. We value collaboration and challenging inquiry-based work to develop leadership capacity in all members of our school community.

**Program Highlights:** 1st Year: Intro to the Performing Arts & Arts Technology: formal introduction to Arts (Dance, Drama, Vocal Music & Arts Tech in 10 week cycles; students select a major at the end of the school year); 2nd Year: Intro to Dance, Drama, Vocal Music or Arts Tech depending on major selected; 3rd Year: Intermediate Dance, Drama, Vocal Music or Arts Tech (development of craft and refining technique); 4th Year: Advanced Dance, Drama, Vocal Music or Arts Tech (development of professional portfolios); SAT Prep, Test/College Prep, Percussion

**Overview**

Our lead partner, PROGRESS, Inc. (Puerto Rican Organization for Growth, Research, Education and Self Sufficiency), and its entire staff share an unshakeable belief that all children can learn and an unwavering commitment to make it happen. Students who come to PROGRESS High School for Professional Careers have a primary interest in pre-med, teaching and business programs. The academic program integrates the theme of careers into its curriculum in each grade level. Freshmen are introduced to business and careers (exploratory sequence) in our comprehensive business program. During the sophomore year, students focus on Regents-based classes. In the eleventh grade, students are able to take classes in pre-med and pre-teaching. Senior year emphasizes honors, Advanced Placement and various career related internships. We are proud to be a member of the Grand Street Educational Campus.

**Program Highlights:** Teaching Professions Institute Collaborative, Comprehensive Business Program and Technology Institute leading to a Cisco Certification

**Language Classes:** Spanish

### Overview

The School for Democracy and Leadership is a 6th-12th grade school that will cultivate strong leaders and learners in our world. Our students will have exciting opportunities for internships, mentorships, college exploration and student governance, supported by various partnerships. We emphasize student choice, parent and community participation and the development of personal potential through student government. At Town Hall meetings and Change Projects, students work toward transforming a part of their community. Our students will take what they learn at School for Democracy and Leadership far beyond its halls – to college, their communities, the city and their future careers. They will be a positive force in the world, capable of influencing change and contributing constructively to democracy in our society.

## Overview

Our small school setting with a diverse student body offers a challenging academic program that emphasizes cultural awareness across the disciplines. We are a community of enthusiastic educators with tight-knit grade level and department teaching teams. Our small class size (usually 22-25 students) helps students master their coursework. They graduate as socially conscious leaders, equipped with intellectual tools, academic and critical thinking skills necessary to make meaningful change in today's dynamic, interdependent world. Our full-time college advisor and our guidance counselors assist all students in planning for college and the world of work.

**Program Highlights:** Senior Internships, Visual Arts, Culinary Arts, Drama, Instrumental Music, Computer Assisted Design, Journalism/School Newspaper, Creative Writing/Literary Magazine, SAT Prep for 11th & 12th graders, Saturday Scholars Regents Prep

**Language Classes:** Arabic, French, Spanish

**Advanced Placement Courses:** Calculus AB, English Language and Composition

**Extracurricular Activities:** Global Kids, Peer to Peer Tutoring, Small Group Tutoring, National Junior Honor Society, National Honor Society, Yearbook, Newspaper, Literary Magazine, Open Art Studio, Instrumental Music, Culinary Arts **Clubs:** Chess, Investing, Drama, Horticulture/Gardening, Hip-Hop Dance, Cheerleading, "Green," Principal's Book

**PSAL Sports – Boys:** Baseball, Basketball

**PSAL Sports – Girls:** Basketball, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Our school athletes join with students from Brooklyn School for Global Studies to compete in the Public Schools Athletic League (PSAL). We also offer Flag Football, Soccer, Handball, Softball, Tennis, Chill Program (Snowboarding Club).

## Overview

Our mission is to guide students to become critical thinkers, independent learners and productive citizens. Founded in 1996, we are a school in which students' voices are heard, character is developed, excellence prevails and parents are our partners! Using critical thinking skills, technology and reading and writing skills, our students investigate and explore educational and career opportunities in the legal field. The families of our students are actively engaged in our culture and are encouraged to accompany our students on overnight and weekend trips such as college tours and historical sites of interest.

**Program Highlights:** Law Enforcement Academy, Criminal Law, Forensics, Computer Forensics, Courtroom Procedures, Constitutional Law, Leadership and Negotiation, International/Business Law, College Now, Crime Scene Investigations Program at John Jay College of Criminal Justice, Internet Research, Leadership Program, Law-related Internships with our Partners

## Overview

Science, Technology And Research Early College High School at Erasmus (STAR) is a small Early College Network school. Our dynamic team of high school teachers and Brooklyn College professors are eager to prepare students interested in science, mathematics and technology for college and the world of work. With our partners, we offer a range of challenging academic courses that give students first-hand exposure to the demands of high school and college by using field-based and hands-on methods of instruction. Students will use the rich resources on the Brooklyn College and other City University of New York campuses as their learning laboratories. In addition to their high school diploma, students may earn 30 or more college credits which may qualify them for advanced placement status at Brooklyn College and New York City and State Colleges and Universities

**Program Highlights:** Brooklyn College Early College Program: Archaeology Field Studies, Academic College Success Program, College Seminars, College Advisory, Calculus, Physics, Computer Information Systems, Geology, Chemistry, Spanish, Research Studies, STEP (Science, Technology Entry Program); High School Programs: Virtual Enterprise, Marine Biology, Medical Ethics, Computer Graphics, Art, Project-based Learning, Web Design, After-school Study Center, Summer Enrichment, Gateway Institute Internships, Field-based Science, College related Trips

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Leadership Class, Peer Mediation Center, College Prep and Guidance Workshops, Conflict Resolution Training, National Honor Society, Regents Prep, SAT Prep, Study Center, Tutoring, Brooklyn College Saturday Courses, Drama **Clubs:** Brooklyn College Community Partnership Program sponsored activities: Video Production, Dance, Step, Teen Talk; School Clubs: Anime, Chess, Performance Art, Drama, School Yearbook, Technology, Computer, Young Entrepreneurs

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Bowling, Cross Country, Football & JV Football, Golf, Indoor Track, Outdoor Track, Soccer, Swimming, Volleyball, Wrestling

**PSAL Sports – Girls:** Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Swimming, Tennis, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** N/A

<b>The Urban Assembly Institute of Math and Science for Young Women</b>	<b>L54A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	81	268

## Overview

Our school is the only all girls school designed to encourage and foster the achievement of young women in math, science and technology. Our challenging curriculum uses interdisciplinary, inquiry-based models of learning that actively engage all students in both math and science and their other academic classes. Through our partners, students have the opportunity to participate in a range of internships. Our partners also connect our students with role models and mentors that inspire them not only to challenge their self-perceptions but also the stereotypes that currently exist for women in math and science today. Additionally, our after-school programs provide unique opportunities for students to explore their interests in fields involving math and science. Our graduates will possess the skills needed to be successful in future careers and college and to make the choices that positively impact their lives.

**Program Highlights:** Anatomy and Puppetry, Science of Cooking, Forensics, MOUSE Squad, Chemistry of Beauty Products, Physics of Dance, Logic of Ancient Games; In-school advisor

<b>The Urban Assembly School for Criminal Justice</b>	<b>L62A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	81	253

## Overview

The Urban Assembly School for Criminal Justice (UASCJ) is an all-girls school that prepares students for college and the world of work, teaching them the content and skills necessary for future success. We help develop the work habits and study skills that promote academic achievement. Students are also encouraged to participate in the many after-school and extracurricular activities we offer as they are integral to future educational and work success. As an all girls school, our students are part of a tight-knit, multicultural community and benefit greatly from our small size and unique personal attention.

**Program Highlights:** Accelerated Classes, Guest Speakers, Field Trips, Criminal Justice Elective Classes, Mentoring, Internships, SAT Prep

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Chemistry, English Literature and Composition

**Extracurricular Activities:** Student Council, Mentoring, Math Team, Debate Team, Musical Theatre, Ballet, Advanced Art, Documentary Filmmaking

## Overview

"Knowledge of the law is power in the world." The Urban Assembly School for Law and Justice (SLJ) prepares students for college and beyond through a challenging academic program with an emphasis on law and debate. Students are supported during their academic careers by personalized relationships with teachers and administrators. Graduates will be strong readers and writers who think critically, work cooperatively and question constantly. Through a four-year law sequence, students learn that school is not merely preparation for life; it is life. SLJ students participate in the democratic process through involvement in Student Council, Town Hall meetings and Youth Court. All students select a law-focused internship where they develop communication skills and an understanding of the role law plays in society. SLJ is committed to involving families and community members with an open-door policy, frequent home contact and monthly family events. Every student has an advisor who is the liaison between the family and the school.

**Program Highlights:** Interdisciplinary Law-Focused Curriculum: Core Law Courses, Forensic Science/Criminology, Constitutional Law, Controversial Legal Issues; College Now, Chemistry

**Language Classes:** French

**Advanced Placement Courses:** Economics: Macro, English Language and Composition

**Extracurricular Activities:** Student Government, Young Men's Association, Young Women's Association, SLJ Youth Court, Reading Excellence And Discovery (READ), SAT Prep, AP Summer Camp, Tutoring, Computer Lab, Choir, Dance, Step, Cheerleading, Photography, Film Editing, Courtroom Drama, Graffiti Arts **Clubs:** Mock Trial, Teens Take the City, Student Council, Gay-Straight Alliance, Mentoring, New York University High School Law Institute, Spoken Word, Martial Arts, Law

## Overview

The Urban Assembly School of Music and Art prepares students for college and the world of work. Our program integrates literacy and the arts into all aspects of our instructional program. Students learn to be critical thinkers and creative communicators. They learn to process and analyze complex information, view information in context, connect it to prior learning and convey their ideas in a purposeful and convincing manner. Our program capitalizes upon our student's love of the arts and their desire to engage in self-expression. We create an environment where students understand the practical relevance of their learning to be able to fulfill their visions for the future.

## Overview

It is our goal to provide a challenging academic program in an environment that fosters self-awareness and strong work habits, producing graduates who are fully prepared for higher education and careers. We provide a rich canvas of opportunities for students to share ideas with each other, the staff, and the outside community. Our students participate in project-based learning in their classes and demonstrate mastery of the materials through academic portfolio assessment. The Advisory program is the heart and soul of our school, offering students an opportunity for personal development and academic growth while building close relationships within the school community. Our staff makes every effort to know each student and family well through small class size and a personalized approach to education which provides a structure for success.

<b>Architecture</b>	<b>K09X</b>	Engineering	Limited Unscreened	9 10	150 10	749 18
<b>Details:</b> Introduction to historic architectural preservation, architecture, engineering and design concepts; students participate in a professional internship and portfolio review.						

**Overview**

Partnered with the New Jersey Institute for Technology, WHSAD is the only high school in the United States to include historic architectural preservation as an academic theme. Our inter-disciplinary focus on Preservation Arts, Fine Arts, and Visual Arts, combined with an artisan skills training and internship component is threaded throughout the core academic content areas. Students go on to pursue artisan and applied preservation skills, as well as participate in a professional internship program. The alignment of architecture and design with core academic areas will prepare our students for multiple college and career pathways in architecture, design and other related artisan professions.

## Overview

Nestled at the hub of one of the country's most vital arts centers, we offer a challenging curriculum in a small school setting. We provide an education rich in math, science, technology, literature, world history and current events. Students conduct original research, tour museums and explore New York's cultural life. Each grade takes an annual, overnight trip - freshmen participate in Living Environment labs in the wilderness of Upstate New York and upperclassmen visit colleges. Hands-on learning, supportive relationships, small classes, individual attention and regular tutoring are the underpinnings of a program focused on developing the skills required for success in college.

**Program Highlights:** Electives: Forensics, Advancement via Individual Determination (AVID), Media, Drama, Drawing, Website Design, Computer Technology, Yearbook, Weight Training, Kaplan SAT Prep; Enrichment Activities and Courses at Long Island University, Upward Bound Program at Pace University

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, Calculus AB, English Literature and Composition, Spanish Language, United States History

**Extracurricular Activities:** Student Council, Peer Mentoring, Peer Counseling, Peer Leadership, St. Nick's Tutoring, Greenpoint Youth Court, Science Technology Entry Program (STEP), Oral History Project, National Honor Society, Drumline

**Clubs:** Urban Explorers, Drama Club, STEP Team, Recruiting Ambassadors, Rock Climbing, Cheerleading, Chess, Japanese, Spanish, Poetry, Music, Talent, Fashion

## Overview

World Academy for Total Community Health High School (WATCH) prepares students for careers in the health industry through a challenging program leading to an Advanced Regents Diploma. WATCH creates a socially supportive learning environment which ensures student success through access to internships and community service opportunities within the health care industry. Students are not only prepared to enter institutions of higher education, but also learn how to make healthy choices in their lives and advocate for the total health of their families, community, nation and world.

**Program Highlights:** Beginning fall 2011, three distinct programs of study: Medical Science – Honors program geared to support and prepare students for entry into the medical profession; Health Science – Health Professions majors (Pre – nursing, Licensed Practical Nurse (LPN), Pre-dental, Dental Assistant (DA); Community Health – Exposure to careers in public and community health professions through classroom instruction and internships. Courses: Honors Psychology, College-prep English, Forensic Science and United States History, Etymology, Chemistry, Community Health Advisor, Anatomy & Physiology, Journalism

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology

**Extracurricular Activities:** Student Government, Arista/National Honor Society, School Newsletter, Art **Clubs:** Dance

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Cross Country, Football & JV Football, Indoor Track, Outdoor Track, Soccer, Volleyball

**PSAL Sports – Girls:** Basketball, Indoor Track, Outdoor Track, Soccer, Softball, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Cheerleading, Step Team

## Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:15 PM

## Overview

The Young Women's Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the "whole girl" in order to maximize academic achievement, social emotional well being, and post-secondary success. TYWLS is supported by the Young Women's Leadership Network and its CollegeBound Initiative in order to replicate the best practices of private and independent girls schools. TYWLS of Brooklyn opened in 2008 as the fifth school in the network. TYWLS strives to instill in students a sense of self-efficacy and community responsibility; characteristics which will support them as they become the leaders of the next generation.

**Program Highlights:** CollegeBound, small interdisciplinary learning environment, collaborative group work and project-based instruction; Advisory classes focusing on female adolescent development, positive self-image, early college awareness

**Language Classes:** French, Spanish

**Advanced Placement Courses:** As we expand, we plan to offer select Advanced Placement Courses, including: Biology, Calculus AB, Environmental Science, Government and Politics: United States, Spanish Literature

## Overview

We offer students a college preparatory experience within the context of a supportive learning community. Our focus is to engage students in a challenging academic program that has students excelling in the fields of science, engineering and the humanities. Our students are exposed to meaningful community service and internship experiences that allow them to shadow health care professionals. Our location on The City College of New York (CCNY) campus affords students an opportunity to attend college courses, seminars and special events that serve to enrich their high school experience. Qualified students can earn up to 15 college credits during their high school years.

## Overview

Bard High School Early College (BHSEC) was founded on the belief that many students are ready to do serious college work at age sixteen. Bard College partnered with the NYC Department of Education to create an innovative program that enables high school students to move, in four years, from 9th grade through the first two years of college, earning a high school diploma, up to 60 college credits and an Associate of Arts degree upon graduation. Foundation courses in mathematics, science and the humanities in 9th and 10th grade prepare students for college classes. In small, seminar-style classes, students develop and refine their writing and thinking skills.

**Program Highlights:** In the first two years at BHSEC, students undertake a course of study designed to provide a grounding in mathematics, science, history, English and a foreign language. They participate in a variety of arts classes and complete state requirements in Physical Education and Health. Students' work in the college program builds on their high school studies. BHSEC offers a variety of college courses, as well as the opportunity for students to engage in independent studies of their own design. Students must complete 60 college credits to receive the Bard College AA degree. Our curriculum is designed to enable students to transfer to colleges and universities with up to two years of college credit.

**Language Classes:** Chinese (Mandarin), Latin, Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** BHSEC Connect, BHSEC Student's Union, Bard Bulletin (online newspaper), Bardvark (student newspaper), BHSEC Literary Magazine, Yearbook, Art Magazine, Winter and Spring Concerts, Theater Production, CAFE performances, Karaoke **Clubs:** Asian Culture, Book, Break Dance, BHSEC Student Activist Network, Chinese Language and Culture, Current Events, Debate, ECO, Film, French, Future Doctors and Scientists of America (FDSA), Literary Magazine, MAC (Making A Change), Mock Trial, Model United Nations, Muslim Students Association, Philosophy, Step Team, Swim, Table Tennis

**PSAL Sports – Boys:** Basketball, Soccer, Tennis

**PSAL Sports – Girls:** Basketball, Soccer, Tennis, Volleyball

**PSAL Sports – Co-ed:** Outdoor Track

**School Sports:** Co-ed Ultimate Frisbee

## Additional Information

- Typical Freshman Schedule: 9:00 AM – 4:00 PM
- Student Summer Orientation
- All students wishing to be considered for admission to Bard High School Early College must register online for the assessment.

**2011-2012 Assessment Information**

- In order to be eligible to apply to Bard High School Early College (Manhattan and/or Queens Campus), student report cards should reflect a cumulative average of an 85 or above in English, Math, Science, and Social Studies and no more than ten (10) absences.
- All students wishing to be considered for admission to Bard High School Early College (Manhattan and/or Queens Campus) must register online for the assessment. Registration for the assessment begins on September 7, 2011 via the school's website at [www.bard.edu/bhsec](http://www.bard.edu/bhsec).
- Students may apply to both schools. They must, however, indicate each one as a separate choice on the Department of Education High School Application.
- Students only need to take one assessment in order to apply to either or both schools. The assessment may be taken at either our Manhattan or Queens location. Dates and times will be posted on the school's website at [www.bard.edu/bhsec](http://www.bard.edu/bhsec).
- In order to be admitted to the assessment, applicants are required to bring a copy of their previous year's report card to the test site; i.e. 9th grade applicants are required to bring a copy of their 7th grade report card and 10th grade applicants are required to bring a copy of their 8th grade report card.
- Students who demonstrate strong abilities in their grades and the assessment will be invited to an interview at BHSEC. Students receive an email invitation for an interview.

**Overview**

Our ninth grade students wrote: "We are proud to be CPEHSIANS! CPEHS has great programs and after-school activities, like Robotics, our school newspaper, PSAL sports teams and many student clubs. Our teachers are great advisors and because they care about us, we have become like a family. They help us understand the class-work and homework, and they are always available to help you before and after school. We love the field trips to museums, parks, and colleges and the honor roll trips to great events like Knicks and Yankees games, ice skating, and current movies at theaters that connect to our coursework. Lunch outside the school for all kids is another great thing about the school."

**Program Highlights:** Advanced Regents Honors Program, College Summit, College Now (11th & 12th Grade), Think College Now (9th & 10th Grade), Mount Sinai Hospital Internships and MedDocs Program, Forensics, Adobe Digital Photography, National Honor Society, Peer Tutoring, Community Service, Internships, SAT Prep Classes

**Overview**

Choir Academy of Harlem is a performing arts school founded by Dr. Walter J. Turnbull of the Boys Choir of Harlem. We are a small, personal community that serves students in grades 6-12, offering them a challenging academic program and a strong foundation in choral music, instrumental music, dance and drama. In addition to Honors courses and Advanced Placement courses, students also have the opportunity to participate in a variety of performances to showcase their musical and artistic talents. The goal of our school is to ensure that each student graduates to become a productive citizen and a life-long learner.

<b>Details:</b> Business simulation program that allows students to operate their own virtual business on a global scale. Many students attend college through this program and are placed in firms throughout New York City for paid internships and mentoring.						

## Overview

We provide a small learning environment that focuses on critical and evaluative skills, thematic-based instruction and an academic curriculum that is geared to achieve optimum success on the New York State Regents Exams, as well as the Scholastic Aptitude Test (SAT). The goal of our school is to develop literate, self-reliant, high achieving students who are able to transfer their knowledge and skills to real life situations and are prepared to succeed in college and the world at large. All students must be respectful and adhere to a strict code of conduct and follow the uniform dress policy. Our students are also encouraged to attend Saturday School which provides them with extended time on core curriculum, such as Mathematics, English, Science and Social Studies.

**Program Highlights:** Virtual Enterprise, Community Activist, New York City Mentoring, Model United Nations, Microsoft Office Specialist (MOS) Certification, A+ Certification, Peer Leadership, Tutoring, SAT Preparation, Internship

### Overview

Columbia Secondary School (CSS) is a 6-12 school serving academically talented students who have an interest in a selective and demanding program focusing on math, science and engineering. Columbia Secondary School immerses students in science and math as a way of making sense of the world. Learning experiences focus on active exploration of major concepts, ideas and theories that respond to life's big questions. Our students become aware of their responsibilities to their communities and to the world. At Columbia Secondary School, students engage in their own explorations so that they may experience the excitement of discovery.

**Program Highlights:** College level Biology, Physics and Chemistry Program; Required courses in Philosophy and Engineering; Required Electives in the sciences and creative arts – including Marine Biology, Forensics (in Spanish and English), Environmental Science, Genetics, Emotional Intelligence, Science Fiction Film, Current Events, Web Design; June-term field expedition and study abroad program (trips to the Caribbean, Canada, South America or Europe), intensive courses on Art & Architecture in the City, Nature in the City and Sustainability

Community Health Academy of the Heights	M07A	Humanities & Interdisciplinary	Limited Unscreened	9	81	596

### Overview

We provide a small school setting in which students learn about health-related issues facing our community. Our goal is that each student will understand and internalize the physical, emotional and academic qualities of health that are developmentally appropriate to his or her age. We prepare our graduates for careers in healthcare through our use of a health-themed curriculum and mentoring programs with health professionals supported by community partnerships. These opportunities promote awareness around healthy lifestyles and ensure that our students become agents of change in the community. All of these resources will empower our students on a personal and community level.

**Program Highlights:** Academic Core Courses: English, Social Studies, Science, Mathematics; Advisory, Remediation, Enrichment in all Core Subjects and Spanish; Research Courses and Writing Electives with an Integrated Health Curriculum and Grade-level Projects, Advancement Via Individual Determination (AVID) College Prep, Problem-based Learning (PBL), College Awareness, Career Awareness, SAT Prep (11th grade), Intro to Community Health, Concepts in Wellness, ESL, Support Services, Community Health-related Service Learning and Internship opportunities, 10th & 11th Grade Pre-Internship Hospital Mentoring Program at New York-Presbyterian Hospital

**Overview**

We are a small 6-12 secondary school that prepares all students for college and careers. We set high standards and work with all of our students to help them meet these standards. With no more than 22 students per class, teachers are able to provide personal attention in a respectful environment. Students, staff, families and community members all see themselves as part of a team whose main goal is the success of every individual student.

**Program Highlights:** Block Scheduling (longer classes), Performance-based Assessments, Portfolio Roundtables, Studio Arts Program, Advisory System, SAT Prep, College Bound Program, Peer Tutoring & Mentoring, Teen to Teen, Extensive Beacon After-School (University Settlement), Saturday Program, College Now

**Language Classes:** Chinese, French, Hebrew, Italian, Japanese, Korean, Portuguese, Spanish

**Advanced Placement Courses:** Art History, Biology, Calculus AB, Economics: Macro, English Language and Composition, Government and Politics: United States, Psychology

**Extracurricular Activities:** Peer Tutoring and Mentoring, Student Council, Respect Committee, After-school Tutoring, Leadership Committee, National Honor Society, Ivy League, Chess Team, Model UN, Wallstreet Wizards, Scholars Program, School Newspaper, Art Portfolio, Art and Computer Design, Dance, Rock Band, Third Street Music School **Clubs:** Travel, Graphic Novel, Gay-Straight Alliance, Literary Magazine, Skateboarding, The Barclay Club Soccer, Volleyball, Basketball, Yoga, Chess, Fitness, Video, Computer Programming, Environmental, Principal's Book Club

**PSAL Sports – Boys:** Baseball, Basketball

**PSAL Sports – Girls:** Basketball, Softball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Skateboarding, Basketball, Soccer, Volleyball, Flag Football, Yoga

**Additional Information**

- Typical Freshman Schedule: 8:30 AM – 3:15 PM
- Our school requires an Academic Portfolio for Assessment
- Students present and defend their work to committees twice a year through our portfolio roundtable presentations. Students also must complete Performance-based Assessment tasks, such as a college-level history research paper and a student-designed science experiment.

## Overview

Essex Street Academy prepares all students for success in college and careers by treating them as individuals with specific strengths and needs and appealing to their intellectual curiosity. We offer elective courses that challenge students to develop their own ideas and push them to learn by doing. Students design and conduct experiments, develop historical theses, analyze works of literature and develop solutions and proofs for mathematical problems. Small class size makes a personalized approach to education possible, enabling teachers to develop an individual relationship with each student. At Essex Street Academy our students are active, not passive, learners and will graduate from our school confident in their ability to tackle any problem they encounter.

**Program Highlights:** 9th-10th grade courses include: Ecology, Physics of Motion, Government, Studio Art, Music; 9th- 12th grade Literature courses center around books such as "Animal Farm, The Color Purple, Flight, Perks of Being a Wallflower, The Life of Pi, The Secret Life of Bees, Beloved, Giovanni's Room, 11th grade year-long intensive courses in Theater, Studio Art or Music; 9th-12th Grade Math sequence culminating in Calculus; Advisory; 11th-12th grade seminars include: Advanced Ecology, Advanced Genetics, Psychology, Civil Rights; College Counseling: Two full time counselors, overnight trips to colleges, SAT Prep, individualized counseling; New York University (NYU) courses offered to 11th & 12th graders; Opportunities to take courses at New York University and City University of New York (CUNY) schools

## Overview

We enjoy an international reputation as the first and foremost high school dedicated to nurturing students gifted in the arts. Our unique mission is to provide a balanced opportunity for students to pursue both rigorous conservatory style training and a challenging academic program. Our state-of-the-art building at Lincoln Center was designed especially for us and features world-class facilities including: a 1,150-seat concert hall; art, dance, music, recording and theater studios; science and computer laboratories and an art gallery. Ninety-eight percent of our graduates continue their studies, gaining admission to highly selective schools such as Harvard University, Massachusetts Institute of Technology (MIT), Yale University, The Juilliard School, Columbia University, Cooper Union and Carnegie Mellon University. Our graduates have distinguished themselves in virtually every field of endeavor including the arts and sciences, medicine, law, business, education and public service.

**Program Highlights:** Students have a daily program that includes both a multi-period conservatory studio block and a full college preparatory academic course load. The studio majors are: Dance, Drama, Fine Art, Instrumental Music, Technical Theatre, and Vocal Music. Each studio has a four-year sequence of courses and opportunities for students to participate in performances and exhibitions. Students completing the studio requirements receive a special studio endorsement on their diploma. Honors courses are offered in all academic areas starting in the freshman year, leading to a full complement of Advanced Placement courses. Entering students excelling in academics are served by the selective Da Vinci Scholars Program, which features four years of research-oriented honors studies and enrichment activities in science, mathematics and the humanities.

**Language Classes:** French, Italian, Japanese, Spanish

**Advanced Placement Courses:** Art History, Biology, Calculus AB, Calculus BC, Chemistry, English Language and Composition, English Literature and Composition, Environmental Science, French Language, Japanese Language and Culture, Music Theory, Physics B, Spanish Language, Statistics, United States History

**Extracurricular Activities:** School Leadership Team (SLT), Student Government Organization, National Honor Society, Debate Team, Mock Trial, Math Team, Moot Court, Science Outreach League, Model United Nations, DaVinci Scholars Program, Art Exhibits, Drama Festivals, Orchestral and Vocal Concerts, Dance Programs, Annual Musical **Clubs:** Amnesty International, Anime, Aspira, Black Student Union, Chinese Student Association, Comic Book, Cult Classics, Fashion, Future Voters of America, Gay-Straight Alliance, Habitat for Humanity, Independent Film, Jewish Union, Korean/Christian Fellowship, Literary Magazine, Murals, Newspaper, Random Acts of Kindness, Social Action, Yearbook

**PSAL Sports – Boys:** Baseball, Basketball, Cross Country, Fencing, Gymnastics, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball

**PSAL Sports – Girls:** Basketball, Bowling, Cross Country, Fencing, Gymnastics, Handball, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Tennis, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Baseball, Basketball, Bowling, Cross Country, Fencing, Gymnastics, Handball, Indoor Track, Outdoor Track, Soccer, Softball, Tennis, Volleyball

<b>Food and Finance High School</b>	<b>M34X</b>	Culinary Arts	Limited Unscreened	9 10	108 5	4548 203

**Details:** Focuses on Culinary Arts in cooking and baking and the financial aspects related to the industry.

**Overview**

We offer an academically challenging Career and Technical Education program focusing on the culinary arts and finance. Since we believe that food is fundamental to personal, social, economic and ecological health, the themes of food and finance are integrated into our curriculum and school environment. Cornell University, our lead partner, brings expertise in science, sustainable food production, nutrition and other topics. Students develop critical thinking skills while engaged in projects, portfolio development, internships and entrepreneurial ventures. In addition to the state diploma requirements, students are expected to take a series of industry-recognized certification examinations.

**Program Highlights:** Cooking, Baking, Food and Culture, Food-Related Financial Management, Computer Technology, Internships, ServSafe, New York City Food Handlers Certificate and ProStart Certification; Technology is integrated throughout the school curriculum; Science classes include hands-on use of latest technologies, such as growing fresh produce through hydroponics and aquaponics fish farm; College Now

**Overview**

At Frank McCourt High School (FMHS), we prepare our students to be articulate and effective communicators in every medium. In particular, we will develop students' communication skills through their writing, presentations, classroom discussions and peer dialogue. In developing these skills, students will also sharpen their critical and analytical thinking. Every student will graduate from Frank McCourt High School armed with the curiosity and intellect of a true life-long learner. We are committed to helping our students become engaged citizens and thoughtful civic leaders who can communicate their vision with clarity and eloquence.

**Program Highlights:** Advisory, Writers-in-Residence, Campus Media, Action Research, Internship; as we expand we will offer College Now and partner with neighboring colleges.

**Language Classes:** As we expand, we plan to offer select language classes

## Overview

Henry Street School for International Studies is a unique small school sponsored by Asia Society, where all the students are prepared for college and to find careers through the pursuit of fascinating knowledge about other world regions, including their histories, economies, cultures and languages. Teachers, who are experts in their field, forge supportive relationships with students and parents while providing challenging, engaging and internationally-focused instruction. Teachers partner with community, arts and business organizations to help each student succeed. The school's vibrant multicultural learning environment extends beyond the classroom, through both real and virtual travel, and exchange opportunities with students around the world.

**Program Highlights:** Global/International Studies in core subjects, Literacy block schedule, Personalized instruction in small classes, Student Advisories, International travel opportunities, After-school program focused on youth leadership

<b>High School for Arts, Imagination and Inquiry</b>	<b>M11R</b>	Humanities & Interdisciplinary	Limited Unscreened	9	120	585
				10	15	48

**Overview**

At the High School for Arts, Imagination and Inquiry we work to infuse our interdisciplinary curriculum with experience in, and reflective study of, the arts in accordance with the model created by the Lincoln Center Institute for the Arts in Education. We believe that encounters of this sort release imagination and open unexpected intellectual possibilities that provoke students to reach beyond themselves as they “look at things as if they could be otherwise” and, most significantly, encourage civic dialogue which empowers all of the members of our diverse school community to work towards a more just, humane and vibrant world.

**Program Highlights:** Arts-based and inquiry-based instruction integrated throughout the curriculum, Lincoln Center internship opportunities, Teaching Artists from Lincoln Center Institute, free college courses for eligible students at John Jay College of Criminal Justice, Virtual Enterprise International business program with internships and scholarships available to all participants

### Overview

At the High School for Dual Language and Asian Studies, Chinese proficient English Language Learners and English proficient students can learn both languages while preparing for college and careers. The school has a challenging curriculum that includes enriched math and science courses and opportunities to participate in a variety of Advanced Placement (AP) classes by junior year. Asia-related topics are woven into the academic curriculum in all the subject areas. Dual Language students are expected to exceed city and state standards and demonstrate positive cross-cultural behavior while achieving skills that are needed for today's global market. English proficient and English Language Learners are integrated during instructional times and there is instruction in both languages. All students are expected to comprehend, speak, read and write in English and Chinese by the time they graduate.

**Program Highlights:** Four-year Chinese Language, History, Music, Arts, Extended Day Program (Tutoring, Arts, Chinese), College Now

**Language Classes:** Chinese (Mandarin)

**Advanced Placement Courses:** Biology, Calculus BC, Chemistry, Chinese Language and Culture, English Language and Composition, Statistics, World History

## Overview

The mission of the High School for Environmental Studies (HSES) is to reach high standards of excellence by providing a unique, challenging curriculum. We combine environmentally-infused courses with applied-learning experiences and hands-on programs that incorporate the rich cultural, economic and social diversity of New York City. It is the further mission of our school for families, students, administration, staff and the "Friends of HSES" to work collaboratively to identify issues, define goals, formulate policies and implement activities. Our Environmental Seminar provides all freshmen with individualized attention and helps students to further develop their skills in an environment that fosters risk taking and independent growth. Everyone in the HSES community is committed to excel, as all learners are challenged, motivated and provided an open avenue of communication.

**Program Highlights:** Honors Academy, Environmental Internship/Career and College Advisory, College Now, Blue Star Financial Literacy, SAT Prep, Senior Thesis, State University of New York College of Environmental Science and Forestry (SUNY-ESF) courses in Writing in the Environment and the Global Environment; Sponsors for Educational Opportunities (SEO), Peer Mediation and Negotiation, Environmental Seminar, Writing Center, Science Research, Forensic Science, Wildlife Conservation, Marine Science, Physics, Calculus, Media Tech, Beginning and Advanced Musical Theatre, Beginning and Advanced Chorus; Yoga, Alvin Ailey, Goodfriend Community Service Award Grant (Internship/Advisory)

## Overview

At the High School for Excellence and Innovation, we empower our students by providing an abundance of opportunities for them to exercise student voice and choice during their high school experience. By building students' capacity to fully participate as community members of their school, they can become agents of change who have a positive effect in their homes, communities and the world. Our belief is that regardless of previous challenges in middle school, every student can earn a high school diploma and be prepared to transition to post-secondary training or college to achieve their 21st century career paths.

**Program Highlights:** Saturday Academy and PM School provide students with test prep, tutoring, credit recovery and programs in film production, music, dance, and drama. Additionally, students have the opportunity to create clubs and activities.

## Overview

We believe that education is not a solitary event; students and teachers must be active learners. We strive for excellence through a challenging, innovative, student-centered curriculum where students develop analytical skills to become critical, independent thinkers and lifelong learners. Students gain knowledge about the public sector, law and their ability to make positive changes in the community. Parents, caregivers and staff work together to provide students with opportunities to become invested in their communities through service learning, internships, mentoring programs and partnerships. Their experiences allow them to apply their academic knowledge to real life settings.

**Program Highlights:** Balanced Literacy & Balanced Mathematics, Concentration in Law and Public Service, Financial Literacy

**Language Classes:** Spanish

### Overview

We provide a unique and unparalleled collaborative educational experience. Our mission is to challenge talented students to expand their intellect by developing the habits of inquiry, written and verbal expression and critical thinking. Instructionally supported by The City College of New York, our academically challenging learning environment focuses on mathematics, science and engineering while emphasizing civic responsibility and the value of knowledge for its own intrinsic reward. Our goal is to infuse social, technological and analytical skills in order to facilitate the development of the next generation of leaders in society. The school day is from 8:00 AM to 3:35 PM.

**Program Highlights:** Project Lead The Way Pre-Engineering (a nationally validated pre-engineering program): Design & Drawing for Production, Digital Electronics, Principles of Engineering, Civil Engineering & Architecture; Mount Sinai Science Research Program (a two year research cycle in the afternoons at Mount Sinai Medical Center): Advanced laboratory experiences and a research internship in one of the hospital units such as cardiology, oncology, obstetrics and the autopsy suite; Math Concentration - two year program in advanced mathematics; College credits available in: Pre-Calculus, Calculus 1, Physics, Economics, Political Science, Astronomy, Spanish

**Language Classes:** German, Spanish

**Advanced Placement Courses:** Calculus BC, English Literature and Composition, German Language, Statistics

**Extracurricular Activities:** Peer and Teacher Tutoring, Student Government, Varsity & JV Math Team, Astronomy, Science Research, MOUS, Poetry, Yearbook, Creative Writing, Art, Band, Chorus, Drama, Modern Dance, Art History **Clubs:** Bowling, Cheerleading, Cross Country, Eat NYC, Film, FIRST Tech Challenge, German, GSA, Glee, Harlem IS, Junior State of America, Key, Model UN, National Society of Black Engineers, Tennis, Yearbook

**PSAL Sports – Boys:** Baseball, Basketball, Soccer, Volleyball

**PSAL Sports – Girls:** Basketball, Soccer, Softball

**PSAL Sports – Co-ed:** N/A

**School Sports:** N/A

### Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:30 PM
- Community Service Requirement
- This is one of New York City's eight (8) Specialized High Schools that requires the Specialized High Schools Admissions Test (SHSAT). For further information and the 2011 test dates, see the front of this directory and obtain a copy of the "Specialized High Schools Student Handbook" from your guidance counselor.

**Programs Offered**

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
Pre-Engineering	NO CODE	Engineering	Test	9	110*	18,741
				10	3*	988

**Details:** Nationally validated pre-engineering curriculum enriched by the City College faculty, culminating in a senior thesis project

**For Test:** Guidance counselors will provide each student with an Admissions Ticket indicating the date, location and time of the Specialized High Schools Admissions Test (SHSAT). This must be presented at the test site. If a change of day is required, the student must inform his/her guidance counselor.

**Note**

\*Each year, the number of seats available at each Specialized High School may increase or decrease based on school enrollment.

## Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:45 PM

Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
Fashion Design, Related Arts & Business Fields	M68A	Visual Art & Design	Audition	9	475	N/A
				10	30	N/A

**Details:** All students applying to The High School of Fashion Industries are required to sit for a general admissions examination and present a portfolio for the program major(s) in which they are interested (Art, Illustration and Graphics, Fashion Design and Related Fields, Business and Visual Merchandising). Students are directed to carefully review the portfolio requirements for each major. Students may submit up to three portfolios (one for each program major of interest).

**Portfolio Requirements:**

**Art, Illustration, and Graphics:** All work must be original; no copying, tracing, and cartooning such as Anime. Please complete both A and B.

A. Select 5 pieces of your original artwork; Choose the work you are most proud of.

B. In addition, create one example of EACH of the following: Self-Portrait, Landscape or Cityscape, Still Life (arranged inanimate objects), Human figure inside a room and abstract designs using a variety of shapes.

**Fashion Design and Related Fields:** You must submit a total of 10 items from the following list; you may not submit more than 3 examples from each category. All work must be original; no copying or tracing.

Category 1: Create designs for the following: evening wear, business suit, sportswear, children’s wear

Category 2: Still Life

Category 3: Human figure

Category 4: Abstract design using a variety of shapes.

Category 5: Create an original sewn garment (sized to fit a Barbie or Ken doll)

Category 6: Create an original pattern, cut out and mounted, showing sewing lines, darts, etc.

Category 7: Mount samples (3" x 5" or 4"x 4") of work which show your sewing machine skills such as: shirring, stitching on a diagonal, creating triangles

**Business and Visual Merchandising:**

1. Write an essay about your favorite place to shop (store, mall, street, etc.). Explain what makes shopping at that location an enjoyable experience.

2. Create an advertisement promoting your favorite place to shop (described in #1 above). Advertisement must include visual and copy:

Visual: Photo, drawing or magazine pictures (black and white or color; maximum of 4 colors)

Copy: Words that convey the message you want to communicate (size: 8 ½" x 11")

3. Write an essay explaining your reasons for choosing the colors, message, and other elements of your ad.

**Details:** Dual-focused four-year program; Regents-based core courses and a 12 unit sequence in the area of hospitality management in which students earn five industry certifications

## Overview

The High School of Hospitality Management (HSHM) is located in the heart of the resurgent Clinton area, where there is the highest concentration of hotel and hospitality establishments in New York City. Through an interdisciplinary approach, students will develop problem-solving skills that prepare them for exciting careers in hospitality management and post-secondary education. This challenging, student-centered school combines a curriculum that provides Career and Technical courses as well as traditional academic studies. Our lead partner, FoodChange, provides resources and expertise to provide students with a range of experiences. Students have the opportunity to graduate with a Regents diploma and receive national industry-recognized certifications. Our professional staff, along with parents and students, are equal stakeholders in the creation of an invigorating and supportive learning environment.

**Program Highlights:** College Preparatory Classes Scheduled in Blocks, Academic Support and Enrichment Programs, Health/Advisory Program, Honors Course Offerings, Technology Integrated throughout School Curriculum, College Prep Workshops, Project and Inquiry-Based Learning, SAT Prep Courses, Digital Learning, Industry Certification Opportunities, College Now, Specialization in Culinary Arts and Business Management

## Overview

The Institute for Collaborative Education (ICE) is founded on the principles of the Coalition of Essential Schools and is a member of the New York State Performance Standards Consortium. As a progressive school, our courses and units of study are inquiry-based and designed to develop students' critical thinking skills. Students engage in academically challenging performance-based assessment tasks and projects that demonstrate their understanding of course material. ICE provides students additional advanced learning opportunities through our collaborations and partnerships with local universities, colleges and community-based organizations.

**Program Highlights:** Seven-year (6th-12th grade) academic program that culminates in Performance-based Assessment Task graduation requirements in all core subject areas: History, Literature, Math, Science & Spanish; Senior Circle Electives have included: Multimedia Technology, Songwriting/Poetry, Studio; Digital & Performing Arts, Photography, Intro to Psychology/Philosophy; Math Magic, Health and Nutrition Awareness, Computer Game Programming; Music, Studio Art

**Language Classes:** Spanish

## Overview

We are a small high school that offers a challenging academic curriculum with a strong emphasis on writing, research, project-based inquiry learning across subjects. Students are expected to be highly motivated, active learners with strong communication and research skills. Students and teachers work together to create a learning community that fosters critical thinking and analytical skills in preparation for college and beyond. Students present and defend eight portfolios before a committee in order to graduate. Our Advisory ensures that all students have strong relationships with adults that support a positive learning culture.

**Program Highlights:** In-depth Research and Writing, Academic Portfolio Presentations and Defense required for graduation; New York Experience Portfolio, SAT Prep, Leadership Institute for Today and Tomorrow (Saturday and Summer Programs with a focus on leadership skills and civic awareness), After-school Youth, Media and Mentoring; Jazz Ensemble, Choral Music, College Now, Drama Program with Stage Doors and Youth Theater Initiative, Intrepid Leadership Development, New York University (NYU) Medical School High School Fellows, Service Learning Projects, Visual Art

## Overview

The Lower Manhattan Arts Academy (LoMA) is a small, multicultural school where the focus is on academic excellence through the arts. Every aspect of LoMA's design, structure and practice supports each student's intellectual, emotional and cultural growth with the ultimate goal of seeing that he or she succeeds in a four-year college or career. As an arts school, LoMA integrates visual and performance elements into the curriculum through three approaches. Students have the opportunity to work with visual and performing artists during academic classes to create high quality, standards-based performances of learning. After completion of a two year rotation of the four arts—visual, music, dance or drama, each student specializes in one of the disciplines. Our school has partnerships with many Lower East Side arts organizations so that every student takes part in an Extended Day Program at least twice a week. We are an intimate, nurturing school with a large number of adults watching over and taking care of our students.

**Program Highlights:** Twelve hour-per-week internships for all seniors, mentoring, online Advanced Placement classes, artists-in-residence in all arts classes, project-based learning in academic classes, daily Advisory classes, daily reading period, college classes at New York University (NYU) and John Jay College, extensive after-school tutoring, majors in art, music, dance, drama after completing a rotation of all of the arts, museum visits, free performances at cultural institutions

**Language Classes:** Spanish

**Advanced Placement Courses:** Calculus AB, English Literature and Composition, Spanish Language, United States History; other AP courses are determined by student interest

**Extracurricular Activities:** Student Government, New York Cares Volunteer Group, Studio Art, LoMA Theatre Ensemble, Chorus **Clubs:** Chess, Cheerleading, Explorers, Technology, Video, Dance

**PSAL Sports – Boys:** Baseball, Basketball, Bowling, Handball, Soccer, Volleyball

**PSAL Sports – Girls:** Basketball, Bowling, Handball, Tennis, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Intramural Sports: Basketball, Swimming

## Overview

Our mission is to provide a high-quality education for all levels of English Language Learners (ELL) by integrating the arts and academics. We strive to expand our students' cultural horizons while maintaining an intensive academic curriculum. By studying the arts, students become active participants in their own education and therefore have a better understanding of academic lessons and how to apply them outside the classroom. At the end of four years in our school, our students will graduate with strong academic skills that will lead to success in their post-secondary education and career path.

**Program Highlights:** Freestanding ESL, Transitional Bilingual Education (TBE)

**Language Classes:** French, Italian, Spanish

**Advanced Placement Courses:** As we expand, we plan to offer Advanced Placement courses

**Extracurricular Activities:** Student Government, Tutoring, SAT and ACT Prep, Speech and Debate Team, Guitar Lessons **Clubs:** Spanish, Photography

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** As we expand we plan to offer school sports

## Additional Information

## Overview

Established in 1982, our school is proud to provide its students with a challenging curriculum in a close-knit environment. This affords our students the opportunity to apply to competitive colleges and universities and the workforce. Our teachers come to know our students individually, providing each one with personalized attention and guidance. We focus on four years of science and mathematics, with a broad base of liberal arts. We also offer AP courses in a variety of subjects. Our relationship with Children's Aid Society provides our students with extended-day activities and enriches their lives through after-school programs, community service opportunities and internships.

**Program Highlights:** Advanced Science Research, Forensics, Environmental Studies, Horticulture, Psychology, Student Mentors, College Now, International Student Alliance, International Student Exchange Program, Model UN, Moodie Mega Math Club

**Language Classes:** Chinese (Mandarin), French, Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Calculus BC, Chemistry, Computer Science A, English Literature and Composition, Physics B, Spanish Language, Spanish Literature, Statistics, United States History, World History

**Extracurricular Activities:** ASPIRA, Teen Action, buildOn, New York Cares, American Red Cross After-school Tutoring, GE Scholars, Math Team, National Honor Society, Science Research Symposium, Digital World Dance, Drama, Photography, Vocal/Music, School Band, Anime **Clubs:** Asian, Chess, South Asian Desi, Umoja Poetry

**Overview**

Manhattan Theatre Lab (MTL) High School is a Performing Arts school designed to nurture and educate students with sincere aspirations in Theatre, Music and Dance. All students will select an Arts major upon admission to the school and follow a sequenced program in the Arts. They will also complete a challenging academic program that will prepare them for a Regents diploma upon graduation, as well as a career and acceptance to college. We aim to provide a learning community where academics and creative expression go hand in hand. The teaching environment will utilize a multicultural approach in all subjects. Excellence in academic subjects and the Arts is expected of all students.

**Details:** Experiential hands-on learning is an important part of the school's curriculum.

## Overview

Our school was founded in September 2004 with the help of Replications, Inc., a non-profit organization dedicated to the creation of new, small, successful schools. Our school is based on the same concepts of the nationally renowned Mott Hall Middle Schools. Utilizing a challenging curriculum, our emphasis is on academics, college and career preparation. Students use laptops and engage in cutting edge technology in the classroom as active participant in sharing their learning and education. Experiential, hands-on learning is an important part of the school's curriculum. We are committed to helping students develop into leaders, independent thinkers and enthusiastic lifelong learners.

**Program Highlights:** College Now, College For Every Student (CFES), Study Abroad, Credit Recovery Electives

### Overview

New Design High School (NDHS) is a small academic high school with a focus on design, located on the Lower East Side of Manhattan. NDHS uses the concept of design to help meet the academic, intellectual, social, emotional and artistic needs of adolescents. Our school integrates the idea, concept and process of design into a progressive, academic high school curriculum, thereby offering an innovative education in a nurturing environment. The school community believes that design and the design process allow students to participate in a more experiential form of inquiry-based education that is focused on understanding real-world contexts, self-expression and problem solving.

**Program Highlights:** NDHS uses design as a basis for learning. Students are exposed to the fields of fine art fundamentals of design, fashion and merchandising, product design, invention and entrepreneurship. Teaching artists, through Urban Arts Partnership, the school's main cultural partner, augment the existing curriculum through the fields of media and communications, graphic design, sound design and film and motion graphics.

## Overview

New Explorations into Science, Technology and Math High School (NEST+m) is a K-12 school that is committed to providing an exemplary accelerated education for students of diverse backgrounds who have the ability and promise to meet the demands of an academically challenging curriculum. The Upper School (grades 9-12) engages students to think abstractly and critically, and encourages them to formulate questions that guide their learning experience via discussions and research. Multiple opportunities exist for students to have internships at various local universities in the sciences and the arts.

**Program Highlights:** 1st Level science sequence 9th grade: Regents Physics with Introduction to Research and Recitation/Applications course. 10th grade: Regents Chemistry and 1 term of Computer Science with the option of an Advanced Research Techniques class. 11th grade: Living Environment. 12th grade: Options include, science electives, AP Biology, AP Chemistry, AP Physics or AP Environmental Science. The 2nd level science sequence is for accelerated students who have demonstrated aptitude for the sciences and mathematics; begins with AP Physics B in 9th grade, AP Chemistry in 10th grade, AP Biology in 11th grade, and AP Environmental Science in 12th grade

**Language Classes:** Chinese (Mandarin), French, German, Latin, Modern Greek, Russian, Spanish

**Advanced Placement Courses:** Art History, Biology, Calculus AB, Calculus BC, Chemistry, Chinese Language and Culture, Computer Science A, English Language and Composition, English Literature and Composition, Environmental Science, European History, French Language, German Language, Music Theory, Physics B, Psychology, Spanish Language, Spanish Literature, Statistics, United States History, World History

**Extracurricular Activities:** Student Government, Peer Leadership, Community Service Learning, National Honor Society, School Leadership Team (SLT), Borough Advisory Student Council, Debate Team, Model UN, National and Local Chess Championships, The Gauss Contest, New York Math League Competition, The Purple Meet, Kangaroo International Competition, Math Team, World Science Festival, Time Warner Cable, Scholastic Arts Competition, Competitive Ballroom Dancing, Annual Gallery Walk Art Exhibitions, Annual Coffee House Concert, NESTFest (Annual Talent Show), Winter and Spring School Plays **Clubs:** After-school Jazz Band, Badminton, Baseball, Basketball, Boys Soccer, Creative Writing, Debate Committee, Educational Field Trips, Girls Volleyball, Green Club, GSA, Handball, Heart To Heart Charity, Mandarin, Model UN, National Honor Society, Peer Leaders, Red Cross, Robotics, Social Justice, Softball, Student Government, The City Tones (Chorus), Ultimate Frisbee, Varsity Dance Team, X-Country

**PSAL Sports – Boys:** Basketball, Fencing, Indoor Track

**PSAL Sports – Girls:** Basketball, Fencing, Indoor Track

**PSAL Sports – Co-ed:** N/A

**School Sports:** Badminton, Baseball, Soccer, Softball, Table Tennis, Volleyball, Cross-Country, Outdoor Track, Dance

## Additional Information

**Overview**

Our school is one of the New Visions small schools. We opened in 1994 with a program unique in New York City that uses the city’s museums to enrich the curriculum. Our founding partners and many other cultural sites serve as extensions of our classrooms. Our students spend time exploring arts, artifacts and concepts in museums. Our teaching/learning methodology (the Museum Learning Process) is based on a similar process used by museum curators that students apply in their coursework. It is a process that encourages students to think responsibly, independently and critically. The arts are integral to the interdisciplinary, museum-based studies. Students use painting, drawing/sketching, illustration, elements of design, drama and other expressive activities to enrich their academic study. Classroom instruction in the school is designed to draw upon museum-based learning, and to deepen it with critical and provocative content that compels reflection and insight.

**Program Highlights:** Museum-based study units (Modules) center on projects and culminate in student presentations, World Cultures, The Renaissance, Theater Production, African Art, Evolution, Earth Science, Senior Independent module, College Institute, Internship, After-school Tutoring, Institute for Urban Education

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Presentations of students' original writing at Barnes & Noble, Play Presentation **Clubs:** Drama, Newspaper, Yearbook, Student Government, Gay-Straight Alliance, Harvard Model Congress

## Overview

We use state-of-the-art technology to engage students in a challenging, project-based curriculum, where students solve complex, real world problems in a supportive environment. Our school features a distance learning model for instruction in which students receive instruction from “master” teachers anywhere in the world through video and computer conference technology, with classroom teachers providing necessary support and guidance. Online courses offer students opportunities to study any subject at any time for credit. Our students will graduate with a well-rounded liberal arts education, excellent technology skills and a strong sense of global citizenship.

**Program Highlights:** Advisory, Online Courses, Field Work, Multi-Disciplinary Instruction, Real-World Problem-based Learning

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

## Overview

The PACE High School mission is to create a college-oriented, student-centered environment with high expectations for every student. The goal for every individual at PACE is to create a résumé of quality educational experiences which will prepare them for success in college and beyond. Central to our role as a small high school is that every student is known well through our Advisory program and is appreciated for his/her unique talents and contributions to our learning community. Our curriculum and practices are tailored to the individual needs of our students, enabling all students to reach the ambitious goals set for them. Working in close collaboration with Pace University's School of Education, our school shares the extensive resources of the university, with significant access to classes, libraries, computer labs and recreational facilities.

**Program Highlights:** Advisory; Community Service Requirement; students are programmed for Advanced Regents classes through grade 12; Tiers of Educationally Enriching Experiences (classes during & after school, Saturdays & summers in a small group setting); Technology integrated in all content areas; Students who have passed 5 Regents exams & have an 85 average by 11th grade are eligible to take free college courses at Pace University

**Language Classes:** Spanish

**Advanced Placement Courses:** Calculus AB, English Literature and Composition, Physics B, United States History, World History; Students are eligible for online Advanced Placement (AP) courses if they are self-motivated & excelling in core courses

**Extracurricular Activities:** YMCA Youth Leadership, Youth and Government, Student Government Organization, National Honor Society, Spanish National Honor Society, Mentorships, Advisory Debates, Student Expositions, School Website Management, Student-designed Web/Literary Publications, After-school Tutorials and Homework Help, buildOn, Dramatic Arts Electives **Clubs:** Yearbook, Literary Magazine, Video Game, Anime, Amnesty International, Technology, Academic Tutorials, Step, Yearbook, Cheerleading, Dance Team, Gay-Straight Alliance

**PSAL Sports – Boys:** Basketball & JV Basketball

**PSAL Sports – Girls:** Basketball, Softball & JV Softball, Volleyball & JV Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Intramural sports include Soccer, Basketball, Flag Football, Handball, Bridge Running; Cardio machines and weights in our new Wellness Center; YMCA programs such as Swimming, Dance, Martial Arts

## Additional Information

- Typical Freshman Schedule: 9:00 AM – 3:15 PM
- All incoming 9th grade students are expected to participate in our "First Summer" program, August 10-12, 2012, a three-day, two-night freshman induction program at the Pace University Westchester Campus
- 180 hours of Community Service must be completed for graduation
- Annual Academic Portfolios and Senior Exit Presentation required for graduation
- Saturday and Summer Enrichment at Pace University

### Overview

We are committed to providing a high-quality, supportive and inclusive program to ensure that our students are prepared for college and the world of work. We challenge all students with a demanding curriculum. Through our Advisory system, which we call House, every student becomes a part of our family. Every student is known individually by his or her House teacher. As a school, we aim to support students' needs and engage them in our rich after-school program that includes academic and recreational clubs, PSAL sports and unique school-wide celebrations such as our Thanksgiving luncheon (teachers cook for students), ice skating in Central Park, poetry slams and field day.

**Program Highlights:** College Prep, SAT Prep, Service Learning Elective, Music Elective, Anatomy, Research, Advanced Poetry, Geography, Native Language Class, Advisory, College Now

**Language Classes:** Spanish

<b>Quality Review</b>	N/A	P
<b>Graduation Rate</b>	95.0%	98.7%

## Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
<b>Musical Theatre</b>	<b>M81H</b>	Performing Arts	Audition	9	27	365
				10	5	17

**Details:** In partnership with Rosie's Broadway Kids, students receive conservatory style training in vocal music, dance & acting. Classes include dance fundamentals, song preparation, music theory, vocal technique, acting technique and rehearsal & performance.

**Audition Information:** Participate in a musical theater master class, which includes dance, singing and acting. Applicants should be prepared to dance by wearing clothes that allow for freedom of movement, and jazz shoes or sneakers. Each applicant will present a one minute monologue (either serious or comedic) from a published play or monologue book; monologues must be memorized. Each applicant must also be prepared to present a memorized, age-appropriate song of no longer than 32 bars. Applicants must bring sheet music; an accompanist will be provided. Note: If the applicant is auditioning for both musical theatre and drama, he/she should only attend the musical theatre audition, and have both monologues as well as a song prepared.

## Overview

Located in the heart of the theater district in Manhattan, this small personalized school partners with top rated New York City Arts organizations to provide professional-level training in performing arts and a competitive academic program. Recognized for our unique arts instruction, we attract master performers and industry players that help guide our students toward the most competitive colleges and conservatories. Our special relationships with local organizations provide access to some of the most modern training facilities in New York City. Our alumni have gone on to prestigious conservatories, appeared in many Broadway productions, box office films and hit television shows.

**Program Highlights:** College courses for juniors and seniors at New York City colleges and universities, professional work in the arts through partnership with On Location Education, SAT preparation with Revolution Prep, workshops with theatre professionals

**Language Classes:** French, Spanish

**Advanced Placement Courses:** Biology, English Literature and Composition

**Extracurricular Activities:** AIDS Walk, Assembly Committee, Gay-Straight Alliance (GSA), Student Council, Peer Mentoring, Community Service, Peer Tutoring, College Tutoring, Professional Tutoring, Learning Center Activities, SAT Preparation, Science Lab Internships, Full-scale Musical Theater, Drama, Vocal Music and Dance Productions, Audition Coaching, Black Box Theatre Productions

**Clubs:** Service, Film, Chess, General Academic

### Overview

Design and innovation are at the heart of Quest to Learn. We are a school committed to helping students achieve excellence in the skills and literacies required for college and career success in the 21st century. These include traditional skills and literacies (reading, numeracy, writing, etc.) as well as analytical thinking, creativity, collaboration, problem solving, judgment and reflection and fluency with digital media and design. It is our goal to create a nurturing school experience relevant not only to the interests and lives of our students, but also one that is focused on student futures (college and career) in a rapidly changing world.

**Program Highlights:** Daily Advisory, Game Design & Media Arts, Digital After-school Program, Online Courses, Internships, Multi-Disciplinary Instruction, Real-World Problem-based Learning, Girl Jam Technology and Fashion, iLearn NYC, Internships, Industry Mentorship Program, Urban Planning, Computer Programming, Integrated Technology; as we expand we expect to offer college-credit courses at The New School in addition to Regents courses

**Language Classes:** Chinese (Mandarin), German, Spanish, French, Latin (online blended model)

**Advanced Placement Courses:** As we expand, we plan to offer select AP courses

**Extracurricular Activities:** Student Government, Peer Mediation, Q2L Ambassadors, Citywide Math Olympiad, Model UN, Internships, Online learning opportunities, Art, Ensemble Band, Yoga, Dance **Clubs:** Will be based on student interest; we currently offer Gamestar Mechanic Club, Being Me, Q2L On-Line News, Little Big Planet, MindCraft

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

## Overview

Repertory Company High School for Theatre Arts is a small high school which offers a full academic program and comprehensive theatre arts classes. It is a program designed for students who aspire to work in the theatre arts field either as actors or behind the scenes. Our location, in the heart of the New York City theatre district of Times Square, supports our school focus. We offer small classes which allow our students the opportunity to experience all aspects of theatre from production to performance. Students have the opportunity to learn outside of the classroom by participating in the many student productions which include a comedy or classical drama, student written works, and a school-wide musical production each year. We expect all of our students to maintain high academic standards and to possess the willingness to explore all the imagination and creativity of theatre arts.

**Program Highlights:** Theater Introduction, Beginning, Intermediate and Advanced Acting, Playwriting, Stage Management and Production, Dance and Movement for actors, Musical and Classical Theatre, Senior Production Lab, Stagecraft Workshop, Honors Programs, Advanced Research, PSAT & SAT Prep, College Now, International Trademark Association (INTA) College Application Subsidy Program

**Language Classes:** Spanish

## Overview

At Richard R. Green High School, we nurture diligent, hard-working students who understand the importance and benefit of giving back to their community. All students have a choice to enroll in either the Teaching Academy or the Liberal Arts Academy. Our Teaching program is designed to develop a lasting commitment to education. Students have the opportunity to participate in off-site internships working directly with young students. We look forward to the maturation of our students into responsible, respectful professionals who maintain a desire to learn, understand and improve the world around them. Everyone's tomorrow begins with today's future teachers.

**Program Highlights:** Amy Sullivan Lee Teaching Academy offers Internships, education courses, including Adolescent Psychology, Issues in Education, Urban Challenges in Education, Lesson Planning; The Richard R. Green Liberal Arts Program offers Mentoring, Internships and classes in Fashion, Business, Multiculturalism, Classic Film, History through Film and Sociology; Fifth Year Paraprofessional Training

**Language Classes:** French, Spanish

**Advanced Placement Courses:** Biology, English Language and Composition, English Literature and Composition, Government and Politics: United States, United States History

**Extracurricular Activities:** Student Government, Leadership, Future Teachers of America, Earth Science, English, Living Environment, Math, Social Studies, Physics and AP Biology Resource Centers, Saturday School, Peer Tutoring, Band, Dance, Drama, Fine Arts **Clubs:** Art, Dance, Drama, Gay, Lesbian and Straight Alliance, Literary Magazine, School Newspaper, Senior Activities, Yearbook, College for Every Student (CFES), Cheerleading

Unity Center for Urban Technologies	M84A	Humanities & Interdisciplinary	Ed. Opt.	9	69	228
				10	10	20

**Overview**

Unity Center for Urban Technologies is a small community of learners. We take pride in our nurturing environment where all students can reach their fullest potential. We stress the importance of a student-teacher connection, as the most effective way to provide guidance and support to all of our students. We strongly believe that our young people can develop and enhance their skills at their own pace, in a supportive setting. At Unity, students are engaged in a challenging and relevant Regents-based academic program that enables our students to successfully enter higher education programs and achieve their career goals. Unity’s teachers and administrators examine all assessment data in order to develop alternative academic programs to strengthen student performance. We utilize Differentiated Instruction and technology to deliver a diversified curriculum, as well as arts programs that promote creativity and student engagement.

## Overview

The Urban Assembly New York Harbor School focuses on Marine Science, Marine Technology and Marine Policy. We believe in learning by doing. Students should expect to spend time outdoors in sites all over New York Harbor, in all seasons – rain, snow or sunshine. With our partners, we work to develop authentic activities on, around and related to the water that create a sense of responsibility and connection to New York Harbor and develop a new generation of maritime advocates, enthusiasts, workers and decision-makers. New York Harbor School's location on Governors Island is easily accessible from lower Manhattan, Brooklyn and Staten Island.

**Program Highlights:** All students must choose a Career and Technical Education Program of Study (POS) from the following four maritime related areas: Marine Technology, Marine Science, Marine Policy and SCUBA diving. A Program of Study concludes with a senior internship at a relevant maritime or marine-related business in the New York City area. Students who successfully complete a POS receive a special industry and college-approved credential on their high school diploma. Students are also required to take Advisory for two years. We offer free Semester Exchange Programs with The Island School in the Bahamas, Maine Coast Semester, The Woolman Semester in California and Semester at Sea.

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition, Spanish Language

**Extracurricular Activities:** Peer Mediation, Student Council, Harbor Corps, Peer Tutoring, National Honor Society, Yearbook, Step Team, Breakdancing  
**Clubs:** College, Drama, Crafts, Art and Photography, Chess, Robotics Team

**PSAL Sports – Boys:** Cross Country, Indoor Track, JV Baseball, Outdoor Track, Soccer

**PSAL Sports – Girls:** Cross Country, Indoor Track, JV Softball, Outdoor Track, Soccer

<b>The Urban Assembly School of Business for Young Women</b>	<b>M63R</b>	Business	Limited Unscreened	9	108	506
				10	10	33

## Overview

We provide a high quality education to young women with an interest in business. We offer a Regents-based and business-themed curriculum in a supportive small school environment. We foster the development of socially conscious young women who will think independently and embrace diversity. Our students are exposed to all areas of business and career options through our Career Exploration classes and Partnership programs, such as the Power Luncheon Series, Career Days and Mentoring. We prepare our young women to become future business leaders and to succeed in a diverse and ever-changing business environment.

**Program Highlights:** Foundations of Entrepreneurship, Marketing Concepts, Business Matters, Organizational Management, Social Entrepreneurship, Business Law, Financial and Accounting Practices, Statistics and Data Analysis, Authentic Business Research Project (ABRP), Advisory: College Connections, Career Planning Seminar, Internships; After-school Sessions: Tutoring and Regents Preparation

Urban Assembly School of Design and Construction	M44X	Architecture	Limited Unscreened	9	108	989

## Overview

The Urban Assembly School of Design and Construction (SDC) prepares students for college and beyond through a challenging academic program with an emphasis on Architecture, Engineering, and Design. Students take a bi-weekly Design Seminar and visit architectural sites throughout New York City. SDC is committed to involving students and families along the path to college through a challenging academic program, frequent communication, college advisory and extracurricular activities. These elements, in addition to our design program, create a supportive and challenging educational environment.

**Program Highlights:** Four years of English, Math, Science and Social Studies required; minimum study of two years of Design Studio, which includes Introduction to Concepts of Architecture, Design and Engineering; Electives include: Music, Drama, Creative Writing and College Writing; Internships at firms in the Architecture, Engineering and Construction Management fields; Participation in the Sponsors for Educational Opportunity (SEO) Program and Architecture, Construction and Engineering (ACE) Mentor Program

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition, United States History, World History

**Extracurricular Activities:** International Travel Opportunities, Junior State of America (JSA), Peer Tutoring, Student Council, New York Cares Community Service Projects, Homework Center, After-school Field Trips and Office Tours, SAT Preparation, Math Lab, After-school Summer Design Courses offered at art institutions **Clubs:** Dance & Step Team, Art, Chess, Drama, Environmental, Math, Photo & Media, Weight Training, Yoga, Design

**PSAL Sports – Boys:** Baseball, Basketball & JV Basketball, Bowling, Handball, Soccer, Volleyball

**PSAL Sports – Girls:** Basketball & JV Basketball, Handball, Volleyball

**PSAL Sports – Co-ed:** Bowling, Tennis

**School Sports:** Girls Softball Club

## Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:15 PM
- Dress Code Required: Boys - button-down dress shirt, dress pants, belt, dress shoes, full-length sweater; Girls - button-down shirt, dress slacks/skirt (one inch below the knee) black stockings, flat dress shoes, full length sweater
- Our program emphasizes design and architecture, not construction trades

## Overview

Our school community is committed to helping our students become literate, articulate, analytical, reflective and empathetic citizens. Respect for self and others is central to achieving our goals. Our Advisory system maintains close ties with our students and their families. As a member of the Coalition of Essential Schools, we adhere to the principles of: small class sizes, longer block scheduling, shared planning and instruction, cooperative learning, project-based curriculum, portfolio-based assessment in classes and graduation. Class discussions and assignments adhere to the Coalition Habits of Mind: using evidence, investigating points of view, making connections and seeking relevance.

**Program Highlights:** English/Social Sciences integrated Humanities in grades 9 and 10, individual History and Literature classes in grades 11 and 12, four-year Science curriculum with Robotics, Living Environment, Physics, Epidemiology, Biopsychology, four-year Mathematics curriculum culminating in Calculus; Studio Visual Arts featuring Painting, Digital Photography, Philosophy of Art, Furniture Making and Portfolio Preparation for art colleges, SAT Prep, College Exploring beginning in the 9th grade, two-year Reading and Writing Workshop Literacy Program, Student Leadership class, School Fairness Committee, Music Appreciation, Drama, College Now

### Overview

Wadleigh Secondary School for the Performing & Visual Arts is composed of five arts studios: Dance, Drama, Vocal Music, Instrumental Music and the Visual Arts. All students wishing to attend Wadleigh must audition for one of these studios. Students may be programmed for an Extended Day, as necessary, to fulfill both their academic and studio requirements. Our studios provide opportunities for our students to develop their talents in the arts as they pursue academic excellence. They will graduate from Wadleigh with a New York State Advanced Regents diploma.

**Program Highlights:** Advancement Via Individual Determination (AVID), College Now, Saturday Academy, Financial Literacy, Literary Media Program, Homework Help

**Language Classes:** Spanish

**Advanced Placement Courses:** Calculus AB, English Literature and Composition, Environmental Science, Spanish Literature, Statistics, United States History, World History

## Overview

The Young Women's Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the "whole girl" in order to maximize academic achievement, social emotional well being, and post-secondary success. TYWLS is supported by Young Women's Leadership Network and its CollegeBound Initiative in order to replicate the best practices of private and independent girls schools. TYWLS of East Harlem opened in 1996 as the first in the network. TYWLS strives to instill in students a sense of self efficacy and community responsibility: characteristics which will support them as they become the leaders of the next generation.

**Program Highlights:** CollegeBound Initiative, College Now, Science Education, Tutorials, Open Doors and Stage Doors (Theater), Orchestra, Chorus, Manhattan Theater

**Overview**

Baccalaureate School for Global Education (BSGE) is authorized by the International Baccalaureate (IB) Organization to offer the Diploma Program, a challenging college preparatory course of study that meets the needs of highly motivated students. We expect all students who successfully complete our course of study to be candidates for the International Baccalaureate Diploma. Our student body is comprised of an ethnically diverse and economically varied population of young people. BSGE students learn in an environment that encourages inquiry, and intellectual and social development. Our school community is committed to fostering learning opportunities enriched by global understanding and social responsibility.

**Program Highlights:** Pre-International Baccalaureate Diploma Program, International Baccalaureate Diploma Program, Personal Project, Extended Essay, Theory of Knowledge; Creativity, Action, Service (CAS) - Community Service requirement, Academic Advisory: Metacognitive Reading Program required; students take International Baccalaureate Diploma examinations in: Experimental Sciences, Mathematics, Foreign Language, World Literature, History and either Art or Information Technology in a Global Society

## Overview

Bard High School Early College Queens (BHSEC Queens) was founded on the belief that many students are ready to do serious college work at age 16. Bard College partnered with the NYC Department of Education to create an innovative program that enables high school students to move, in four years, from 9th grade through the first two years of college, earning a high school diploma, up to 60 college credits and an Associate of Arts degree upon graduation. Foundation courses in mathematics, science, and the humanities in 9th and 10th grade prepare students for college classes. In small, seminar-style classes, students develop and refine their writing and thinking skills.

**Program Highlights:** In their first two years at BHSEC Queens, students receive a solid grounding in mathematics, science, history, English, a foreign language and the arts. In the final two years, the college program balances core requirements in critical reading and analysis, mathematics, science, language & culture and the arts, with opportunities for students to pursue their individual interests. We offer a variety of college courses as well as the opportunity for students to engage in independent studies of their own design. Students completing 60 college credits receive the Bard College AA degree. Students may then transfer to colleges and universities with up to two years of college credit.

**Language Classes:** Chinese (Mandarin), Latin, Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Peer Counselors, Peer Tutors, Student Ambassadors, Yearbook, Mock Trial, BQ Broadside (Student Newspaper), HYPE (Literary Magazine and Music Review), Math Team, Art, Ballroom Dancing, Dance, Film, Journalism, Music **Clubs:** Ice Skating, Mock Trial, Outdoors, Philosophy, Seekers, Softball, Fencing, Chinese Movie, Student Ambassadors, BQ Broadside (student newspaper), HYPE (Literary Magazine and Music Review), Peer Counselors, Book, Competition Crew, Yearbook, Math Team, Music, Philosophy

**PSAL Sports – Boys:** Basketball, Cross Country, Outdoor Track, Wrestling

**PSAL Sports – Girls:** Basketball, Cross Country, Outdoor Track, Volleyball, Wrestling

**PSAL Sports – Co-ed:** Cross Country, Outdoor Track, Wrestling

**School Sports:** Boys Basketball, Girls Basketball, Girls Volleyball, Fencing, Boys Flag Football, Boys Handball, Ultimate Frisbee

## Additional Information

**2011-2012 Assessment Information**

- In order to be eligible to apply to Bard High School Early College Queens (and/or Manhattan Campus), student report cards should reflect a cumulative average of an 85 or above in English, Math, Science, and Social Studies and no more than ten (10) absences.
- All students wishing to be considered for admission to Bard High School Early College Queens (and/or Manhattan Campus) must register online for the assessment. Registration for the assessment begins on September 7, 2011 via the school's website at [www.bard.edu/bhsec](http://www.bard.edu/bhsec).
- Students may apply to both schools. They must, however, indicate each one as a separate choice on the Department of Education High School Application.
- Students only need to take one assessment in order to apply to either or both schools. The assessment may be taken in either our Queens or Manhattan location. Dates and times will be posted on the school's website at [www.bard.edu/bhsec](http://www.bard.edu/bhsec).
- In order to be admitted to the assessment, applicants are required to bring a copy of their previous year's report card to the test site; i.e. 9th grade applicants are required to bring a copy of their 7th grade report card and 10th grade applicants are required to bring a copy of their 8th grade report card.
- Students who demonstrate strong abilities in their grades and the assessment will be invited to an interview at BHSEC. Students receive an email invitation for an interview.
- When evaluating applicants, BHSEC seeks to build an incoming 9th grade class that is representative of the entire City of New York.

Channel View School for Research	Q97X	Humanities & Interdisciplinary	Limited Unscreened	9	108	664

### Overview

Just two blocks from the majestic Atlantic Ocean, Channel View School for Research overlooks beautiful Jamaica Bay. Applying the philosophy of active learning, students become researchers of pressing academic, environmental and social issues. In our small school that serves grades 6-12, our student-researchers experience the magic of learning in small classes while creating interdisciplinary projects. Students graduate ready for college and beyond with a love for learning that enables them to embrace their futures with confidence.

**Program Highlights:** College Preparation: Early College, SAT Prep, College Now; Pre-Law Program: Introduction to Law, Human Rights, Courtroom Procedures, Public Speaking, Forensics, US Government and Participation; Fine Arts Program: Visual Arts Three Year Sequence, Vocal and Instrumental Music, Jazz and Steel Band; Web Design & Development, Film and Mass Media, Internships, Community Service, Advisory

### Overview

Civic Leadership Academy (CLA) offers a challenging academic program with an emphasis on youth development through service learning. Our curriculum and focus on service learning will give students opportunities to discover their own place in the world and their capacity to make a difference. We are committed to meeting the diverse learning needs of our students and helping them excel in all academic areas. Our three core values – commitment to learning, commitment to community and empowerment – promote the social, emotional and academic development of our students by helping them become independent, critical thinkers who are assets to their communities.

**Program Highlights:** Service Learning, Youth Action and Development, Youth Council, Youth Leadership Development, Advisory, Peer Tutoring and Mentoring, College and Career Exploration; PSAT, SAT & Regents Prep Courses, Extensive use of the community and the City as a classroom, Technology integration across the curriculum

## Overview

East-West School of International Studies is a small school focused on individual excellence in learning. We prepare students for professional careers in an international world, as we believe a thorough understanding of Asia and a firm academic foundation is important to be competitive in the world of the future. While at our school, students become experts in an Asian culture and language, in addition to fulfilling their regular Regents requirements. Our graduates have strong reading and writing skills and proficiency in an Asian language. They are also prepared to use technology as a tool for lifelong learning and communication. Once they embark upon their careers, our school values of self-discipline, community, high standards, and perseverance will have prepared them for success.

**Program Highlights:** Accelerated math courses; a limited number of travel scholarships to East Asia and to summer language camps will be available to qualified students

**Language Classes:** Chinese (Mandarin), Japanese, Korean

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Advisory, Model United Nations, Tutoring, College Now (Queens College), SAT Programs, East-West Choir, **Clubs:** Queens College Literacy, Promotion, iMentor, MOUSE Squad (members help to maintain our school's computers/technology), Art, East-West Choir, Computer Animation, Drama, Cooking, Dance Team, Promotion, Science, Model UN; clubs and teams to be formed based on student interest

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** Judo, Yoga, Table Tennis, Handball, Running and Tennis Clubs

## Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:00 PM
- Uniform Required: collared shirt with East-West logo, khaki pants/dress pants/skirt (right above the knee); East-West shirts are ordered through [www.idealuniform.com](http://www.idealuniform.com)
- Extended Day Program
- Community Service Requirement
- All of our classes are taught in English; all students must study one other language (Japanese, Chinese or Korean) four times a week for four years culminating in a Regents exam
- Opportunities for study abroad to Asian countries during the summer

**Overview**

We serve recent immigrants who are both new to the United States and new learners of English. Teachers and students work in teams and teachers know their students well. Teams of teachers integrate interdisciplinary curriculum in which students work on projects that connect ideas from different classes. Both native language and English language development are supported across content areas. Our program is designed to help immigrant students succeed in college and the world of work.

**Program Highlights:** Collaborative group work and interdisciplinary study, small group Advisories, elective courses in academic subjects, arts, and technology, internships at local, businesses, technology, arts, and community-based organizations, College Now

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
<b>Film and Media Arts</b>	<b>Q40F</b>	Film/Video	Audition	9	25	259
				10	5	18
<p><b>Details:</b> Study includes text analysis, film as a cultural &amp; historical document, analysis of artist work; courses in video production, film theory &amp; history, industry practices &amp; legal issues; students have access to state-of-the-art digital technology</p> <p><b>Audition Information:</b> During the audition, students will submit for review 10 original drawings or photographs on 18" x 24" poster board that tells a sequential story without words. Images should demonstrate the applicant's knowledge of visual composition and storytelling. Students will be shown four images and asked to develop an original story that could be the basis for a film. Three questions should be considered while writing: Who are the characters? What problems do they face? What do they do to resolve them?</p>						

## Overview

It is the policy of Frank Sinatra School of the Arts (FSSA) High School that every student receives the most challenging academic and arts program. We offer every student the opportunity to take four years of science and math in addition to four years of English and social studies. The studio arts program provides students an intensive sequential study of an art form that includes the possibility to study the history, cultural significance and aesthetics of their selected art form. Students will be introduced to all of the disciplines offered at FSSA through a specially designed curriculum enabling students to make connections with all art forms and to foster a true artistic community.

**Program Highlights:** Extended Day program (90-120 minute classes per day in major), enrichment programs, internships with arts agencies, apprenticeships with artists, projects with cultural institutions, community service through the arts, College Now

**Language Classes:** Spanish

### Overview

Frederick Douglass Academy (FDA) VI High School is a high school built on Dr. Lorraine Monroe’s vision of academic and personal excellence for all students. The emphasis on college preparation is supported by a challenging academic program and cultural enrichment. A set of core rules visible at every Frederick Douglass Academy signals the seriousness of purpose for the school, its students, and teachers. All students must adhere to a code of student conduct, the Scholar’s Creed, and a strict uniform code. Students are also required to participate in extensive after-school academic enrichment programs.

### Overview

The mission of our school is to provide students with an in-depth, well-rounded education with an emphasis on science and mathematics. Classroom teaching and learning are complemented with authentic, inquiry-based research experiences. The combined research and teaching experiences prepare students to become critical thinkers and problem solvers to pursue careers in biological sciences, physical sciences, mathematics, engineering and veterinary sciences. The physical, emotional and social well-being of our student populace is nurtured through Advisories and service in a small and personalized learning community.

## Overview

The High School for Arts and Business is committed to academic excellence. We provide opportunities for our students to excel in academic, career and technical pursuits in the competitive 21st century. Our individualized programming helps to maximize opportunities for students to earn an Advanced Regents diploma and continue on to the college or career path of their choice. Through broad-based educational experiences our students develop technological and artistic literacy using an interactive approach. Our culturally diverse school community is focused on partnerships that support personal growth and emphasize a global community of understanding, leadership and integrity.

### Overview

Our mission is to prepare students to successfully pursue college and career opportunities while promoting a strong commitment to serving their community. Our curriculum combines an in-depth study of core subjects with field trips and hands-on learning experiences outside the classroom. In particular, students will apply what they learn in the classroom to real-life situations through internships and community service projects. Students will graduate from our school with a strong sense of individual and social responsibility and the leadership skills necessary to be outstanding citizens.

### Overview

We are a Career and Technical Education (CTE) school preparing students for college, technical school, and/or apprenticeships in the fields of the building trades, engineering and architecture. The instructional program is supported by a new stand-alone, state-of-the-art facility which houses specialized laboratories for computer-aided design, mechanical drafting, technical drawing, model building and construction technology. We are partnered with many of New York City's finest construction trades, construction management, architecture and engineering companies, which support the overall work of our school and the unique experiences of students and teachers.

**Program Highlights:** Themed/integrated curriculum and courses geared for college preparation, career opportunities, internships, mentoring, industry certification, post-secondary apprenticeship opportunities; Architecture, Construction and Engineering (ACE) Mentor Program; Honors courses that offer opportunities for Advanced Placement classes in the 11th or 12th grade and/or College Now (Psychology, Biology, Calculus, English, Statistics)

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, Calculus AB, English Language and Composition, English Literature and Composition, Statistics, United States History

**Extracurricular Activities:** Student Government, Student Leadership, National Honor Society, Field Trips, Internships; Architecture, Construction and Engineering (ACE) Mentor Program, Academic Advisors, Mentors, Community Service, Senior Capstone, Summer Bridge Program for Incoming Freshmen, **Clubs:** Drama, Computer, Art, Chess, School Newspaper, History, Karate, Music, Anime, Philosophy, Robotics

**PSAL Sports – Boys:** Baseball, Basketball, Cross Country, Indoor Track

**PSAL Sports – Girls:** Basketball, Cross Country, Indoor Track, Softball, Volleyball

**PSAL Sports – Co-ed:** N/A

**School Sports:** Bowling, Cheerleading, Flag Football, Soccer

### Additional Information

- Typical Freshman Schedule: 8:00 AM – 2:30 PM
- Uniform Required: short or long-sleeved polo shirt with school logo, black/khaki slacks/pants/skirt or capris below the knee
- Extended Day/Saturday School Program

## Overview

Jamaica Gateway to the Sciences is targeted at students interested in exploring the sciences and mathematics, especially medicine and related fields. Our students will benefit from reduced class size and an extended school day and week. Monthly Saturday seminars include community service projects, preparation for competitions and field trips. We offer PSAT & SAT Prep, Regents Review, College Readiness and internship opportunities. Starting in the 9th grade, required internships will expose our students to college and career options. Our graduates will be prepared for the challenges they will encounter in competitive colleges, universities and careers.

**Program Highlights:** Weekly Advisories, Career and College Counseling, Peer Tutoring, Big Brother/Big Sister, Research Classes, Internship process including exploration, application, and evaluation, Data analysis emphasis, participation in local and national competitions, hospital experience

**Language Classes:** Spanish; As the school expands, we expect to offer Latin and Chinese

**Advanced Placement Courses:** As the school expands, we plan expect to offer Calculus AB, English Literature and Composition, English Language & Composition, Biology, United States History, Spanish Language

**Extracurricular Activities:** Archon, Student Government, National Honor Society, Pre-Medical, Hilltopper (Award-Winning Newspaper), Step Clubs: Glee, Medical, Forensics, Pharmacy, Science, Key, International Dance & Culture

**PSAL Sports – Boys:** Baseball, Basketball, Bowling, Football, Outdoor Track, Soccer, Swimming, Volleyball, Wrestling

**PSAL Sports – Girls:** Basketball, Bowling, Cross-country, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Volleyball

**PSAL Sports – Co-ed:** Fencing, Golf, Handball, Tennis

**School Sports:** Cheerleading, Weightlifting

- Weekend Program offered

#### Jump Start Academy

- Jump Start Academy is for all of our incoming 9th graders. The Jump Start Academy gives students the opportunity to begin their high school career in a smaller, more individualized learning setting. At the Academy, students are supported educationally and socially in making the transition from middle school to high school by having a guidance counselor monitoring and supporting each student’s progress. Reduced class size, extended day programs and summer credit accumulation classes will also support the students. Our teachers and an exciting interdisciplinary curriculum provide a rich instructional experience with additional literacy support and extended day services. We are committed to preparing students for timely graduation and entry into college or careers. At the end of 9th grade, all students will attend the main building for the rest of their high school career.
- Jump Start Academy Location: 120-27 141st Street, Ozone Park, New York 11416. The phone number is 718-835-6213. Subway: A to Rockaway Boulevard followed by Q7 to Rockaway Boulevard & 140th Street; Bus: Q6 to Sutphin Boulevard & 120th Avenue.

<b>Metropolitan Expeditionary Learning School</b>	<b>Q49A</b>	Humanities & Interdisciplinary	Limited Unscreened	9	108	N/A

## Overview

We follow the Expeditionary Learning model, in which students engage in learning expeditions and have multiple opportunities for hands-on learning. Students participate in fieldwork experiences with civic leaders, industry figures and environmental scientists who take them outside of the classroom to give them a chance to experience the concepts that they are learning. Students receive a strong background in science, technology and sustainability and have many opportunities after school to apply the ideas learned in class to real-world projects such as gardening, Green Team and Sustainability Committee.

**Program Highlights:** Four-day wilderness/backpacking adventure; Crew (small Advisory groups); Travel Abroad/Cultural Exchange Program, Science and Technology Enrichment Program (STEP), Enrichment classes: Art, Music, Theatre

**Overview**

Our mission is to offer students opportunities to achieve success by providing a small personalized environment on a college campus. We provide concrete experiences which will help students connect to the next stages of their academic and social lives as well as their careers. They have open access to the campus of LaGuardia Community College and may enroll in college classes as part of their high school instructional program.

**Program Highlights:** The focus in grades 9 and 10 is academic and literacy skill development to prepare students for college coursework in grades 11 and 12. All students are expected to attempt college coursework prior to graduation. Our required daily seminar provides additional support for our high school students who are enrolled in college courses. After graduation from our high school, our students may remain at the school for an additional year to earn their Associates Degree from LaGuardia Community College.

**Language Classes:** American Sign Language

**Advanced Placement Courses:** N/A

**Overview**

The Pan American International High School is a diverse learning community of recently-immigrated English Language Learners (ELL). Our primary focus is on English language development, while providing opportunities to enrich Spanish language skills. Students will learn about Latin American themes and topics which are integrated into both classroom learning and community service projects. The Puentes Program, a partnership of our school with the Latin American Integration Center, cultivates the leadership of students in their communities through service learning projects and internships. We are committed to creating an environment that values students' cultures, native languages and individual differences, while preparing them for success as they navigate a changing world.

**Program Highlights:** Electives, After-school and Extracurricular Activities, Internship, Community involvement through community organizations, Make the Road NY, College Prep

<b>Queens High School for the Sciences at York College</b>	<b>NO CODE</b>	Science & Math	Test	9	90*	16,597
				10	7*	934
<b>For Test:</b> Guidance counselors will provide each student with an Admissions Ticket indicating the date, location and time of the Specialized High Schools Admissions Test (SHSAT). This must be presented at the test site. If a change of day is required, the student must inform his/her guidance counselor.						

**Overview**

Our school is dedicated to providing a challenging curriculum emphasizing the sciences, in collaboration with York College/City University of New York (CUNY). Founded in September 2002, the school is one of the eight Specialized High Schools where admission is based on the score attained on the Specialized High Schools Admissions Test. The philosophy of the school is that students are more successful in life when nurtured in a small learning community. For this reason, our school accepts approximately one hundred students in each entering class and maintains an average class size of twenty-five students.

**Program Highlights:** We have a strong curriculum, including thirteen Advanced Placement courses and many electives, especially in math and science; students have the opportunity to enter science, mathematics, and technology competitions at city, state and national levels; College Now; course offerings vary from year to year based on student interest

**Language Classes:** French, Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Calculus BC, Chemistry, English Language and Composition, English Literature and Composition, Environmental Science, French Language, Music Theory, Physics B, Spanish Language, United States History, World History

**Extracurricular Activities:** Student Government, Leadership Class, Peer Tutoring, Peer Counseling, Peer Mediation, Science, Biology, Chemistry and Physics Olympiads, Intel Science Talent Search, Siemens Science Competition, Math Team, Math Competitions, Arista Honor Society, Newspaper, Literary Magazine, Model United Nations (UN), Chorus, Jazz Ensemble, Music Appreciation, Art History, Drawing, Art Portfolio Preparation **Clubs:** Book, Chess, Christian Fellowship, Baroque, Dance, Digital/Video Photography, Film, GO, Jazz, Key, Knitting, Art, Ping-Pong, Polar Bear

**PSAL Sports – Boys:** Handball, Swimming, Tennis

**PSAL Sports – Girls:** Bowling, Swimming

**PSAL Sports – Co-ed:** N/A

**School Sports:** Swimming, Dance, Handball, Tennis, Bowling

**Additional Information**

- Typical Freshman Schedule: 8:00 AM – 3:15 PM
- This is one of New York City’s eight (8) Specialized High Schools that require the Specialized High Schools Admissions Test (SHSAT). For additional information and the 2011 test dates, see the front of this directory and obtain a copy of the “Specialized High Schools Student Handbook” from your guidance counselor.

**Note**

\*Each year, the number of seats available at each Specialized High School may increase or decrease based on school enrollment.

## Overview

Queens High School of Teaching, Liberal Arts and Sciences is an ideal school for students who wish to become educators or work in related fields. Our students are programmed into one of three small learning communities where they are known by peers and teachers. There is a daily literacy program with an emphasis on self-selected reading, a student advisory program, and a Teaching Institute (see program description). District 75 students and all Special Education students are included in our mixed ability classes. The school is a state-of-the-art facility with contemporary computer labs, a distance learning lab, science labs and a theatre. We are part of a three-school, 32-acre landscaped campus in eastern Queens.

**Program Highlights:** Exploration of Teaching and related education professions, Internships through the Teaching Institute, Museum Art Internships, College Now; In lieu of Advanced Placement courses, students are offered college level courses at Queens College and Queensborough Community College

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

### Overview

Our school is designed to help students answer three questions: Who am I? Who do I want to be? How do I get there? Through our heterogeneous small learning communities, students, faculty/staff and parents develop close relationships to collaboratively support the academic, social-emotional and extracurricular needs of each student. Students develop knowledge, skills and work habits of successful professionals to prepare for the college and career of their choice. An emphasis on foundational knowledge, 21st century skills and credit accumulation in 9th & 10th grades provides students opportunities to explore their interests and take advanced and college-level courses in 11th & 12th grades.

**Program Highlights:** 9th grade program: Advisory, Physics, Integrated Algebra or Algebra II/Trigonometry, English Language Arts I & II, Global History I & II, Languages Other Than English (LOTE) with Rosetta Stone, English Enrichment, Math Enrichment, Physical Education (PE), Health, PE Elective, Introduction to the Arts (Theatre, Visual Arts, Dance). 10th Grade Program: Advisory, Chemistry, Geometry, English Language Arts III & IV, Global History III & IV, LOTE, PE; Electives (Arts, Advanced Placement (AP) Physics, Creative Writing)

## Overview

The Queens School of Inquiry (QSI) prepares students by developing academic skills in an environment that promotes inquiry-based learning and self management. A close collaboration with Queens College, The City University of New York and the Bill & Melinda Gates Foundation, along with a dedicated teaching faculty, helps us promote college readiness and career awareness. We are a neighborhood school that emphasizes real-life applications in our effort to educate caring and ethical citizens. As we expand, we plan to offer our high school students the opportunity to earn college credits through Queens College.

**Program Highlights:** We offer college classes in 9th grade in addition to our high school courses; yearly Independent Inquiries (independent study projects)

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** Student Government, Peer Mediation, Advanced Math, Math Tutorial, early morning Tutoring, Drama, Studio Art, String Ensemble

**Clubs:** Graphic Animation, Photography, Chess, Art Design

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** N/A

**PSAL Sports – Co-ed:** N/A

**School Sports:** Soccer, Table Tennis, Tennis; other sports based on student interest

## Additional Information

### Overview

Our school serves young adults in grades 7 through 12. The building is warm and welcoming. Our faculty members have made a long-term commitment to Wagner. Teams of teachers work with students in the same grade and meet regularly. Each student has an advisor who is responsible for monitoring the progress of students, and who serve as the contact person for each student's family. Freshman and sophomore students are enrolled in full credit college and career readiness classes.

**Program Highlights:** Digital photography, career education internships, theater, art gallery, Chess-in-the Schools, College Now, classes at LaGuardia Community College for college credit & access to its campus, Upward Bound, Middle College National Consortium student conference, town meetings

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** United Student Organization, Eatwise Program, National Honor Society, Trips to museums and galleries **Clubs:** Cultural Diversity, Chess, Long Island City Roots Community Garden, Art, Yearbook

**PSAL Sports – Boys:** Baseball, Basketball, Golf, Soccer, Volleyball, Wrestling

**PSAL Sports – Girls:** Basketball, Golf, Soccer, Softball, Tennis, Volleyball

**PSAL Sports – Co-ed:** Wrestling

**School Sports:** Our athletes join the International High School at LaGuardia Community College and Middle College High School at LaGuardia Community College, as the Panthers, to compete against many larger schools.

## Overview

Our school provides students with a challenging academic program that will prepare them for college and careers. Our school community gives our faculty the opportunity to work collaboratively with students. The mastery of a writing and technology-based curriculum prepares students to be successful in achieving their future goals. Classrooms are equipped with SMART Boards and wireless Internet. Each student has access to an Apple MacBook. Our digital television studio allows students to generate TV programs, interviews and panel discussions that relate to our school and community. Much of the learning is centered on project-based learning activities.

**Program Highlights:** Journalism, Studio Art, Contemporary Art, TV Production, Music Theory and Composition, PowerSpeak Foreign Language Online Program, K12 Online AP-English Literature and Composition, PLATO Online Learning, Law, Digital Writing, and Kaplan SAT Prep.

**Language Classes:** Spanish

**Advanced Placement Courses:** English Literature and Composition; As we expand, we plan to offer Advanced Placement courses in Biology, Chemistry and Global History

**Extracurricular Activities:** Student Government, School Service and Leadership Program, New York Academy of Medicine, Arista National Honor Society, TV Production, Fashion **Clubs:** Art, Photography, Drama, Journalism, Strategic Gaming, Soccer, Cheerleading, Intel School Research

**PSAL Sports – Boys:** Basketball

**Overview**

Learning is constant at Rockaway Collegiate High School (RCHS). We offer a collaborative educational experience in which talented students are challenged to expand their intellect and develop the habits of inquiry, expression, critical thinking, problem solving, research and presentation. We ensure this with the development of consistent structures, additional time and support when needed. RCHS strives to know each student personally through the provision of an individualized student success plan which outlines the steps each student needs to take, informed by precise data, in order to be academically successful. Every student is required to provide portfolios for promotion in addition to passing all Regents exams.

**Program Highlights:** Individual Success Plan (ISP), Exploration Lab, Financial Peace--Foundations in Personal Finance (Financial Peace Foundation), Public Speaking, Academic and Social Networking through our Mentorship Program, Summer Leadership Academy, Saturday Success Academy, Advisory, Community Service, Internships

Rockaway Park High School for Environmental Sustainability	Q36A	Humanities & Interdisciplinary	Limited Unscreened	9	108	197

**Overview**

The mission of our school is to prepare students for college and career opportunities through a curriculum centered on the theme of environmental and social sustainability. Students will learn academics and employable skills by studying topics relevant to their lives in areas such as: organic foods and nutrition, green building and development, renewable energy and others. Students can also complete coursework that leads to a certificate in green carpentry or culinary arts. Students are expected to graduate with the analytical skills needed to pursue their own scholarly passions and interests after high school.

**Program Highlights:** Our curriculum will rely heavily on the concept of environmental and social sustainability. In addition to their work in Regents courses, students will be prepared to complete academic and career industry certification programs.

## Overview

Scholars' Academy is an academically demanding, selective high school that prepares students for the challenges of college learning. Comprised of multi-talented students, our diverse student body is challenged by an ambitious curriculum in the areas of English, Math, Science, Social Studies, Language and the Arts. All classes are honors or Advanced Placement and students have the opportunity to earn college credit in their junior and senior years. Teachers work closely with students on an individual basis within a school-wide cooperative group structure to ensure their success.

**Program Highlights:** Scholars' Academy follows a unique course of study which allows students to complete most of their high school graduation requirements by the end of grade 10. All students take Advanced Placement courses in grades 11 & 12 and many apply for internships. Students may elect to earn college credit for several classes through a partnership with St. Francis College. Elective courses in media, visual arts, technology and music; advanced courses in visual arts; online courses in grade 12

**Language Classes:** Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Chemistry, English Language and Composition, English Literature and Composition, Government and Politics: United States, Statistics, United States History

**Extracurricular Activities:** Student Government, Summer Jobs Program, "Scholars' Shadow" Internships, Mentoring Program, Peer Tutoring, Mathletes, Journalism, SAT Preparation Courses, Independent Art Studio Morning Program, Metropolitan Museum of Art HS Tour Program, "The World of Art;" Carnegie Hall Cultural Exchange Program, "The Music of India;" Guitar, Percussion, Sculpture, Drawing, Art & Design, Painting, Video Production, Digital Photography  
**Clubs:** School Newspaper, MOUSE Squad, Web Design, LEGO Robotics, Spanish, Science, Step, Film Production, Band, Chorus, Dance, Drama, Stage Crew, College Awareness Student Team (CAST), Shakespeare, Forensics, Key

**PSAL Sports – Boys:** Basketball, Golf

**PSAL Sports – Girls:** Basketball, Volleyball

**PSAL Sports – Co-ed:** Bowling, Swimming

**School Sports:** Co-ed: Archery, Cross Country, Girls Softball, Cheerleading, Fitness, Step, Wrestling

## Additional Information

- Typical Freshman Schedule: 8:45 AM – 3:00 PM
- Uniform Required: navy blue Scholars' Academy polo shirt with school logo, tan khaki pants, closed-back shoes
- Community Service Requirement
- Summer Internship Program offered
- 8th graders applying to the Scholars' Academy must have already passed the Integrated Algebra Regents. A passing grade on a Science Regents exam is also preferred.

## Overview

Townsend Harris is an academically selective high school that is recognized nationally as a model of secondary education. The student body is comprised of approximately 1100 culturally diverse individuals who have demonstrated evidence of high academic motivation and achievement. Our program emphasizes mastery in the Humanities, math and science, with an emphasis on Classics, and requires of our students the leadership skills, discipline and work ethic expected by the most demanding colleges and careers.

**Program Highlights:** All classes are honors, Advanced Placement or college-level; advanced elective courses are offered in all subjects including Social Science and Science Research; Our Humanities-focused curriculum includes two additional 9th grade English classes: Writing Process and Linguistics. All seniors take 12 free college credits at Queens College, including an elective and a Humanities seminar co-taught by a professor from the college and a teacher from our school. We offer Concert Band, Chamber Music, Jazz Ensemble, and Music Theory. Juniors take College Now Classes at Queens College

**Language Classes:** Classical Greek, French, Hebrew, Japanese, Latin, Spanish

**Advanced Placement Courses:** Calculus AB, Calculus BC, Economics: Macro, English Literature and Composition, Environmental Science, European History, French Language, Government and Politics: United States, Japanese Language and Culture, Latin: Vergil, Psychology, Spanish Language, Statistics, United States History, World History

**Extracurricular Activities:** Student Government, Consultative Council, Student Union Executive Board, Student Mentoring, Senior Council, Junior Grade Leaders, Sophomore Grade Leaders, Freshman Grade Leaders, Model United Nations, Moot Court, Mock Trial, Math Team, Fed Challenge, NYC & NYS History Day, We The People, "The Classic" (school newspaper), "The Phoenix" (literary/art magazine), "Crimson and Gold" (yearbook), "The Journal of Science Research", "Quantum Cat" (literary/science magazine), Brain Bee, New York City Science & Engineering Fair and Junior Science & Humanities Symposium, Science Olympiad Team, US FIRST (For Inspiration and Recognition of Science and Technology) Robotics Team, Honor Societies: Arista, National, Archon, Student Service, Japanese, MuAlpha Theata, MYS Science; American Classic League Honor Awards Society, Art Shows, Winter and Spring Concerts, SING, Festival of Nations, School Play and Musical **Clubs:** More than 40 clubs including: Amnesty International, Anime, Arabic, Chess, Cinephiles, Creative Writers' Workshop, Dance Dance Revolution (DDR), Drama, Educate to Elevate, Fashion, Free the Children, Glamour Gals, Glee, Jewish Culture, Key, Knitting, Latin Dance, Muslim Student Association, Photography, Red Cross, SAGES, Scrabble, Seekers, Society for the Preservation of the Earth, Trivia & Knowledge, Video Production

**PSAL Sports – Boys:** Baseball, Basketball, Bowling, Cross Country, Fencing, Handball, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball

**PSAL Sports – Girls:** Basketball & JV Basketball, Bowling, Cross Country, Fencing, Handball, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Tennis, Volleyball & JV Volleyball

**PSAL Sports – Co-ed:** Wrestling

**School Sports:** Off-season Co-ed Baseball, Soccer and Swim Clubs

## Additional Information

- Typical Freshman Schedule: 8:00 AM – 2:30 PM
- All students are required to be in the 90th percentile or above on Math and Reading standardized tests as well as have a minimum grade point average of 90 in June of 7th grade when being considered for a 9th grade seat
- All students are required to study two years of Classical Greek or Latin
- Townsend Harris students are enrolled in eight academic subjects each semester, one more than the usual high school program

Programs Offered

Program Name	Code	Interest Area	Admissions Method	Grade	2010 Seats	2010 Applicants
Intensive Academic Humanities	Q37J	Humanities & Interdisciplinary	Screened	9	270	5151
				10	5	373

**Details:** A humanities-based approach to excellence in all subject areas, achieved through extensive literature and writing courses, advanced courses and electives in English, Social Studies, Modern and Classical Languages, Math, Science, Social Science and Science Research, and a required Queens College Humanities Seminar.

### Overview

The mission of York Early College Academy is to develop the skills needed for success in college and careers. College preparation is introduced and continually communicated to our students. This goal is expressed by teachers, parents and the surrounding and supporting community. In addition to a challenging academic curriculum, we are pleased to offer students the opportunity to graduate from our school with a high school diploma and 60 college credits. Our students will have the opportunity to study with the full support of York College, the Early College Initiative and the Department of Education. York College Academy is an open road to college.

**Program Highlights:** Early College

## Overview

The Young Women's Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the "whole girl" in order to maximize academic achievement, social emotional well being, and postsecondary success. TYWLS is supported by Young Women's Leadership Network and its CollegeBound Initiative in order to replicate the best practices of private and independent girls schools. TYWLS of Astoria opened in 2006 as the fourth in the network. TYWLS strives to instill in students a sense of self efficacy and community responsibility: characteristics which will support them as they become the leaders of the next generation.

**Program Highlights:** CollegeBound Initiative, small interdisciplinary learning environment, collaborative group work and project-based instruction; Advisory classes focusing on female adolescent development, positive self-image, early college awareness

**Language Classes:** Spanish

**Advanced Placement Courses:** N/A

**Extracurricular Activities:** College Discovery Day, Peer Mediation, Girl Up, Student Government, Ladies First, After-school Tutoring, Summer Academy, Mathletes, School Newsletter, Stock Market Game, Chorus, Guitar, Step Up Drama, Spring Showcase, Dance, Creative Writing, Newsletter, Piano, Violin Choir, Eco-Friendly Fashion Show **Clubs:** Multicultural, Save the Manatees, Spelling Bee, Drama

**PSAL Sports – Boys:** N/A

**PSAL Sports – Girls:** Rugby

**PSAL Sports – Co-ed:** N/A

**School Sports:** Annual Field Day, PSAL Archery; Cooperative, Healthy, Active, Motivated, Positive Student (CHAMPS), Basketball, Soccer, Track and Field, RowNY

## Additional Information

- Typical Freshman Schedule: 8:00 AM – 3:00 PM
- We are a single gender school
- Uniform Required: official school uniform (navy blue and gray with school logo) may be purchased at a uniform store to be announced
- Community Service Requirement
- Student Summer Orientation

**Overview**

Our challenging program maintains high standards and infuses global themes throughout content areas. Students study four years of world language, complete 120 hours of community service, participate in Service-Learning and present comprehensive end-of-term portfolio projects. Teachers work collaboratively to meet students' individual needs and prepare them for college. To that end, we offer credit-bearing college courses. Students will have the opportunity to travel and/or participate in foreign exchange fostering cross-culture learning and communication. All students enroll in Advisory classes to develop the following skills: enriched communication, social proficiency and global awareness.

**Program Highlights:** Various college courses in collaboration with College of Staten Island (CSI); International Journalism, Model United Nations, UNICEF, Independent Study, College Now, Global Art, Digital Photography, Dual Credit Program, CSI Tuition Waivers, Forensics, International Travel, Exchange and Language Immersion Programs; Internships with businesses, government offices, health care providers and not-for-profit organizations

**Language Classes:** Chinese (Mandarin), Japanese, Spanish

**Advanced Placement Courses:** Biology, Calculus AB, English Literature and Composition, European History, Spanish Language, Studio Art: 2-D Design, United States History

## Overview

We are a comprehensive, college preparatory school that offers a wide array of academic opportunities. Our students are challenged to their maximum potential and are encouraged to meet and exceed the standards in all subject areas. What separates Petrides from other high schools is not only its level of academic excellence, but its strong sense of community and family. Our small intimate setting allows students to grow both academically and socially.

**Program Highlights:** Laptop distribution program providing wireless Internet access for students; Special Arts Program with courses in: Instrumental, Orchestral and Vocal Music, as well as Fine Arts, Sculpture and Graphic Design

**Overview**

We are a school rich in instructional techniques and support services where students are educated in one of our eight small learning communities (SLC). Each of our four wings houses two of these SLCs, whose focus is on college and career preparation. Students and teachers select programs which are of interest to them. Each program also has an assistant principal, two teacher coordinators, a guidance counselor and an aide in addition to the teaching staff.

**Program Highlights:** The Mathematics and Science Health Careers Institute, The Law, History & Human Rights Institute, Corporate Center for Business and Technology, Future Teachers Academy, Academy of Communication and Media Arts, Institute of Forensic Science and Criminology, Academy of Fine and Dramatic Arts, Allied Health Academy; College Courses: Anatomy and Physiology, Spanish, Italian, Art History, Child Development and Teaching Methodology, Business Communication, Humanities, Issues in Science, Pre-Calculus, College Now, After-school Tutoring

**Language Classes:** Italian, Spanish

**Advanced Placement Courses:** Biology, Calculus AB, Computer Science A, English Literature and Composition, United States History, World History

**Extracurricular Activities:** Student Government, Leadership Team, Community Service Projects, Council for Unity, Conflict Resolution Team, Link Employment and Responsibility Now (LEARN), NFL Play It Smart, NBA Project Rebound, Peer Tutoring, Baruch/Merrill Lynch Initial Public Offering (IPO) Challenge, Federal Challenge, Stock Market Challenge, PM/Saturday School, Cranial Crunch Team, Yearbook Squad, Literary Magazine, School Newspaper, SING, First Aid/CPR, National Honor Society, Italian and Spanish Honor Societies, Literary Magazine, School Newspaper, Math Team, Small Learning Community-based Activities, Virtual Enterprise, Yearbook Design, Computer Graphics, Stage Design, Drawing, Painting, Marching Band, Symphonic Band, Chorus, Dance Team, Performing Arts, Video Yearbook, Musical Performances **Clubs:** Chess, International, Drama, Dance Dance Revolution, Ice Hockey, Business and Marketing, Graphic Design, Newscast Production, Anime, Martial Arts, Moot Court, Forensics, American Sign Language, Gay-Straight Alliance, Russian, Model Airplanes, Careers through Culinary Arts Program (C-CAP), Creative Writing, Jewish Culture, Social Obstacles, Fitness Training, Float Committee, Ping-Pong, Environmental Awareness, INTERACT Service, Guitar

**PSAL Sports – Boys:** Baseball & JV Baseball, Basketball & JV Basketball, Bowling, Cross Country, Football & JV Football, Golf, Handball, Indoor Track, Lacrosse & JV Lacrosse, Outdoor Track, Soccer, Tennis, Volleyball, Wrestling

**PSAL Sports – Girls:** Basketball & JV Basketball, Bowling, Golf, Gymnastics, Handball, Outdoor Track, Soccer, Softball & JV Softball, Tennis, Volleyball & JV Volleyball

**PSAL Sports – Co-ed:** Wrestling, Gymnastics

**School Sports:** Cheerleading, Pilates, Dance, Weight Training, Self-Defense, Adaptive Physical Education, Hoops for Harmony, 9th Grade SLC Challenge

**Additional Information**

- Typical Freshman Schedule: 8:00 AM – 2:15 PM
- Extended Day Program
- Internship Requirement
- Community Service Requirement
- Weekend Program offered
- Student Summer Orientation

Programs Offered

## Overview

We integrate academic curriculum and professional career preparation. Our students master both instructional and technological content which leads to post-secondary pathways such as college, technical institutes or apprenticeships in Computer Networking, Graphic Arts and Design, Pre-Engineering/Architecture, Construction Trades, Cosmetology or Automotive Technology. Students are in state-of-the-art labs, using industry-standard software and hardware. As the only Career and Technical Education (CTE) school on Staten Island, we pride ourselves on the affiliation with companies, organizations and foundations that support our students' learning and on the work, vision and mission of the school.
