Eleanor Roosevelt High School is a comprehensive high school in Riverside County, California, with an enrollment at 4,700 students. The school celebrated its ten-year anniversary in 2016. The school's 62-acre campus is nestled in a growing suburban area called Eastvale, in the greater Inland Empire region. The four corners of the school are literally sandwiched between rows of new housing tracks and existing farms and dairies. The 2016-2017 school year welcomed the first class of freshman to the Eastvale STEM Academy; the three-story eSTEM facility opened on the ERHS campus this year.

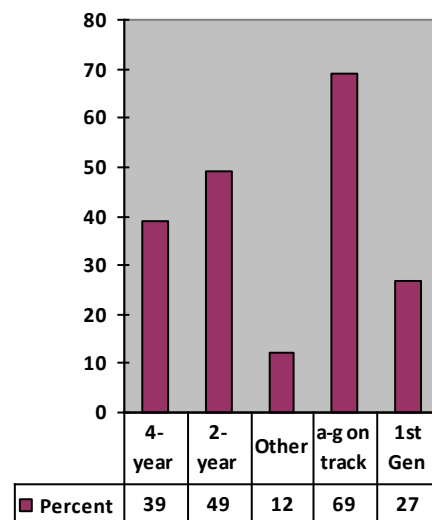

Over the last ten years, Eleanor Roosevelt High School students have made their mark in various national and state academic award programs such as the National Merit Scholarship Program, the Gates Millennium Scholar program, Girls and Boys State, and the prestigious Questbridge College Matching Program.

In 2017, ERHS partnered with our local community college to offer Dual Enrollment college classes on our high school campus. The course offerings were limited at first, however with each subsequent semester, ERHS is offering more classes in varying subject areas as interest in the program grows. Students are taking full advantage of earning college units while completing their high school requirements; over 300 students are enrolled in the Dual Enrollment program.

Eleanor Roosevelt High School Mission Statement

The school's mission is to create a dynamic, innovative learning environment that meets the needs of our diverse student body, guiding students toward excellence in college and career readiness, while challenging them to be responsible citizens.

**Eleanor Roosevelt High
Class of 2019**

Students

Eleanor Roosevelt High School supports a diverse student body. Among the 4,684 students enrolled in August, there is a small, but robust, presence of special needs students ages 14-22 who participate in some

Student Enrollment by Grade Level:

**The College Board is not providing mean scores for tests with fewer than ten students testing.

Class Rank: Grade levels included are 9th through 11th grades (including summer session) for 6th semester transcript; 9th through first semester 12th for the 7th semester transcript. All semester and/or yearlong courses are included. Specific rank is reported for each student.

Grade Point Average Computation:

A = 4 points B = 3 points C = 2 points D = 1 point F = 0 point

In determining Grade Point Average, one point per semester is added for each course taken from Advanced Placement and Honors level courses as noted on the transcript.

Transcript Data:

9-12 Weighted GPA: This represents all marks earned during grades 9-12 including the extra grade point weight for any Honors or AP coursework. *CNUSD weights all Honors coursework.*

9-12 Unweighted GPA: This represents all marks earned during grades 9-12 on a 4-point grading scale.

***Math or foreign language courses taken in middle school are not reflected on the high school transcript.
Community Service is not required for graduation.

Eleanor Roosevelt High School: Curriculum

Eleanor Roosevelt High School offers a rigorous academic curriculum. The majority of classes are offered at the College Preparatory level. Students who meet course prerequisites may enroll in Honors and Advanced Placement courses. There are six class periods in a modified rotating block schedule with one common day. The Corona Norco Unified School District's minimum credit requirements for high school graduation are listed below.

English	40	Science	20	Language Other than English (LOTE) or Visual/Performing Arts	10	Physical Education	20
Mathematics	20	Social Science	30	Health	5	Additional courses & electives	75
						Total	220

College Preparatory (CP) Course Offerings by Subject Area:

We offer 13 Honors courses and 26 Advance Placement courses. Courses indicated with an asterisk * receive an extra point in the grade point average calculation. Students taking these courses will be awarded bonus points by the University of California.
