RE: CBCSF Scholarship Applications

The Connecticut Building Congress Scholarship Fund (CBCSF) announces that it will once again be offering scholarships to graduating Connecticut high school students entering college-level programs in architecture, construction-related engineering, construction management, surveying, planning or other courses of study leading to associate, baccalaureate, or masters degrees in the construction field.

The awards will be given for academic merit, extracurricular activities, potential and financial need. The scholarships may be renewable each year based on performance in school and available resources. The number of awards as well as the amounts may vary at the discretion of the CBCSF Board of Directors. In recent years, scholarships have ranged from \$1,000 to \$3,500 per year.

Attached is an application. Please feel free to make copies and distribute them to interested students and parents. Electronic versions of the application in a Microsoft Word format are also available from the Connecticut Building Congress (CBC) website at:

http://www.cbc-ct.org/CBC_Scholarship

Completed applications with all the necessary information and attachments must be received by March 06, 2020.

Scholarship recipients and up to two of their family members will be invited to be guests of the CBC at the CBC Annual Meeting and Project Team Awards Banquet on June 09, 2020, at the Bond Ballroom in Hartford, where they will be recognized for their achievements.

We realize that this is a chaotic time of the year for schools, but we hope you will make your students aware of this opportunity. If you have any questions, please feel free to contact me.
