Inre: Notification of Potential Exposure

Dear McKenzie Family:

Today we were notified that a student in an 11th grade classroom tested positive for COVID-19. Due to privacy laws, we are unable to identify the person, but this person was last in the building on Tuesday, December 1, 2020. Over the next several days, please monitor your own symptoms and/or your child's symptoms.

If you are a parent/guardian and you or your child develop potential COVID-19 symptoms, please notify the principal of your child's school. If you are an employee and develop potential COVID-19 symptoms, please notify your immediate supervisor and stay home from work. Please contact your healthcare provider to determine if you need to be tested.

The school is working to insure that OUR students and employees remain safe during the instructional day. WE are taking all necessary measures to clean and disinfect the school campus.

If you have any questions please contact the school at (334) 374-2711.

Sincerely,

Miles K. Brown, Principal
