

Chelsea Park Elementary School

Continuous School Improvement Plan

2020-2021

Mission: **C**hildren+**P**arents+**E**ducators=**S**uccess

Vision: Our vision at CPES is to prepare students for life-long learning in a safe, engaging environment

English Language Arts

Objective: Develop data informed instructional practices that improve Tier I learning for all student
Critical Initiative: Implement standards based, targeted ELA instruction

Activity:	Activity 1: Phonics-Teachers will use Orton Gillingham strategies to build phonics skills in reading.	Activity 2: Reading Vocabulary: Teachers will model higher level vocabulary skills in reading. Teachers will ask students to identify and know the meaning of target vocabulary learned through direct instruction, classroom discussions, and structured tasks.
Activity Measure:	Notes Lesson Plans Phonics Assessments Student journals	Teacher Observations Notes Vocabulary journals Vocabulary assessments
Benchmark Assessment:	County Writing Assessment	iReady

Math

Objective: Develop data informed instructional practices that improve Tier I learning for all students
Critical Initiative: Implement standards based, targeted Math instruction

Activity:	Activity 1: Word Problems-Teachers will use HMH and iReady to teach and model strategies for solving word problems.	Activity 2: Counting Collections: Teachers will ask higher order questions while students count and sort collections of objects.
