

Crosby High School

Governance Board Meeting

March 13, 2014

Leadership Change

Principal, Michael Cain resigned from Crosby High School on March 28, 2014 his last day.

Principal Michael Yarmin will take the place of Principal Michael Cain.

Dr. Aresta Johnson will assist with ALID

Mr. Corcoran explained the procedure for the Turn Around functioning school Plan for Crosby High School. Someone from the Counselor will be represented for the State of Connecticut. A letter was sent to the state about how things on the council is being handled for necessary change.

The Turn Around Plan is submitted from transitional plan to block scheduling. Each class will be extended by 30 minutes, 5 classes on a rotating basis. There will be an extended year with A P Classes, advanced Classes. Block scheduling is to be academically, design a small limited learning restructure for other grades 10, 11, 12. All students will have the same teachers in their grade level. It is a means to know the students better to develop more of a sense of a community environment. Everything will start next year.

Crosby New improvement Changes For Success

1. Uniforms will be worn by the student
2. Uniforms will be based on colors by grades
3. Parents will have input on colors of uniforms
4. Example students will be recognized in various locations
5. Additional security may be necessary communication and accountability
6. General in need of Special Education is a different strategy
7. Academy locations will be throughout the school

The Turn Around Committee meets monthly and there is planning for Title One for students compact. Teachers will update the parents as to student grades in class and each marking period. Specifically for homework assignments and there will be created bank of ten comments.

The next meeting will be held on the second Thursday April 10, 2014, topic to discuss

Making Sure of Title One For Best Practices .

School Governance Council Training Interacting Module, April 1, 2014
