

Curriculum Resources

[American Memory](#) - Historical Collections for the National Digital Library. American Memory is a gateway to rich primary source materials relating to the history and culture of the United States. The site offers more than **7 million digital items** from more than 100 historical collections.

[Ask Eric](#) - is a personalized Internet-based service providing education information to teachers, librarians, counselors, administrators, parents, and anyone interested in education throughout the United States and the world.

[Cyberchase](#) - This is a list of all the games available on this web site, with descriptions, which is the same site where I sent you the Venn Diagram game.

[Digital History](#) ...a wonderful interactive U. S. history textbook including well-arranged links to primary sources, an "Ask a Historian" section, classroom handouts, audiovisual archives, and much, much more.

[Discovery Education for Teachers](#) - Discovery Education offers a broad range of **free classroom resources** that complement and extend learning beyond the bell. Foster deeper engagement and opportunities for students to take charge of their own learning with high quality, engaging, relevant tools designed for today's busy teachers and parents. Explore our [programs and contests](#), [interactive games](#), [puzzles](#), [lesson plans](#), videos and more

[The Evergreen Project: Links for Teachers](#) General Resources, Cool Links, Biomes, Plants Resources, Animal Resources, Animal Tracking Projects, Maps, Weather & Climate, Endangered Species.

[Four Teachers](#) 4Teachers.org works to help you integrate technology into your classroom by offering FREE online tools and resources. This site helps teachers locate and create ready-to-use Web lessons, quizzes, rubrics and classroom calendars. There are also tools for student use. Discover valuable professional development resources addressing issues such as equity, ELL, technology planning, and at-risk or special-needs students.

[Futures Channel](#) - Connecting learning to the real world with videos. Check out Movie of the Week, Living and Working in Space, Hands-on-math, and problem solving.

[Global School House](#) GSN began in 1984 as the Free Educational Mail (FrEdMail) Network and in 1990 became the Global SchoolNet Foundation. In 1993, with a grant from the National Science Foundation, GSN created an educational web site called the "Global Schoolhouse." The mission of the Global Schoolhouse is to provide a living curriculum that made the world a laboratory and promoted the quest for lifelong learning. The Global Schoolhouse established a

global electronic community that helped transform the way students learn and interact with their community.

Literature Place - We use the technology of the Internet to make available a variety of literature-based resources and purchase options to teachers, school librarians, parents, and homeschoolers. With our easy-to-use search tools, you have access to the most comprehensive collection of hands-on instructional resources that support the reading of whole books. Check our Quick Preview List, [Testimonials](#) and [User Tips](#) to find out more about our reading resources. Our multiple purchase options put them at your fingertips in the most cost-effective and time-efficient way, in both charge-and-download version and print version.

The Mathematics Common Core Toolbox

Moving to the Common Core
