# Enrichment: I Corinthians 13

**Directions** Read the selection below. Answer the questions that follow and complete the activity.

The apostle Paul wrote letters to different early Christian churches. This selection comes from his letter to the Christians of Corinth, a city in Greece. It shows the importance of love in Christian teachings.

## Love (I Corinthians 13)

If I speak in the tongues [languages] of men and of angels, but have not love, I am a noisy gong or a clanging cymbal. And if I have prophetic [predicting] powers, and understand all mysteries and all knowledge, and if I have all faith, so as to remove mountains, but have not love, I am nothing. If I give away all I have, and if I deliver my body to be burned, but have not love, I gain nothing.

Love is patient and kind; love is not jealous or boastful; it is not arrogant [overconfident] or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things.

Love never ends; as for prophecies, they will pass away; as for tongues, they will cease; as for knowledge, it will pass away. For our knowledge is imperfect and our prophecy is imperfect; but when the perfect comes, the imperfect will pass away. When I was a child, I spoke like a child, I thought like a child, I reasoned like a child; when I became a man, I gave up childish ways. For now we see in a mirror dimly, but then face to face. Now I know in part; then I shall understand fully, even as I have been fully understood.

So faith, hope, love abide, these three; but the greatest of these is love.
