 Ms. Jennifer Rosser—Principal
 December, 2018*

Woodrow Wilson's Vision & Mission Statement

Vision - Woodrow Wilson is a united learning community leading our students to high achievement as we work together hand-in-hand to support all students at their level of instructional, social and emotional need.

Mission - Woodrow Wilson is dedicated to a collaborative student centered learning community that involves all stakeholders to provide all students an engaging and meaningful education that motivates them to reach their full potential and enables them to discover their interests and talents, pursue their goals and dreams, and succeed in college, in the workforce and as productive citizens now and in the future.

Principal's Message

December brings a time of heightened excitement as many show their care and appreciation for one another in the season of giving. It seems this month is one of the busiest months of the year for many families, not only at home but at school, as well. As we near the mid-point of our school year, it is important for every parent/guardian to take the time to conference with their child's teacher at our parent conference night December 5th from 5:00 – 7:00 p.m. Conferences give us the opportunity to share and celebrate your child's accomplishments and discuss their educational plans for continued academic growth throughout the year. Thank you for your continued support for the success of all our children.

I wish everyone a safe and healthy holiday season as we embrace our diverse cultures as a united learning community. May you have peace and joy in all seasons!

Ms. Rosser
