Students will tell what a plus and equal sign mean and explain an addition sentence.

Students will write an addition sentence.

Students will write an addition sentence with partner numbers.

### Important Information

December is full of several assessments. We will be taking our DIBELS benchmark tests December 1st and 2nd. We will be taking the iReady Reading and iReady Math test during December 6th-9th. We will be completing Report Card assessments beginning December 7th. This is one reason why this month's challenge is so important. The students' behavior and focus is improved with a good night's rest.
