

3A: Round Ball Tens

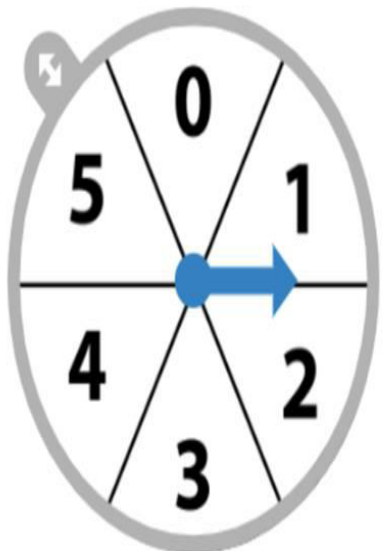

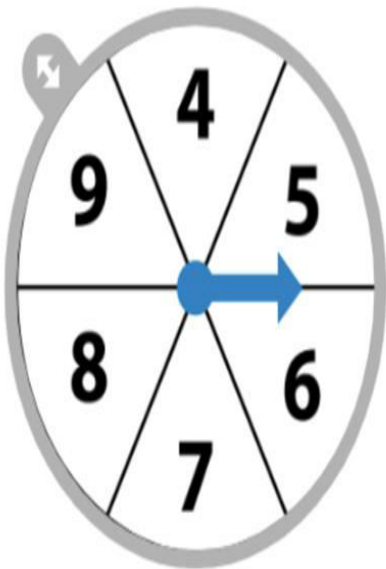

Names: _____

[Click here to spin the 1st spinner](#)
[spinner](#)

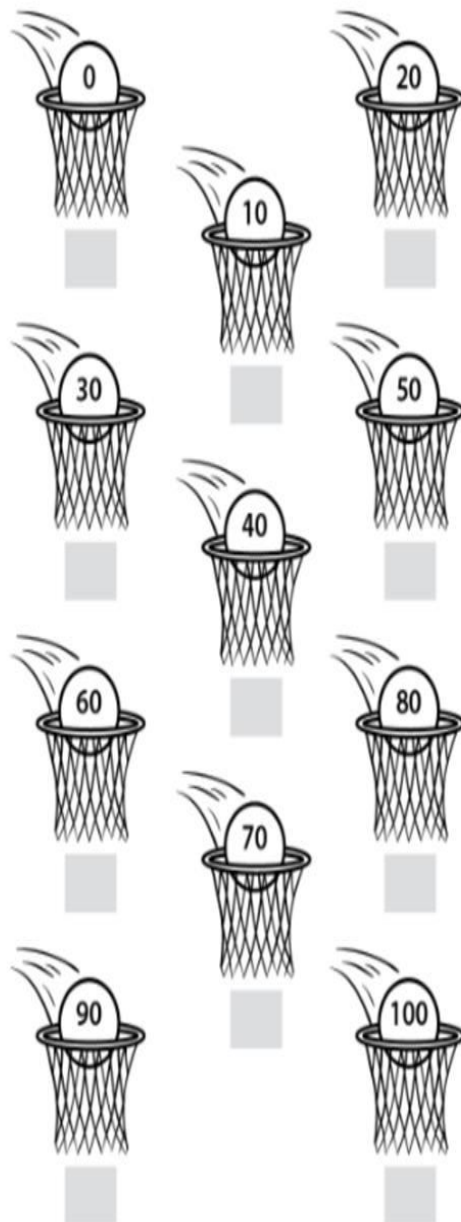

[Click here to spin the 2nd](#)

Spin both spinners. Make a 2 digit number. Round it to the nearest ten. Write the number you made under the basket it rounds to on your record sheet. You lose a turn if you can't write a number under any of the baskets on your side of the sheet. The first person to fill all their baskets, wins!

3B: Round and Add Tens

Names: _____

[Spin this spinner 4 times](#) and make two 2-digit numbers. Add the two numbers you made on the left side of the record sheet. Then round the numbers to the nearest ten on the right side of the record sheet and add them. Find the difference between your two sums and that is the score. Add up your 3 scores after 3 rounds to find a total. This game does not have a winner. Work together with your partner!

3C: Round Ball Hundreds

Names: _____

[Click on this spinner and spin 3 times.](#)

Make a 3-digit number. Then round it to the nearest hundred. Take turns doing this. Put your colored chip on each basket your round to. If the basket you want to use is already taken, try rearranging your numbers to make a different 3-digit number. If you still don't have an open basket, you lose a turn. The first person to fill all their baskets, wins!

[Spinner 1](#)

[Spinner 2](#)

[Spinner 3](#)

Decide who will spin and who will record the numbers. Switch roles each turn. Spin each spinner in order and write the numbers in that order. Do this twice on each turn to make two 3-digit numbers. Add the two numbers you made on the left side of the record sheet. Then round the numbers to the nearest hundred on the right side of the record sheet and add them. Find the difference between your two sums and that is the score. Add up your 5 scores after 5 rounds to find a total. This game does not have a winner. Work together with your partner!
