

Moses Y. Beach Elementary School DAILY DISMISSAL PROCEDURE

Our dismissal plan aims to deliver a safe and orderly flow for the exit of approximately 350 students leaving the building. **PHOTO ID is required to enter the building and for all authorized adults picking up your children every day of the year.**

Rock Hill Shuttle:
(Form Required)

Siblings of students arriving on the Rock Hill Shuttle will be dismissed at the front lobby exit.

2nd Grade:

Students will exit out the side door facing Christian Street.

1st Grade:

Students will be dismissed from the cafeteria into the courtyard area.

Pre-K & Kindergarten:

Students will be dismissed at the end of the lobby level wing.

Families with multiple students:

Siblings will travel to meet the youngest sibling and be released at the YOUNGEST GRADE's dismissal exit.

Given we are situated on a downtown street corner and have no public parking lot, we strongly urge eligible families to use bus transportation.

Morning Arrival~ The front loop driveway is open to all families with children who are independently able to exit the vehicle. Please pull all the way forward to accommodate other families using the drop-off loop. The morning front loop traffic must remain moving to assist in a timely drop-off.

****Parents who still need to assist students out of cars need to park on North Main or Christian Street.****

Afternoon Dismissal~ Due to student safety concerns, idling and parked cars are NOW prohibited in the front loop driveway. **All afternoon student dismissal is limited to on street parking only.**

*******THERE IS NO PARKING ALLOWED IN THE FRONT LOOP. *******
