**This course is offered to any student who is currently receiving gifted services at their elementary school. Students can select this elective for one semester or a full year.

During the scheduling process, there may be conflicts between core courses and electives. Due to conflicts, I am not guaranteed all of my requested elective courses. I have read the course catalog and understand the requirements. I have reviewed the course selections and chosen requests for both semesters. I approve the courses and alternates my child has selected for the 2022-2023 school year and understand that there are no schedule changes after March 1, 2022, even if my child changes his/her mind about a course.
