

Dennis:

This was the information provided to the Daily Sentinel after their Colorado Open Records Act Request. Ms. Langford also requested the following information, adjusted 2017-18 salaries for four administrative staff members who started 2017-18 with one job and/or salary and ended the year with another (and stayed in their new position for 2018-19). The amounts below reflect a full year's salary at the 2017-18 rate with which they ended 2017-18, and what they are estimated to earn in 2018-19. The Xcel document lists the job with which they ended 2017-18 and what they earned once they got into that position.

Position (end of 2017-18 and 2018-19)	17-18	18-19
Tech Manager	\$83,709	\$89,568
Exec. Dir., Technology	\$97,500	\$125,445
Mental Health Coordinator	\$61,177	\$67,817
Custodial Coordinator	\$61,177	\$67,853

Sincerely,
Emily Shockley, PIO
School District 51
