**Earle School District Dyslexia (C.O.D.) Intervention Department**

Dear Parents:

I am Mrs. Williams, the District C.O.D. Interventionist. I am happy to inform you of progress made in this program that is designed to further help your child again this year. I am looking forward to a very successful year and I know you are too. I have high expectations for your child and I will do all that I can to help your child achieve those expectations.

Our program, Take Flight, has a multisensory, process oriented approach that is meaning based. Take Flight is designed to give systematic, sequential and cumulative work that is taught with explicit and direct instruction. Take Flight addresses the 5 essential components of reading instruction. Earle School District is passionate about creating lifelong learners and we are dedicated to the success of your student.

In addition to general class assignments he/she will also have assignments for intervention. Your help and support will not only make your child more successful in school this year but will instill strategies and study habits that will last a lifetime.

Finally, I want you to know that one of my most important goals this year is to keep the lines of communication open with you. I am available every day to talk with you between 8:00 a.m. and 8:30 a.m. and between 3:30 p.m. and 4:00 p.m. Please don't hesitate to contact me at 870-792-8732 or [tywilliams@esdbulldogs.org](mailto:tywilliams@esdbulldogs.org) if you have any questions or concerns during the year.
