To: Parents/Guardians
From: VMHS Science Department
Date: August 11, 2010

The Science Department at Vista Murrieta High School is asking for a voluntary \$10.00 **tax deductible** laboratory donation for the 2010-2011 school year. Please realize, if the donation is not paid, the students will still be able to participate in all labs and it will not have an adverse effect on their grade. However, please realize that our budget has been drastically cut and the lab fee donation is needed in order to perform more in depth and meaningful labs, and to lower the number of students in each lab group. Please know that every penny of the donation will go towards the students and the labs that they will be able to do this year and will greatly enhance their laboratory experience.

Please note, although checks are not accepted, cash payments can be made to the school bookkeeper. The preferred method of payment, however, is through our online payment system. Please see the login instructions at the bottom of this page in order to set up an account. Regardless of the payment method, in order for students to receive credit for their donation, they need to return this letter along with the attached receipt to their teachers. Your receipt will be returned to you for tax purposes. If you have any questions and/or concerns, please do not hesitate to contact the individual teacher for the class.

Thank you for your cooperation.

Vista Murrieta Science Department

- Yes, we will be able to donate \$10.00 for science materials.
 No, we will not be able to donate at this time.

Please Check One:

- Biology
 Chemistry
 Physics
 Anatomy/Adv. Biomed
 Marine Biology
 Environmental Science
 Earth and Space Science

Student Name: _____
(please print)

Parent/Guardian Signature _____

LOGIN INSTRUCTIONS

Your student ALREADY has a default account set up for them

Parents - you can log into your students account by entering in their username and password on the left under Login

Username = Student I.D. # (9 digits)
*** make sure this is NOT your Social Security #**

Password = first initial & last name (no spaces and all lower case letters) - EX: Josh Smith = jsmith

Parents - if you have multiple children at our school please create **your own** account by clicking on the Set Up button on the left side of the WebStore and follow the instructions below to add your children to your account.

1. Click the "Set Up" button on the left under Login
2. Complete the required fields and create your personal username and password
3. Click on the Add Student link to assign your children to your account
4. Enter in their Student I.D. # and their password & click Update
5. Start shopping and buy multiple items for all your children in one transaction!
