## HOSPITALITY & TOURISM MANAGEMENT.... A HOT CAREER FIELD

*Currently, the Hospitality and Tourism industry maintains the largest national employment base in the Southern California's private sector*

The leisure and hospitality sector in California supports a significant tourism industry

Leisure and hospitality companies employ 13.6% of the total private workforce and generate 4% of gross state product.

The industry is growing just over 4% annually due to improving consumer sentiment and growing disposable income.

The largest subcategories are accommodations, full-service restaurants and limited-service eating places.
