THE 23 OUTSTANDING CAMPUSES OF THE CSU

UC Admissions

- Only the grades you earn in "A-G" subjects in the 10th and 11th are used to calculate your GPA.
- 9th grade courses can be used to meet the Subject Requirement if you earn a grade of C or better...however, these grades will not be used to calculate your GPA.
- UC's assign extra points for up to four units of UC-certified honors level and advanced placement courses taken in the last three years of high school.
A=5 points, B=4 points, C=3 points
- No more than two years of UC-approved honors level courses taken in the tenth grade may be given extra points.
- A grade of D in an honors or advanced placement course does not earn extra points.
- Students admitted to UC share a high level of academic ability and potential. Most students rank in the top 12.5 percent of high school graduates. The majority of students are from California. The number of applicants often exceeds the spaces available for a particular campus or major. Therefore, meeting the minimum admissions requirements is not enough to gain admission to many UC campuses and programs.

UC Admissions

- Students must submit the following test scores:
 - **SAT Reasoning or ACT**
 - the best scores will be taken into account
 - the ACT composite score must be submitted.
 - SAT Subject Tests – no longer required
- **Writing Prompts/Personal Insight Questions:** Each new question aligns to one or more of the 14 comprehensive review factors that campuses consider in their admissions decisions.
- Freshmen must choose 4 out of 8 questions
- Maximum of 350 words for each response
- All questions have equal value; there is no advantage or disadvantage to choosing certain questions over others
- Complete one application for all campuses.
- Admissions criteria based largely on GPA and test scores.
- The minimum required GPA varies by campus/program.
- All testing (SAT, ACT) must be done by the end of December.
- The application fee is **\$70** - fee waivers available.

UC Admission Timeline

Private Colleges

- **76+ campuses in California**, each with a unique focus: liberal arts colleges, major research universities, comprehensive universities, church- and faith-related institutions, historically black colleges and universities, single-sex institutions, two-year colleges, and schools of law, medicine, engineering, art, business, and other professions.
- **Professors** – *not teaching assistants* – teach courses.
- Private schools tend to have a more **personal approach** to education. The admissions policies at private schools are also more personal, looking to student promise, talent. Private school application **deadlines** are not uniform.
- **Tuition and fees** can be in excess of \$30,000 a year – however, roughly 8 out of 10 students who attend private schools receive some forms of **financial aid!** Need-based and/or academic merit!

Tips

- BE FLEXIBLE... The level of competition for admission to many campuses and programs can be quite high, so please consider the following:
 - apply to more than one campus
 - apply to programs that, while not your first choice, will allow you to fulfill your educational goals
- **Meet all application deadlines**
- Proofread your application for misspellings and grammatical errors
- Be sure to hit the “**submit**” button
- Do not omit required signatures
- Read directions carefully
- Do not list extracurricular activities that *aren't legitimate*
- Inform your school counselor where you have applied
- **Use a *tasteful* e-mail address that you will check often**

Important Senior Reminders

- Testing for SAT Reasoning and ACT must be completed by the end of December, however, verify each university's deadline. Go online to www.collegeboard.com and <http://www.actstudent.org/>
- UC applications November 1st – 30th
- CSU applications October 1st – November 30th
- Complete your resume and ask for letters of recommendation early; letters of recommendation are NOT a part of the UC or CSU application
- Attend our FAFSA night in October
- **Dream Act presentations TBA on dates**

Important Junior Reminders

- **Maintain your GPA**
- Be involved in school/community
- Take **PSAT October 25, 2017** to prep for **SAT free school day March 7, 2018**
- Visit college campuses or virtual tours online
- Attend informational meetings re: college admissions/financial aid or anything else which will help you prepare for your senior year.
