Greetings Parents & Students,

As you are aware, we are out of school due to cautionary measures regarding COVID-19. All classes have prepared coursework for this outage, and instructors will be available electronically to answer student questions. If you have any Virtual Arkansas courses, instructions will be sent out separately from your facilitator and/or instructor. Please check your student email accounts daily.

Should you have any questions or concerns, please feel free to contact us ehs@esdbulldogs.org. Thanks for your understanding and cooperation in this matter.
