

School Readiness

What is School Readiness?

***The School Readiness Program engages families, community members, and educators in the important work of preparing children, birth through age 5, for elementary school success.**

***The Riverbank Unified School District School Readiness Program is funded through California First 5 and the Stanislaus County Children and Families Commission.**

* School Readiness offers services in the community through partnerships with community service providers that include:

- Sierra Vista Child and Family Services: Parenting Classes, Socialization and Skill Building for young children, Behavioral Screenings for Pre-Kindergarten and Kindergarten students, and Child Abuse Prevention.
- Adult English Literacy Classes through the Stanislaus Literacy Center in Modesto.
- Kindergarten Preparation Programs and Activities such as: Kinder Camps.
- Health Screenings: Hearing, Vision, Dental, Height and Weight, Speech and Behavioral Screenings.
- Free Books!
