

CMS Middle College High Schools

Mr. Joey Burch, Principal
Levine Middle College HS

Charlotte-Mecklenburg Schools

 CENTRAL PIEDMONT
COMMUNITY COLLEGE

General Information

- Founded in 2007 on CPCC's Cato Campus.
- MCHS is a Cooperative Innovative High School program, which allows high schools to offer accelerated learning opportunities.
- Students are dual enrolled in both CMS and CPCC.
- Open to eligible rising 11th and 12th Grade students.

Program Goals

- For students to complete High School Diploma requirements.
- For students to earn transferable college credit, an associates degree, or industry certification at no cost.
- To focus on academics while in high school and college classes.
- To experience college in a supportive environment.

Additional Facts

- The Middle College High School becomes each student's school of record.
- All Middle College High Schools are located on CPCC campuses.
- Transportation is provided by CATS at no cost to students without transportation.
- The Middle College High School calendar is consistent with CPCC's calendar and differs from the rest of CMS.
- All High School Classes are taught on a Honors or AP Level.
- CPCC Classes are all honors level on the CMS High School transcript.
- Students have access to all CPCC student amenities such as labs, libraries, and activities.

Extra-Curricular Activities

- Student Government (CMS and CPCC)
- Yearbook Club
- National Honor Society
- CPCC Student Life
- Prom
- CMS home school athletics, schedule permitting

Facts About Transfer Credit

- Most courses are transferable to all 4-year North Carolina Public Universities.
- Private colleges and out of state colleges often have their own policies regarding transfer credits. Parents and students are encouraged to contact private schools and out of state institutions for course credit information.

Grade 13

- Students may stay a third year in Middle College High School and take additional college classes with the opportunity to complete a two year Associates Degree and/or Career/ Industry Certification.
- This is an optional program that is open to students who are in good academic standing with CMS and CPCC.
- Typically, students take only CPCC classes during grade 13.

CMS Middle College High School Programs

Middle College High Schools (MCHS) are CMS High Schools located on the campuses of Central Piedmont Community College (CPCC) and are part of the North Carolina Career and College Promise Program. MCHS serves high school students in grades 11, 12 and 13. Students enrolled in a MCHS take courses required for high school graduation while taking college courses towards a post-secondary certificate, college diploma, associate's degree, associate of applied science degree, and/or industry certification.

big opportunity
big responsibility

Purpose:

CMS Middle College High Schools provide a supportive, flexible, and academically enriched environment to ensure mature, motivated, and responsible students are prepared for college and ready to start a career after graduation through a challenging curriculum promoting intellectual growth in a college environment.

A Student Day

- Middle College High School students may take a variety of courses that appeal to their individual interest at no cost for tuition or books.
- Students may take ANY CPCC course for which they have the proper pre-requisites.
- Scheduling and course selection tends to be more flexible than most high schools .
- Students may take CPCC courses on ANY CPCC campus.
- Students are free to come and go during the day as long as they attend all scheduled classes.
- While high school classes are offered from 11:20-4:20, college classes may be offered in the morning, afternoon, evenings, or on weekends depending on student needs and course offerings.
