Dear Senior Highlander Families,

Our Graduation ceremony for the Class of 2023 is just around the corner. We would like to share our expectations and provide information that will make the end of the year more enjoyable for our graduates and their families. Upland High School traditionally has enjoyed outstanding Graduation ceremonies and we need your help to ensure this tradition continues.

The behavior of the graduates is essential to the success of the Graduation ceremony. It is important to show respect for the speakers and provide them with an opportunity to be heard. It is also very important to allow each graduate the chance to have their name heard by the audience and to have the recognition of receiving their diploma with everyone watching. Any behavior that distracts from the student, speakers or the presentation of the diplomas spoils the ceremony for others. This is both a joyous and serious occasion; the time to celebrate is after the Graduation ceremony.

Seniors' clothing at the Graduation ceremony also contributes to the atmosphere of the event. Students should wear attire appropriate to a formal event, and comfortable shoes, as they will be standing for long periods of time (no flip-flops). Optional cap decorations and traditional tribal regalia/recognized objects of cultural or religious significance must follow guidelines published in our Graduation Attire Information and must not create a substantial disruption of, or material interference with the ceremony.

We ask that you take the time to discuss appropriate behavior with your graduate. Please encourage your senior to wear the recommended clothing. With your help, the Class of 2023 will have a Graduation ceremony that reflects the pride of all students, family members, and guests.

Please encourage your student to continue regular attendance. Any unexcused absences will need to be made up before the graduation ceremony.

During the fall and spring semesters, counselors review grades and credits with every senior. Counselors also inform parents of every senior who is in danger of not graduating. Any senior who participates in the Graduation ceremony must meet all graduation requirements set forth by the Upland Unified School District Board of Education and not violate the senior contract. Please encourage your child to work hard for the remaining months. If you have any questions regarding your graduate's progress toward graduation, please contact their counselor.

We look forward to a great ending for the outstanding Class of 2023. Enjoy these last few months of the high school experience with your senior!

Sincerely, Dr. Martin Gomez, Principal
