China Connection

One of our alums, Lauren Ashley Forrest, spent the day checking us out. While here she was able to visit with 3rd grade whose focus is on China. She was able to share some of her travels and tell them about how it feels to teach abroad. Thanks again for coming to visit with us.

The N.E.D Show

Student Spotlight

Meet the newly-elected Student Government Association at Earle Elementary School. The 20 member group is a historical first for the school. Students were nominated based on their outspokenness, leadership abilities, and high-achieving attributes. The SGA at Earle Elementary meets weekly to discuss community service projects, fundraisers, and any concerns from peers. Future projects include a collaboration with St. Jude. Mrs. Kaiesha McGruder serves as the SGA Sponsor.

SOCK DRIVE

Students donated and collected socks and gave to one of our local Nursing Homes!

National Read Across America Day—(Dr. Seuss Day)

National Read Across America Day is part of Read Across America, an initiative on reading created by the National Education Association. This motivational and awareness day calls for all children and youth in every community across the United States to celebrate reading.

To celebrate Read Across America Week and the birthday of Dr. Seuss on March 2nd, some fun activities are planned for the week of March 2nd through March 6th at both schools. The students will have the opportunity to dress up for each day. We hope the students enjoy participating in this school-wide celebration of READING.

Tuesday, March 3rd Whoville Day

Wednesday, March 4th Wacky Sock Day

Wear your wackiest or silliest socks to represent Fox in Socks.
