COSMETOLOGY & AESTHETICS **STATEMENT OF UNDERSTANDING**

As a condition of enrollment in the East Valley Institute of Technology (EVIT) Cosmetology program, the student and his or her parent/guardian must sign the following as proof that they understand and accept the following contractual conditions:

1. Attendance is a critical factor in the success of a student completing a cosmetology program. The Arizona State Board of Cosmetology requires 1600 clocked hours for certification in Cosmetology, and 600 clocked hours completed for Aesthetics.
2. Students attending the 1600 hour Cosmetology program need to be aware that in order to complete the program you may have to complete hours right after high school graduation in summer school through the EVIT Adult Education Center.
3. Students will earn a total of four elective credits for each school year attended. These credits will be issued for passing grades and appropriate attendance, and will be sent to the home schools at the end of each semester.
4. All absences or tardies must be reported to the EVIT attendance office at 480-461-4026 (Main) and 480-308-4600 (East), as well as the cosmetology office by calling 480-461-4033. All students must adhere to the EVIT attendance policy. Falling 90 hours behind in Aesthetics or 120 in Cosmetology will jeopardize your place in the program.
5. Cosmetology or Aesthetics students who have hours remaining after their high school graduation will be considered Adults and will assume the financial responsibility for the remaining hours of their contract. Continuing students who have just graduated will be offered reduced Adult student tuition rate to complete their hours.
6. Students who are expelled from their home school are NOT permitted at EVIT, nor are they eligible for enrollment.
7. Dates and times for Cosmetology are NOT the same as other EVIT programs. Hours for the morning session are **7-11 a.m.** and afternoon session **12-4 p.m.**

8. **Students must arrange their OWN transportation.** Due to the Cosmetology classes being on a different time schedule, there is no bus transportation provided for them from the high schools.
9. Cosmetology has a program-specific dress code that will be explained in detail at the Mandatory Parent/Student meeting. In addition to the program specific dress code, cosmetology and aesthetics students are to be in compliance with the EVIT dress code at all times.
10. Cosmetology students are required to pay class fees. The fees* for the first-year cosmetology students will be approximately \$326, and \$471 for the second year. For Aesthetics, the class fee is approximately \$431. (*fees are subject to change)
11. Once students have been assigned to a class, there will be **NO** schedule or class change requests honored unless approved by an Administrator. Students must remain in the class they start in for one year in order to stay with the curriculum sequence.

PRIOR TO STARTING ANY COSMETOLOGY OR AESTHETICS PROGRAM:

A student must have a file containing the following information:

- ❖ Current high school transcript showing a minimum total of 10 credits (two of which must be passing credits in English)
- ❖ Current address and contact telephone numbers (emergency number included)
- ❖ Copy of Social Security card or signed waiver acknowledging that students cannot take the Arizona State Board of Cosmetology license examination without a social security card
- ❖ Completed emergency medical form (will receive 1st day of class)
- ❖ Contract signed by student and parent/guardian (will receive 1st day of class)

I understand that it is my responsibility to keep my contact telephone number, address and home school information up to date with the EVIT registration department. I will be contacted via telephone or mail that I have been accepted into the program. If I do not contact the counseling department by the required date to confirm my acceptance, my name will be removed from the class roster.

I HAVE READ AND UNDERSTAND THE EVIT STATEMENT OF UNDERSTANDING AND RECOGNIZE THAT CONTINUED ENROLLMENT AT EVIT WILL BE BASED UPON MY WILLINGNESS TO FOLLOW THE ABOVE-STATED POLICIES AND CONDITIONS.
