

Advanced Placement Exam Information

Two Steps to Register for AP Exams

- ▶ Step 1: Use your teacher's Join Code to join the class in My AP
 - ▶ This notifies College Board that you are in an AP class and they will **order** you an exam
- ▶ Step 2: Pay for your exam in Total Registration
 - ▶ Ordering your exam in College Board is not enough: you must **PAY** for it using Total Registration

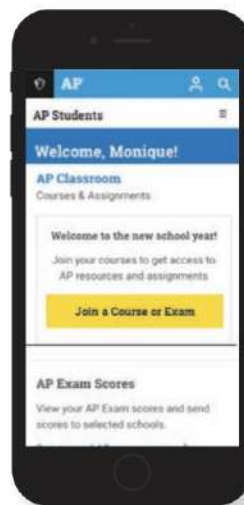

Step 1: My AP

- ▶ Must join on My AP and register with teacher provided join codes.
- ▶ <https://myap.collegeboard.org/login>
- ▶ My AP offers many resources that you can use to help you prepare for the AP exam with your teacher and it's FREE!
- ▶ Make sure your name is your full and legal first and last name (no nicknames). Colleges may not be able to locate your scores if your name is different than your full name.

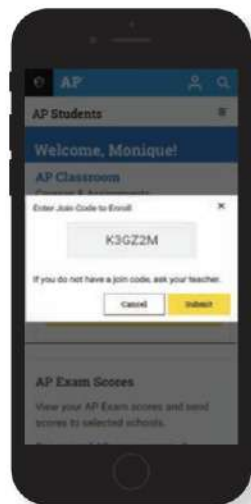

1 SIGN IN

Sign in to myap.collegeboard.org using your College Board student account login. This is the same login you use to access your AP scores, PSAT/NMSQT® scores, or register for the SAT®. If you don't have a student account, click the [Sign up](#) link.

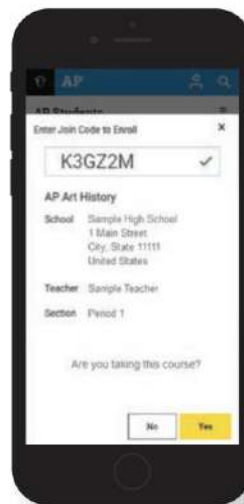

2 JOIN A COURSE

Click the **Join a Course or Exam** button. Before you do this, make sure you have the join code from your teacher. You'll need it to join a class section.

3 SUBMIT YOUR JOIN CODE

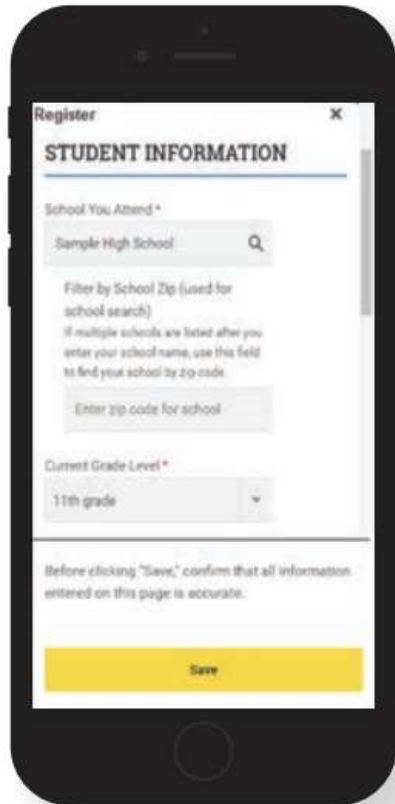

Enter the join code your teacher gave you and click **Submit**.

4 VERIFY COURSE INFORMATION

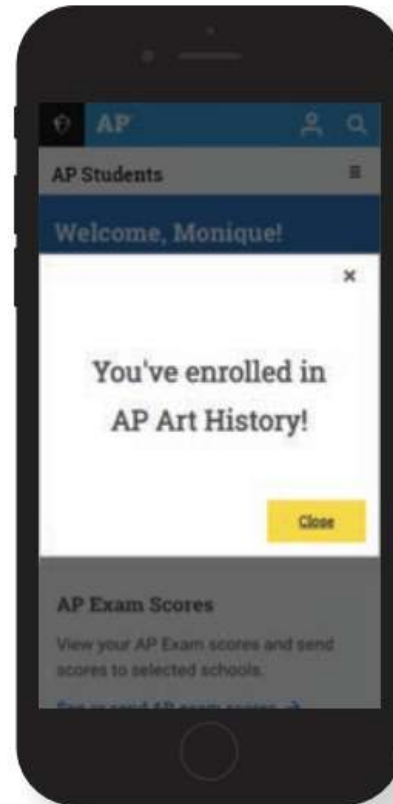

Make sure the information that comes up is for the course you're taking. If it is, click **Yes**.
