Mr. Fallquist

## Week 2 Distance Learning Assignment

**Directions:** You will construct a comprehensive exam that covers the important information in Chapter 16 of your textbook. Essentially, you're making a test.

### Your exam must include the following:

1. Multiple Choice (10 questions)
2. True and False (10 questions)
3. Complete the sentence or Fill in the Blank (10 questions)
4. Short answer Prompt or Essay Questions (2 Questions)

### Additional Requirements:

\*The exam must be worth at least 100 points (provide the point value for each section of the Exam)

\*Provide an answer key for all of the questions (even the essay questions). You can simply write the answers on the copy or provide just the answers on another paper.

\*Final copy should be typed, if possible.

\*When completed, you can email the documents to me at [jfallquist@tUSD.net](mailto:jfallquist@tUSD.net) by May 8. If you're doing a paper copy please drop off at the school on Friday, May 8. Contact me with any questions.
