## Information Regarding June 2021 Regents Exam Administration

Due to health and safety concerns, it is important we know how many students are planning to take each Regents exam. Please let us know if your child is planning to take one or more exams by [completing this form](#) by **April 30, 2021**.

### Exam Information

- All June Regents exams other than ELA, Living Environment, Earth Science, and Algebra I are cancelled for June 2021.
- Students enrolled in English 11, Living Environment, Earth Science, and/or Algebra I are not required to take the exam.
- If your child is a virtual student and would like to take a Regents Exam, they may do so. Please be advised that exams will only be administered in person, at the high school, and your child will take the exam with the rest of the students taking the exam.
- LOTE Pathway exams are cancelled for June 2021. Students enrolled in Spanish, French, or Italian III will receive a graduation exemption for the exam, provided they pass the course.

### Graduation Information:

- Students enrolled in a course culminating in a Regents exam, other than the four listed, will be granted a graduation exemption for the corresponding exam, provided they pass the course for the year.
- For the four exams being administered, students will still receive a graduation exemption for the exam, even if they fail or do not take the exam, if they meet one of the following requirements:
  - Pass the course for the corresponding exam this school year.
  - Passed the course in a previous school year, have yet to pass the exam, but were planning on taking the exam in June.
  - Complete credit recovery for the course if they have previously failed the course.

### Grading Information:

- Students who choose to take the Regents exam will only have their grades counted if it benefits their final average for the year.
- Regents exams for 2021 will appear as "EX" on your child's transcript. If your child would like to see their numerical grade appear on their transcript, they will be able to communicate this to their guidance counselor in the fall.

## Exam Schedule

Exam	Date	Time
English Language Arts	Thursday June 17	8:00 AM
Living Environment	Tuesday June 22	8:00 AM
Algebra I	Wednesday June 23	8:00 AM
Earth Science	Thursday June 24	8:00 AM

If you have any other questions regarding examinations, please contact your guidance counselor at 631-474-8186.
