Refractive Surgery

Superior Vision has a nationwide network of refractive surgeons and leading LASIK networks who offer members a discount. These discounts range from 15%-50%, and are the best possible discounts available to Superior Vision.

The Plan discount features are not insurance.

All allowances are retail; the member is responsible for paying the provider directly for all non-covered items and/or any amount over the allowances, minus available discounts. These are not covered by the plan.

Discounts are subject to change without notice.

Disclaimer: All final determinations of benefits, administrative duties, and definitions are governed by the Certificate of Insurance for your vision plan. Please check with your Human Resources department if you have any questions.
