COURTESY REMINDER
Tuberculosis Exam

We have received notification from the San Diego County Office of Education that your PPD tuberculosis skin test has expired or is about to expire. It is expected that you will submit a cleared PPD in a timely manner to Human Resources prior to the expiration listed on your paycheck or online pay stub.

California Education Code 49406 states that "each employee shall cause to be on file with the district superintendent of schools a certificate from the examining physician and surgeon showing the employee was examined and found free from active tuberculosis."

You may obtain your TB test from your physician or from the Sharp Rees-Stealy office listed below for **an employee paid fee of \$18.00**. For a chest x-ray, you will be charged anywhere from \$40.00-\$54.00. You can reach their office at (858) 653-6150 to schedule an appointment.

Sharp Rees-Stealy
8901 Activity Road
San Diego, CA 92126
(858) 653-6150

You also have the option to obtain your TB test from any of the providers contained in the attached brochure at a nominal employee paid fee. The least expensive location is the Solana Beach Presbyterian Church at 120 Stevens Street. They charge \$8 but only offer the testing on the second Tuesday of each month. You may also use any commercial clinic such as CVS Minute Clinics. Thank you for your prompt attention to this matter.

Sincerely,

Casey Choate
Human Resources Coordinator
