Teacher_____WONG__ Subject __AP Computer Science__ Dates___5/11-15/20 (Week 4)__
7-12 Weekly Planner   *Welcome to our Distance Learning Classroom!*
Student Time Expectation per day: 30 minutes

Content Area & Materials	Learning Objectives	Tasks	Check-in Opportunities	Submission of Work for Grades
EdHesive	Review for the Exam (Term 1 Lessons 21-30 ½ and Term 2 Lesson 6) - Strings and Class Types (21) - String Functions (22) - One-Dimensional Arrays (23) - The For Loop (24) - Algorithms (25) - Algorithms on Arrays (26) - Algorithms – Searching (27) - Arrays of Strings (28) - Arrays of Strings – Accessing Methods (29) - Processing Arrays of Strings (30) - Binary & Octal (30 ½) - Merging Arrays (Assignment 6)	• Review Unit 3	Mrs. Wong is available during the office hours at the times indicated below. You can reach Mrs. Wong during these office hours via: - Zoom link provided in Edmodo - Email cwong@tusd.net	No submissions required for review of EdHesive, but these topics should be reviewed thoroughly in preparation for the exam
AP Central	Using Objects (2.6) - String Objects (Concatenation, Literals, and More Iteration (4.1-4.3) - While Loops - For Loops - Algorithms Using Strings Array (6.1-6.4) - Array Creation and Access - Traversing Arrays - Enhanced Loop for Arrays - Developing Algorithms using Arrays	• Distance Learning Week 4 FRQ • Unit 4 Progress Check FRQ • Unit 6 Progress Check FRQ		The FRQ's will be submitted to AP Central and scored by the rubric on AP Central.

AP EXAM on FRIDAY!!!!!

Zoom Classes	Zoom classes will be held on Tuesdays and Thursdays for 30 minutes, followed by 30 minutes of office hours. Discussions will revolve around discovery and application of concepts assigned for the week.
Scaffolds & Supports	Video instruction is available to students for continued reference of concepts. AP Central content is available for students to focus on their skills to support their learning and support success on the AP exam.

Teacher Office Hours	Monday **10AM-12PM**	Tuesday **11AM AP CS-A** (30 min) followed by Q&A	Wednesday **10AM-12PM**	Thursday **11AM AP CS-A** (30 min) followed by Q&A	Friday **10AM-12PM**
