

**February 16<sup>th</sup> eDay**  
**2<sup>nd</sup> Grade**

**Directions:** Parents, please initial next to each assignment as it is completed. Return this checklist and the eDay assignments to your teacher by Tuesday, February 20<sup>th</sup>.

For direct links to your eDay assignments, go to your teacher's webpage. Click [February 16<sup>th</sup> eDay](#). This assignment page will be posted, and the hyperlinks will be active so you can simply click on the link to access each web page instead of typing in the web address.

We know that technical difficulties may arise. If so, please make a note next to that assignment on this checklist and we will try to take care of it at school. You may visit Emmet O'Neal Library for Internet access. Please remember that websites requiring Flash will not work correctly if accessed from an iPad.

**Math**

1. Watch **"Expanded Form"** video.
2. Play from this list of Math Games for 30 minutes.
  - [Shark Numbers Place Value](#)
  - [Life Guard Number Line](#)
  - [Clear It Addition](#)
  - [Fruit Splat Place Value](#)
  - [Math Tiles](#)
  - [Subtract Two Numbers](#)

**Language Arts**

1. Using a QR Reader app or scanner found online: Scan the QR code and listen to a story about Abraham Lincoln.

Scanner found online: <https://www.the-qr-code-generator.com/scan>

\*If using a computer without a camera, use the following link: <https://safeshare.tv/x/ss5995e944e43e0>

2. Using a QR Reader app or scanner found online: Scan the QR code below and listen to a story about George Washington.

\*If using a computer without a camera, use the following link: <https://safeshare.tv/x/ss578e2648ba392>

3. Research about your famous person to learn more about who they were/are. Write five facts you learn about them.
