Big Ideas Chapter 8

The students will:

- Understand the numbers 10, 11, 12, 13, and 14
- Count and write the numbers 10, 11, 12, 13, and 14.
- Show the numbers 11, 12, 13, and 14 as a group of ten and some more ones
- Write 11, 12, 13, and 14 as $10 +$ a number

Important Information

Thank you to those who attended 2nd Semester Parent Night! Your support is greatly appreciated! We talked in detail about Power Standards and how to help your child at home. The Practice Folders provide you with all the resources needed to help your child with the English Language Arts Power Standards.

Practice Folders: The goal for these folders is that your child is reading the Word List, sentences, and passages each day. The time your child spends reading will only help him/her to become a better reader.
