Big Ideas Chapter 8

The students will:

- Understand the numbers 13, 14, 15, 16, and 17
- Count and write the numbers 13, 14, 15, 16, and 17
- Show the numbers 13, 14, 15, 16, and 17 as a group of ten and some more ones
- Write 13, 14, 15, 16, and 17 as $10 +$ a number

Important Information

The 3rd Nine Weeks Progress Report will be coming home in your child's Report of Learning Folder on Thursday, February 10th. Please be sure to read the teacher comment boxes and make notes of how to help your child at home. Use the information from Parent Night and Progress Report to support your child's learning. Many children need daily practice with their sight word flashcards and their math fact flashcards. Remember to practice addition facts separately from subtraction facts. Use what you learned at Parent Night to write CVC words and sentences. Please sign next to the 3rd Nine Weeks box on the last page and return on February 14th.
