

Field Journal

Record your observations and answer the questions as you view the video. You can include a drawing to help explain your observations.

Meerkats

List at least two things the meerkats did. You can include more.

Do you think the meerkats help each other? Explain.

Ravens

List at least two things the ravens did. You can include more.

Do you think the ravens help each other? Explain.

Snow Monkeys

Describe what the snow monkeys did.

Do you think the snow monkeys help each other? Explain.

Bison

List at least two things the bison did. You can include more.

Do you think the ravens help each other? Explain.

Here are the ways that I saw animals that live in groups help each other.

Suppose your friend told you “Animals live in groups to be with their friends. It’s not like they do it to stay alive.” Do you agree or disagree. Use evidence to support your answer.
