2022 Senior Final Guidelines!!

The graduation ceremony is one of the most formal events of your life.....

Your complete cooperation is required in order to have a dignified ceremony that you, your parents, and your school deserve. We sincerely hope that each senior will be able to participate in the ceremony; however, if any student appears to be a threat to the dignity of the occasion, he or she will not be allowed to participate. Each senior is expected to abide completely by these guidelines. If all guidelines are not followed at practice and at the ceremony, you face the possibility of having your diploma pulled, having an automatic 30 day delay in the processing of transcripts, and being removed from Bobcat Stadium by the law enforcement officers on duty. If there are any questions, please ask.
