

Book and Online Scavenger Hunt

1. What modules are in the “Social Psychology” section of the textbook?
2. What is Objective 1-2 in your textbook?
3. According to your textbook, what is the definition of “median”?
4. In Module 6, what are the “Terms and Concepts to Remember”?
5. On what page would you find “analytical intelligence”?
6. On Haiku, how many “helpful links for AP Psychology” are there? (There will be more added as the year progresses. 😊)
7. On Haiku, find the link for the “Website for Materials Related to Textbook” and click on the link.
 - Sign up/Register as a student.
 - Look around the site.
8. On the site that you registered for in #7, use the flashcards for Chapter 2. What are the words that are included in the flashcards?
9. From the same site, print the “Module Review” for Module 3 and attach to this sheet.
10. On the same site, use information in Module 1 to find the psychologist that is associated with the year 1913. Name the psychologist.
