- Sight Word Flashcards** for Theme 2 Week 2. Please make sure your child knows how to read and spell these words. **Strategies for Memorizing the Words: 1. Say, spell, say again. 2. Trace the words in colored pencil or with your finger. 3. Write the words in the air, your hand or on each other's back. 4. Play "Word War" where the word that comes at the beginning of the alphabet captures the other card. 5. Write the words for practice.
- Math:** Home Connection #1-Capture the Coin. The game is similar to Bugs on Board. Help you child identify and name coins, as well as state the value of the coins. Play several times, and keep at home. (It is not available online because a paper copy was sent home Friday for all students.)
