

## Fruita Monument Summer Basketball 2021

Head Coach- Ryan Hayden 640-9930  
JV Head Coach- Brian Hott 778-7014  
Freshmen Head Coach- Mason Stauffer 270-6142

### Open Gym:

Anyone is welcome to attend open gym, as long as they are enrolled at Fruita Monument. Each open gym will consist of skills and drills, open scrimmages, and we will be in the weight room for the final 45-60 minutes. Open gym is the most beneficial improvement platform that we offer in the off-season and regular attendance is highly recommended for players looking to grow their game.

### Camp Information:

**FMHS Team Camp:** Admission is free, open to incoming 9-12<sup>th</sup> graders. May 24-27. For anyone interested in playing in another team camp throughout the summer, this camp is highly recommended. We will be installing our offensive and defensive sets that will be used over the course of the summer. Also, we will be doing our FMHS Kids camp on the mornings of this camp and we will be looking for our current players to assist in coaching the kids.

**Metro State Camp-** Cost for Metro is \$180. We will be bringing our top 10 varsity players in the program. Games will be held at Metro State campus in downtown Denver. Transportation will need to be provided and will be coordinated as we get closer to the time of camp. This camp does not offer dorm options, so we will be staying in a hotel close to MSU and eating meals on our own. Camp fee will cover hotel, transportation, and entry fee. Meals will be on their own.

**Mychal Martinez Basketball Camp-** June 15-17. Our boys and girls programs are bringing in one of the best skills trainers available, in Mychal Martinez. Mychal is a former D1 athlete who played collegiately for UNLV and has made a great name for himself as a skills trainer on the Front Range. Registration for this camp is done through his website and can be accessed at <https://tinyurl.com/2021-fmhs-june-camp>. This will be a great opportunity for all kids in our program.

**Colorado Mesa Camp-** Cost for the CMU camp is \$145. Our freshmen are signed up for camp the week of June 21-24 and all levels are signed up June 28-July 1. This is a commuter camp, which means that all players will need rides to and from games. Camp usually begins Monday around 12:00 and ends with 1 tournament game on Thursday morning. Games schedules for this camp are not released until the camp begins on Monday, so we will plan on meeting on the Monday camp starts at 12:00 at CMU-Brownson Arena to collect money and pass out schedules. Make checks payable to CMU Basketball.
