

**MOUNTAIN BROOK DORIANS**  
*EARLY RELEASE POLICY*

Below is a list of dates on which the MBHS Dorians will have the opportunity to check out at the beginning of eighth period. On dates not listed below, practice and/or other activities will be held during the eighth period class designated for Dorians. Because Dorians receive an academic credit for this class, regular attendance is expected on days not designated for check out.

On dates that are designated by Mrs. Fitch as study hall, the following procedure must be followed: If a Dorian checks out for a doctor's appointment, the school must have a doctor's note upon return. If a student needs to meet with a teacher, they must first communicate with Mrs. Fitch, in person (not through another member, e-mail, etc.), and then must return to Mrs. Fitch by 3:15 with a signed note from the teacher they met with.

Attendance will be posted each day that is not designated as permissible to check out. Those Dorians not in attendance will be marked absent from the eighth period class.

The signature below affirms that the above policy has been read and understood.
